Waldron, 2005-02 The book is the summary of the major circumstances contributing to Al Gore's loss in 2000 derived from books and articles intended for the non academic reader Topics discussed are the electoral college voter roll purging in Florida Ralph Nader's candidacy ballot design in Palm Beach and Duval Counties and the recount in Palm Beach County the decision of the Bush campaign to obstruct the Florida recount and the Bush campaign's military overseas absentee ballot operation It presents the author's interpretation of these circumstances and how in hindsight the Gore campaign might have overcome them *Vying for Allah's Vote* Haroon K. Ullah, 2013-12-17 What is driving political extremism in Pakistan In early 2011 the prominent Pakistani politician Salmaan Taseer was assassinated by a member of his

own security team for insulting Islam by expressing views in support of the rights of women and religious minorities Benazir Bhutto the former prime minister was killed by gunfire and explosive devices as she left a campaign event in December 2007 strong evidence links members of extremist organizations to her slaying These murders underscore the fact that religion politics and policy are inextricably linked in Pakistan In this book Haroon K Ullah analyzes the origins ideologies bases of support and electoral successes of the largest and most influential Islamic parties in Pakistan Based on his extensive field work in Pakistan he develops a new typology for understanding and comparing the discourses put forth by these parties in order to assess what drives them and what separates the moderate from the extreme A better understanding of the range of parties is critical for knowing how the US and other Western nations can engage states where Islamic political parties hold both political and moral authority Pakistan s current democratic transition will hinge on how well Islamic parties contribute to civilian rule shun violence and mobilize support for political reform Ullah s political party typology may also shed light on the politics of other majority Muslim democracies such as Egypt and Tunisia where Islamist political parties have recently won elections
