History of the affairs of church and state in Scotland, from the beginning of the reformation to the year 1568 Robert Keith,1844 Alliterative Revivals Christine Chism,2013-05-29 Alliterative Revivals is the first full length study of the sophisticated historical consciousness of late medieval alliterative romance Drawing from historicism feminism performance studies and postcolonial theory Christine Chism argues that these poems animate British history by reviving and acknowledging potentially threatening figures from the medieval past pagan judges primeval giants Greek knights Jewish forefathers Egyptian sorcerers and dead ancestors In addressing the ways alliterative poems centralize history the dangerous but profitable commerce of the present with the past Chism s book shifts the emphasis from the philological questions that have preoccupied studies of alliterative romance and offers a new argument about the uses of alliterative poetry how it appealed to its original producers and audiences and why it deserves attention now Alliterative Revivals examines eight

poems St Erkenwald Sir Gawain and the Green Knight The Wars of Alexander The Siege of Jerusalem the alliterative Morte
Arthure De Tribus Regibus Mortuis The Awntyrs off Arthure and Somer Sunday Chism both historicizes these texts and
argues that they are themselves obsessed with history dramatizing encounters between the ancient past and the medieval
present as a way for fourteenth century contemporaries to examine and rethink a range of ideologies These poems project
contemporary conflicts into vivid vast and spectacular historical theaters in order to reimagine the complex relations
between monarchy and nobility ecclesiastical authority and lay piety courtly and provincial culture western Christendom and
