continued with The Joshua Trail now reaches its long awaited and exciting conclusion After ten long years of pursuing the hated Joshua brothers from the coal mines of Pennsylvania to the gold mines of California south of the border deep into the badlands of Mexico and back again at long last Eli has his fated showdown with Jules Joshua the most evil man who ever lived Eli has lost more than he can ever gain by killing Jules but he is determined to carve that last notch into his gun handle Jules intends to deny him that pleasure There is A Season of Reckoning for only one of them Jules took one last look in his son s direction as he held Eli s notched gun in his hand You think you the law or something now Eli It s exactly like that Jules Well if that don t beat all Jules chuckled as he looked at Eli s gun His mood turned sad then sinister as he let his thumb ease over the first notch He retched as he thought on what the notches represented I done some mean things in my life as a sinning man but no thing as evil as what you done on this gun handle Killing a man is a natural thing Gloating on it is a godless act It was no more than what was deserved You thinking on cutting one more I expect there ll be six soon enough You gonna cut your own self in the handle Jules voice cracked as he looked at the hatred on his son s face Hot salty tears of bitterness formed at the corners of his eyes Deep in the darkest corners of the tortured recesses of his being a last flickering glimmer of a soul emerged Ben You look on and see who can rightly claim to be your father Ben turned away Jules thought it over and holstered the gun Then he reached down and offered Eli a hand up Eli looked doubtful then took the hand and got to his feet Without a need for words they checked their gun loads then holstered their pistols and eased to a proper distance They paused for a moment of mutual respect before a nod to be at the ready Jules tipped his hat to Stella She smirked Ben turned and looked on with curious eyes not sure which man to champion The streets fell silent There was a mean eternity of restless rawhide eager iron and itchy fingers then a flash of gunfire

Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 **Forthcoming Books** Rose Arny,2001 The Joshua Trail Lew Osteen,2017-06-15 THE JOSHUA TRAIL the second book in The Joshua Trail Series begins where SIX NOTCH ROAD left off Eli Lynne is determined to end his quest for the elusive Jules Joshua despite risking the loss of his wife s love and the good life With only rumors tall tales and a string of back shot dead men to guide him Eli heads to Mexico to see Jules dead and cut the last notch into his gun handle Meanwhile Stella begins plotting her revenge for being scorned She knows she can hire a man to be killed for a bottle of good whiskey She sets aside 10 000 to see Eli killed and have it done well Eli Llynne had been right all along Jules Joshua was not dead he was in Mexico Jules as Eli had been was befriended by the hard rock miners of Hornitos who thought they were rendering assistance to one of their own Jules could talk mining lingo and they accepted him as a miner who had experienced a bad cave in Jules blamed the death of his brothers on Mexican claim jumpers and weaved a tall tale about how he had fought them off despite interference from Eli Llynne Since Eli was unconscious Jules story went unchallenged until he robbed and shot the doctor who was attending him The horrors of the potato famine that had caused Stella s family to leave Ireland had permanently warped her soul She had seen friends and relatives die of starvation and had vowed it would never happen to

her She had endured the terrible Atlantic coffin ship passage as a young woman and had known what it was like to huddle in the cold damp darkness below the decks of the stinking overcrowded ship She had walked among human excrement and wallowed in vomit She had endured the vituperative scorn of those who despised her people Stella had never known what it was like to be a child Jules did not take his eyes off of Maria for a second He took his new Colt from his belt and lay it on the table in front of him He pondered where he would place the shots that he would use to kill Juan and have her all to himself A kill shot was to be last after bullets tore flesh and broke bone to cries of agony He shivered with pleasure as he thought of how he would take Maria without the slightest smile of consent He wanted the spit of hatred to ooze on his cheek feel her fire red fingernails tearing at his flesh and have her screams echoing in his ears as he took her in his time and for as many times as it pleased him
