Small Of Angels:

Stories for Small Angels Gary W. Cook, 2007-09 Gary Cook author of *Stories For Small Angels* says I am under no illusion Children are not angels not even my own grandchildren However there occasionally comes a moment when children look a little like angels That moment comes when children are in their pajamas and ready for bed They are still and quiet as someone reads them a story or maybe they read it for themselves Their imagination comes alive and in their faces you can see the promise of their becoming what God created them to be In *Stories for Small Angels* Cook combines his knowledge of the Bible with his imagination and his experiences as a grandfather and the results are Christmas stories that will indeed encourage a child to experience one of those special almost angelic moments This book is an eLIVE book meaning each book contains a code to redeem a free audio book download from the Tate Publishing website **The Small Angel** Michael

Behind the Angel of History Annie Bourneuf,2022-09-24 This short book offers a dazzling new interpretation of Paul Klee s most famous work his Angelus Novus 1920 which was purchased by Walter Benjamin and became the model for his Angel of History a figure saturated with Jewish mysticism that he introduces in his Theses on the Philosophy of History In 2014 the celebrated American artist R H Quaytman made a surprising discovery about Klee s work when she examined it at the Jewish Museum in Israel She realized that Klee had carefully pasted the Angelus down over another image a face leaving just a finger s breadth of it showing Through forensic science and lots of sleuthing it was determined that face belonged to Martin Luther Behind the Angel of History tells the story of how Quaytman solved the mystery of who lurks behind Klee s angel It then plunges into questions about why a face long hidden beneath another picture might matter The book travels through a tangle of loaded conversations among images from Klee s Angelus to Benjamin s own drawing of a crucified angel from Klee s Angelus to Quaytman s own layered panels meditating on its secret
