*Reading In* JoAnn McCaig, 2009-10-21 What can we learn about authorship through a reading of a writer's archive? Collections of authors' manuscripts and correspondence have traditionally been used in ways that further illuminate the published text. JoAnn McCaig sets out to show how archival materials can also provide fascinating insights into the business of culture, reveal the individuals, institutions, and ideologies that shape the author and her work, and describe the negotiations that occur between an author and the cultural marketplace. Using a feminist cultural studies approach, JoAnn McCaig reads into the archives of acclaimed Canadian short story writer Alice Munro in order to explore precisely how the terms Canadian woman, short story, and writer are constructed in her writing career. Munro's correspondence with mentor Robert Weaver, agent Virginia Barber, publishers Doug Gibson and Ann Close, and writer John Metcalf tell a fascinating story of how one very determined and gifted writer made her way through the pitfalls of the culture business to achieve the enviable authority she now claims. McCaig's discussion of her own difficulties with obtaining copyright permission for the book raises important questions about freedom of scholarly inquiry and about the unforeseen difficulties and limitations of archival research. Despite these difficulties, McCaig's reading of the Munro archives succeeds in examining the business of culture, the construction of the aesthetic, and the impact of gender, genre, nationality, and class on authorship. While on one level telling the story of one author's career, the progress of Alice Munro, so to speak, the book also illustrates how cultural studies analysis suggests ways of opening up the rich but underutilized literary resource of authorial archives to all researchers.

**"Collecting Stamps Would Have Been More Fun"** Jordan Stouck, David Stouck, 2010-07-15 This unique exchange of letters between literary icon Sinclair Ross and several prominent writers, publishers, agents, and editors asks why many Canadian artists, especially those in western provinces, spent a lifetime struggling for recognition and remuneration. Featuring exchanges with Earle Birney, Margaret Laurence, and Margaret Atwood among others, this collection exposes the conditions of cultural work in Canada for much of the twentieth century. This vivid, often moving selection of professional and personal letters, plus the only formal interview Ross ever gave, provides a valuable resource for those engaged with the history of publishing in Canada, as well as for those with an interest in Canadian literature.

**"Collecting Stamps Would Have Been More Fun"** Sinclair Ross, 2010-07-15 The peculiar struggles of Canadian authors are writ large in the letters of Sinclair Ross.
