**The Intelligent Entrepreneur** Bill Murphy,2025-09-23 Written with the cooperation of Harvard Business School an instructive and inspiring book for anyone who dreams of starting a highly profitable business In 1998 three Harvard Business School graduates two men and one woman turned down six figure salaries at big corporations bet on themselves and launched their own new companies By their ten year reunion their audacity had paid huge dividends They d made many millions of dollars created hundreds of jobs and left their mark on the

world Based on dozens of interviews with highly successful entrepreneurs Harvard Business School professors and HBS alumni The Intelligent Entrepreneur tells the compelling and instructive story of how these three young founders developed ideas assembled teams built ventures and achieved their dreams Along the way they learned that starting great companies requires much more than a ferocious work ethic or good timing Their hard won insights distilled into ten key rules will help anyone become a successful entrepreneur What they teach you at Harvard Business School is that intelligent entrepreneurship can be learned In that spirit Bill Murphy Jr uses a unique combination of vivid storytelling and lucid instruction to show would be entrepreneurs how to improve their odds of creating dynamic lasting businesses *Smart About the Fifty States* Jon Buller,Dana Regan,True Kelley,Joan Holub,Maryann Cocca-Leffler,Susan Schade,2003 **Think Like a Freak** Steven D. Levitt,Stephen J. Dubner,2014-05-13 From the rule breaking authors of international bestsellers Freakonomics and Superfreakonomics this is the ultimate guide to how to Think Like a Freak The Freakonomics books have come to stand for something challenging conventional wisdom using data rather than emotion to answer questions and learning to unravel the world s secret codes Now Levitt and Dubner have gathered up what they have learned and turned it into a readable and practical toolkit for thinking differently thinking that is like a Freak Whether you are interested in the best way to improve your odds in penalty kicks or in major global reforms here is a blueprint for an entirely new way to solve problems Along the way you ll learn how the techniques of a Japanese hot dog eating champion can help you the reason an Australian doctor swallowed a batch of dangerous bacteria why Nigerian e mail scammers make a point of saying they re from Nigeria and why Van Halen s demanding tour contract banning brown M Ms was really a safety measure You ll learn why sometimes it s best to put away your moral compass and smarter to think like a child You will be given a master class in incentives because for better or worse incentives rule our world And you will learn to quit before you fail because you can t solve tomorrow s problem if you aren t willing to abandon today s dud Levitt and Dubner see the world like no one else Now you can too Never before have such iconoclastic thinkers been so revealing and so much fun to read The Woven Figure George F. Will,1999-07-15 Swatches From The Century s End I cannot deny my past to which my self is wed the woven figure cannot undo its thread Louis MacNeice Valediction These words express a truth of conservatism that has discomfited conservatives in the years covered by this volume This collection of columns shows how in the mid 1990s conservatives fancied themselves poised to conduct a revolution a radical reorientation of politics and governance But in the late 1990s they have discovered how resistant a complex nation is to being undone and rewoven In this volume George F Will distinguished political columnist and cultural critic examines many episodes of the conservative tribulations and the liberal accommodations to the new political landscape These writings present a map of the landscape a guide for people perplexed by the gap between contemporary political theories and practices With his customary linguistic flair and acerbic wit Mr Will tackles a wide range of subjects including political correctness on college campuses extreme fighting the 1996 presidential

campaign judicial activism ESPN and Corvettes These writings are history written on deadline and together they constitute a richly woven tapestry of our era
