Smart Alecs Spooky Jokes For Kids Smart Alecs:

Smart Alec's Spooky Jokes for Kids Smart Alec, Ward Lock, Ward Lock & Co Ltd, 1990 **Script-Based Semantics** Salvatore Attardo, 2020-02-24 The book contains essays in honor of Victor Raskin. The contributions are all directly related to some of the major areas of work in which Raskin's scholarship has spanned for decades. The obvious connecting idea is the encyclopedic script-based foundation of lexical meaning which informs his pioneering work in semantics in the 1970s and 1980s. The first part of the book collects articles directly concerned with script-based semantics which examine both the theoretical and methodological premises of the idea and its applications. Script-based semantics is the foundation of both Raskin's ground-breaking work in humor research addressed by the articles in part 2 and in Ontological semantics addressed in part 3, the most recent development of script-based semantics. The fourth part is dedicated to a less known but equally important strand of Raskin's research: the applications of linguistics to other fields including writing, lexicography and professional applications e.g. tourism. Overall, the book provides an up-to-date in-depth discussion of an influential strand of the discussion on semantics and its most recent developments and influence on other seemingly unrelated fields such as Cognitive Linguistics.

Structural Ambiguity in English Dallin D. Oaks, 2010-05-27 Structural Ambiguity in English is a major new scholarly work that provides an innovative and accessible linguistic description of those features of the language that can be exploited to generate structural ambiguities. Most ambiguity scholarship is concerned with disambiguation, the process of making what is ambiguous clear. This book takes the opposite approach as it focuses on describing the features in the English language that may contribute towards the creation of structural ambiguities which form the core of some of the best word plays found in advertising, comedy and marketing. Oaks utilizes a systematic and comprehensive inventory approach that identifies individual elements in the language and their distinctive behaviors that can be manipulated in the deliberate creation of structural ambiguities. In doing so, he also provides authentic examples to illustrate the concepts he presents. This book will appeal to researchers and academics interested in the structure of the English language, usage, pragmatics, communication, natural language processing, editing and humor studies, as well as those in marketing, advertising or humor writing.

Whitaker's Book List, 1987 *The British National Bibliography* Arthur James Wells, 2003 **Smart Alec's Beastly Jokes for Kids** Smart Alec, David Nostyn, 1987-01-01 **Smart Alec's Knock Knock Jokes for Kids** Smart Alec, 1987 **Smart Alec's Cheeky Jokes for Kids** Smart Alec, 1987 **Smart Alec's Playground Jokes for Kids** Smart Alec, David Mostyn, 1987

Choice and Change April O'Connell, Vincent O'Connell, 2001 For courses in Adjustment, Personal Growth, Human Relations and Freshman Orientation. Written in a warm and humanistic style with an abundance of examples, this solid comprehensive introduction to the essentials of psychology offers an accessible balance of theory, research and applications. It encourages students to apply material to their personal, social, educational and vocational lives. Holistic in approach, it emphasizes responsible self-direction and moral/ethical values.
