Soc Perspectives On Labor Markets

Bernard Enjolras, Karl Henrik Sivesind

Soc Perspectives On Labor Markets:

Sociological Perspectives on Labor Markets B. Furåker, 2005-10-11 This book presents conceptual tools and theoretical perspectives that can be used to sociologically analyze labour markets in modern capitalist societies It makes use of the rich heritage of sociological thinking and draws on the classical work of Marx Weber and Durkheim as well as structural functionalist contributions Contemporary sociological thinking is criticized for its tendency to exaggerate change in labour markets while the need to consider continuity is emphasized Conceptual tools and perspectives are applied based on concrete phenomena as the author combines abstract theoretical reasoning with theoretically founded reflections on actual labour market developments

Sociological Perspectives on Labor Markets Ivar E. Berg, 1981 Sociological and institutional perspectives on labor markets matching persons and jobs theoretical perspectives Firms occupations and labor markets Employment and unemployment Discrimination in labor markets Alternatives to human capital and status attainment research models two views Toward model specification in the structural unemployment thesis issues and prospects

The State and the Labor Market Samuel Rosenberg, 2012-12-06 In the two decades before the mid 1970s macroeconomic policies in Western Europe were frequently accompanied by policies of direct wage restraint in the pursuit of acceptable levels of employment inflation and international competitiveness The same period witnessed a proliferation of social welfare programs elements of which were sometimes commingled with demand management and pay policies in trilateral bargaining processes involving governments unions and employers In the wake of such subsequent developments as the oil price shocks sharply intensified international competition and slowing of growth rates in productivity however governments resorted more frequently to deflationist macroeconomic policies and also to policies aimed directly at increasing inflexibility in wage determination and the deployment of labor by the firm It is a major theme of this very interesting book that these labor market policies have not been demonstrably or at least sufficiently effective in combating the high rates of unemployment which have been prevalent in most of the countries of Western Europe since the late 1970s This theme emerges from the chapters on labor market developments and policies in six countries of Western Europe the United States and Hungary a welcome addition to this type of scholarship as well as another set of chapters devoted to specific policy areas In effect Samuel Rosenberg and his colleagues an international team of nineteen economists and sociologists are repeating in concrete terms a sermon preached by Keynes over a half century ago

Labor Markets in a Global Economy: A Macroeconomic Perspective Ingrid H. Rima, 2015-05-20 This introductory text on labour economics covers topics such as the shift in America from a manufacturing based economy to a service economy the changes in the economic conditions in the US the implications of NAFTA and GATT and the labour markets

Chinese Research Perspectives on Society, Volume 4 Peilin LI, Guangjin CHEN, Yi ZHANG, 2018-11-01 This collection of articles selected from Blue Book of Chinese Society 2015 published in Chinese reviews China's social condition from 2013 to 2014 The articles featured cover a range of social issues

including employment income and consumption social security and others Findings are presented and analyzed from a number of social surveys on topics such as the public's conception of a good society quality of life in urban areas migrant workers university students and graduates and household registration system reform In addition recent development of and future outlook for internet public opinion labor relations agriculture and urbanization are examined Each article ends with policy suggestions and a statistical overview of China's social development is given in the appendix

Macroeconomics For Business And Society: A Developed/developing Country Perspective On The "New Economy" F Gerard

Adams,2002-02-01 In recent years the world economy has been undergoing drastic changes the East Asian miracle the financial crisis and today globalization and the fundamental changes associated with the new economy This book integrates these developments with macroeconomics for business managers and policymakers Macroeconomics is essential background for the business manager and policymaker Consequently macroeconomics is an integral part of the business curriculum in mature and developing countries alike And well it should be The economy affects decisions by investors manufacturers distributors importers and exporters etc in all parts of the world Often it is the difference between growth and profitability on one hand and stagnation or failure on the other In recent years as the world economy has undergone overwhelming changes especially in East Asia and now in the advanced countries understanding what is going on in the local economy and out there in the world has become a particular challenge to managers The new developments of which the new economy is the most recent one do not supercede the basic theoretical framework of macroeconomics But they add greatly to the challenge of understanding the economic situation and to its uncertainty This book was originally written to meet the needs of a business curriculum based on the program at the Sasin Graduate Institute of Business Administration of Chulalongkorn University in Bangkok in collaboration with the Wharton and Kellogg Business Schools in the United States The book is intended for a broad audience both domestic and international that includes mature MBA business students intermediate level undergraduates and informed laypersons

Chinese Research Perspectives on Society, Volume 3 Peilin LI,Guangjin CHEN,Yi ZHANG,2018-11-01 All the articles featured in this volume first appeared in the Chinese language edition of Blue Book of Chinese Society 2014 They present and analyze developments in 2012 2013 in income and consumption industrial transformation employment social security healthcare education quality of life and public sentiments Most data come from several large scale social surveys There are a number of highlights An entire chapter is devoted to capturing Chinese people's outlook on their own future and that of the country A special report takes the pulse of the Internet whose social impact has grown rapidly in recent years And for the first time in this series parenting strategies and styles of people with young children received special attention Policy suggestions are provided

"Smart Technologies" for Society, State and Economy Elena G. Popkova,Bruno S. Sergi,2020-10-15 This proceedings book presents a comprehensive view of smart

technologies and perspectives of their application in various areas of economic activity The authors of the book combined the

results of the cutting edge research on the topic of smart technologies in the digital economy and Industry 4.0 and developed a unified scientific concept. The current experience has been considered and the prospects for the application of smart technologies in society to promote social advance have been identified. Smart technologies in public administration and law as well as the experience in development of e government have been examined. Smart technologies in business activity have been studied and the transition from digital business to business 4.0 has been justified. The book contains the collection of the best works following the results of the 13th International Research to Practice Conference Smart Technologies for society state and economy which was run by the Institute of Scientific Communications ISC and was held on July 23, 2020. The target audience of this book includes researchers investigating fundamental and applied problems of development of smart technologies as well as concerned parties outside the academic community in particular representatives of the digital society high tech business entities and officials regulating the digital economy and Industry 4.0.

Program Evaluation Robert L. Schalock, C.V.D. Thornton, 2013-11-11. This book is written to help human service program administrators either interpret or conduct program evaluations. Our intended audience includes administrators and those students being trained for careers in human services administration. Our focus is on persons interested in assessing programs in which people work with people to improve their condition. The book's title *Program Evaluation: A Field Guide for Administrators* describes how we hope you use this book as a tool. In writing the book we have attempted to meet the needs of persons who have to conduct program evaluations as well as those who must use those evaluations. Hence we have attempted to make the book user friendly. You will find for example numerous guidelines, cautions and specific suggestions. Use the book actively. Our primary motive is to help administrators make better decisions. In fact the primary reason for program evaluation is to help program administrators make good decisions. These decisions often must balance the goals of equity or fairness in the distribution of goods and services among people in the economy, efficiency, obtaining the most output for the least resources and political feasibility. Take for example the administrator who must decide between a new program favored by some of the program's constituents and maintaining the status quo which is favored by other constituents.

Gender-Specific Inequalities in the Education System and the Labor Market Pia Blossfeld, Magdalena Pratter, Wilfred Uuk, 2023-08-15. Two remarkable trends concerning women's educational and labor market outcomes in modern Western societies can be observed. Firstly, in recent decades women have been catching up with and have even overtaken men in educational attainment. Secondly, women continue to choose educations and occupations in Science, Technology, Engineering and Mathematics (STEM) less often than men. This Research Topic will focus upon these gender specific trends with a view to analyzing some of their causes and consequences.

Chinese Research Perspectives on Society, Volume 1 Xueyi LU, Peilin LI, 2013-01-22. Chinese Research Perspectives on Society formerly the China Society Yearbook Volume 1 continues the tradition of presenting precise and venerable academic principles by compiling the findings of the Chinese Academy of Social Sciences subject research group.

for the Analysis and Forecast of the Social Situation The focus of the research group centered around three themes for 2010 2011 The first theme focuses on the main tasks China is undertaking during its new stage of reform and development after the recent international financial crisis The second focus is on how to remedy the many social contradictions and challenges that are complicating the economic and social developments of China such as the disparity between urban and rural incomes Finally the group addressed the new engine of China s rapid economic and social development urbanization while highlighting the important national development targets of eradicating the dualistic urban and rural structure as well as integrating urban and rural development Written by contributors from professional research and survey organizations universities and related governmental sections Chinese Research Perspective on Society Volume 1 provides an excellent resource for those interested in current societal changes in China

Monopsony in Labor Markets

Brianna L. Alderman,Roger D. Blair,2024-02-15 The economics of monopsony power results in lower wages and other forms of compensation as well as reduced employment Wealth is transferred from workers to their employers In addition the employer s output is reduced which leads to increased prices for consumers Monopsony in Labor Markets demonstrates that elements of monopsony are pervasive and explores the available antitrust policy options It presents the economic and empirical foundations for antitrust concerns and sets out the relevant antitrust policy Building on this foundation it examines collusion on compensation collusive no poaching agreements and the inclusion of non compete agreements in employment contracts It also addresses the influence of labor unions labor s antitrust exemption which permits the exercise of countervailing power and the consequences of mergers to monopsony Offering a thorough explanation of antitrust policy this book identifies the basic economic problems with monopsony in labor markets and explains the remedies currently available

Current

Perspectives on Immigrant Integration in Europe and Beyond Boris Heizmann,Reinhard Schunck,2022-08-02

Civil

Society in Comparative Perspective Bernard Enjolras,Karl Henrik Sivesind,2009-12-01 Presents a collection of comparative studies of civil society around two main issues the comparison and analysis of civil society regimes in relation to different constructions of citizenship and welfare states and the role of civil society in governance and active participation of citizens

Marxist Perspectives on Irish Society Odette Clarke,Jean Ryan Hakizimana,Paul M. Hayes,2011-07-12 This book involves a conscious attempt to bridge progressive academic scholarship with activist groups and communities in Ireland and beyond Taking Howard Zinn s maxim You can t be neutral on a moving train seriously the book attempts to examine Irish society as much as it is possible to do so from the point of view of those who are actively fighting against ongoing attacks on the pay conditions rights and protections that were won by working people through the decades of the twentieth century This effort comes at a time when the predatory nature of the capitalist system is being revealed on a daily basis and its consequences exacerbated simultaneously across the globe The chapters deal with the various impacts of world capitalism in Ireland from the revolutionary upheavals of the early twentieth century to the current economic crash The

individual perspectives of contributing scholars and activists differ substantially they would not usually be found within the same publication Nonetheless they collectively manage to highlight the capitalist character of Irish society and provide an analysis of its features that is specifically Marxist They demonstrate that there are alternative ways of looking at Irish history Irish political economy and the issues currently impacting on the working population and various marginalised or vulnerable groups They show that the class struggle continues unabated and that progressive social change now more than ever requires the development of an organised resistance

International Perspectives on Gender and Higher Education

Christine Fontanini,K.M. Joshi,Saeed Paivandi,2020-11-26 Despite improved access to higher education for women the distribution of women and men varies considerably between fields of study The chapters in this edited collection explore the participation status of women in higher education across the varying socio economic and sociological backgrounds observed in different countries and regions

Radical Evolution: A New Perspective on Society Pasquale De Marco,2025-07-18

Embrace a transformative perspective on society in *Radical Evolution A New Perspective on Society* This thought provoking book delves into the intricacies of our ever changing world offering a fresh lens through which to understand the forces shaping our societies and the choices we must make to navigate them successfully Through a series of insightful chapters we embark on a journey to explore the labyrinth of power dynamics examining the distribution of authority and the interplay of politics economics and social hierarchies We confront the challenges of social stratification and inequality analyzing the causes and consequences of economic disparity and exploring pathways for upward mobility We celebrate the tapestry of cultural diversity delving into the significance of language traditions and beliefs while also addressing the complexities of cultural conflict and the importance of building bridges of understanding As we navigate the maze of media and information we examine the power of media in shaping public opinion the rise of social media and its implications for society and the urgent need for media literacy We explore the frontiers of artificial intelligence considering its potential to enhance human capabilities while also addressing the ethical implications and the impact on employment and society We envision a post capitalist society reimagining economic systems beyond traditional models exploring cooperative movements and the sharing economy and considering the future of work in an era of technological disruption Finally we embrace a transformative future recognizing the imperative for change the role of individuals in creating a better world and the power of collective action to drive change from the grassroots *Radical Evolution A New Perspective on Society* is an intellectual adventure that challenges conventional wisdom and engages critical thinking to gain a deeper understanding of the forces shaping our world Join us on this journey towards a just equitable and sustainable future If you like this book write a review [Eurasian Economic Perspectives](#) Mehmet Huseyin Bilgin,Hakan Danis,Ender Demir,Ugur Can,2017-12-28 This volume presents selected papers on recent management research from the 20th Eurasia Business and Economics Society EBES Conference which was held in Vienna in 2016 Its primary goal is to showcase advances in the fields of public economics regional studies economic

development and inequality and economic policy making Reflecting the contemporary political climate many of the articles address the effectiveness relevance and impact of European Union policies In addition the volume features empirical research from less researched countries such as Kazakhstan the Republic of Macedonia Belarus and Lithuania among others

Social Stratification, Class, Race, and Gender in Sociological Perspective, Second Edition David Grusky, 2019-09-05 The volume offers essential reading for undergraduates who need an introduction to the field for graduate students who wish to broaden their understanding of stratification research and for advanced scholars who seek a basic reference guide Although most of the selections are middle range theoretical pieces suitable for introductory courses the anthology also includes advanced contributions on the cutting edge of research The editor outlines a modified study plan for undergraduate students requiring a basic introduction to the field

Soc Perspectives On Labor Markets Introduction

In the digital age, access to information has become easier than ever before. The ability to download Soc Perspectives On Labor Markets has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Soc Perspectives On Labor Markets has opened up a world of possibilities. Downloading Soc Perspectives On Labor Markets provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Soc Perspectives On Labor Markets has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Soc Perspectives On Labor Markets. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Soc Perspectives On Labor Markets. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Soc Perspectives On Labor Markets, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Soc Perspectives On Labor Markets has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Soc Perspectives On Labor Markets Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
