Soccer The Z Way A Guide For Players Parents And Coaches:

Soccer the Z Way Andrew Ziemer, 1999-06-01 In this lively and entertaining book the author communicates his love and passion for soccer to youth parents and coaches. Chose learning over winning he says. Drawing upon a lifetime of playing and coaching Ziemer aims his book at soccer parents and coaches many of whom have little or no experience playing or coaching soccer. He breaks down each of the key skills into clear and simple steps along with drills that parents and coaches can teach their children and players. He also gives insights into motivating children and how to communicate simply and clearly with them. See the game through the children's eyes he says and make soccer fun and a positive experience. *Athletic Journal*, 1983 Vols 9-12 include proceedings of the 8th-11th annual meeting of the American Football Coaches Association and of the National Association of Basketball Coaches of the United States 3d-6th annual meeting. Boys' Life, 1988-03 Boys Life is the official youth magazine for the Boy Scouts of America. What I really love is their emphasis on FUN and that kids learn by DOING. This book will make a great extra assistant as you prepare for your season. Bobby Clark, Head Soccer Coach, University of Notre Dame, author of the best selling *Coaching Youth Soccer*. The Baffled Parent's Guide Coach: You're the new coach of your child's soccer team and you're not sure how to teach your players the fundamentals of soccer while also ensuring they have fun. Don't panic. *Coaching 6 and Under Soccer* is here to help. *Coaching 6 and Under Soccer* offers straightforward advice, tips, and techniques including reward-based games and drills, your first six practices in an easy-to-photocopy format, and how to teach soccer basics to 4, 5, and 6 year olds in ways that are fun for you and your players. This complete tool kit for a new coach includes: The twelve easy-to-run drills that work best with young soccer players. How to keep your young players happy and active while they learn. How to make parents your best assistants and supporters. How to keep the focus where it belongs: not on winning or losing but on having fun. How to have a terrific time coaching young players. *Coaching 6 and Under Soccer* shows you how to teach your young players the right way through lively games that encourage kids to use their creativity and self-expression when playing. Brandi Chastain, Olympic and World Cup Soccer Champion, author of *It's Not About the Bra: Play Hard, Play Fair, and Put the Fun Back into Competitive Sports*. I have no doubt that young players will come to love the game of soccer if their coaches follow the simple, straightforward advice in this book. Anson Dorrance, Head Women's Soccer Coach, University of North Carolina, author of *The Vision of a Champion: Advice and Inspiration from the World's Most Successful Women's Soccer Coach*. I highly recommend this terrific book to coaches who want to instill good sportsmanship and the love

,1991 **Paperbound Books in Print** ,1992 **Soccer Coaching: A Step-by-Step Guide on How to Lead Your Players, Manage Parents, and Select the Best Formation** Dylan Joseph, 2019-10-06 Wish you had a book that was quick to read that doubled your confidence Want to learn the 1 thing to build the bond between you and a player that takes less than 5 seconds Ever have difficult players or parent's of a player and wish you knew the steps how to handle them in a way that is a win win for both parties If any of these situations describe where you are at you are not alone Working with the directors of your club managing the expectations of your players parents and making an enjoyable experience for the players while also wanting to win is not an easy feat This book is NOT intended to be a complete guide on coaching because if you have ever coached you realize that everything to know could not be contained in one book This book's aim is to point out and provide help with the most important areas for you the coach to succeed Ideally you have an infinite amount of time to work with your players However we both know that you hardly get enough practices each year and the players attention spans can make the practices even more limited Therefore this book details the most important 20% of coaching points to help you get 80% of the results This book details various coaching styles ways to get the team to respect you even more and work hard for you This book does not cover the technical aspects of soccer like how to pass the ball shoot properly perform a foot skill
