Steverson, Jennifer E. Melvin, 2018-09-03

Debating Social Problems emphasizes the process of debate as a means of addressing social problems and helps students engage in active learning The debate format covers sensitive material in a way that encourages students to talk about this material openly in class This succinct text includes activities that promote critical thinking and includes examples from current events **SOCIAL PROBLEMS. THE CONTEMPORARY DEBATES. ED. BY JOHN B. WILLIAMSON, JERRY F. BOREN AND LINDA EVANS. ,1974** *Reconsidering Social Constructionism* Gale Miller, 2017-09-29

With the impact of social interactionist and ethnographic methodology twenty five years ago the research agenda in social problems began to shift its focus giving rise to the Social Constructionism movement The present volume and the related shorter text Constructionist Controversies review the substantial contributions made by social constructionist theorists over that period as well as recent debates about the future of the perspective These contributions redefine the purpose and central questions of social problems theory and articulate a research program for analyzing social problems as social constructions A generation of theorists has been trained in the constructionist perspective and has extended it through numerous analyses of diverse aspects of contemporary social life The debates in this volume pose fundamental questions about the major assumptions of the perspective the ways in which it is practiced and the purposes of social problems theory Their point of departure is Ibarra and Kitsuse s essay cutting new theoretical ground in calling for investigating vernacular resources especially rhetorical forms in the social problems process Contributors are forceful proponents both within and outside of the social constructionist community who take a broad array of positions on the current state of social problems theory and on the rhetorical forms that need exploring They also lay down the general lines for diverse and often competing programs for the future development of the constructionist agenda **Contemporary Issues in Social Marketing** Krzysztof Kubacki, Sharyn Rundle-Thiele, 2014-07-18

Having celebrated its 40th anniversary in 2011 social marketing is increasingly accepted today as an effective behavioural change tool that can be used to change

social behaviours such as encouraging people to recycle more make healthier eating choices increase the amount of sunscreen used and to use condoms to prevent disease transmission amongst many other desired social behaviours The growing popularity of using social marketing to change behaviour is reflected in increasing research interest and a growth in people practising in the social marketing field As social marketing matures into an academic discipline in its own right we are beginning to see diversity in the way it is understood and implemented by governments commercial organisations and third sector organisations in different parts of the world Contemporary Issues in Social Marketing is an outcome of the discussions held between social marketing academics and practitioners at the 2012 International Social Marketing Conference ISM 2012 which was held in June 2012 in Brisbane Australia ISM 2012 drew together 180 social marketing researchers and practitioners in the corporate and not for profit sector along with representatives of all levels of government to delve into the challenges currently faced in social marketing Contemporary Issues in Social Marketing is a scholarly resource bringing together current knowledge and contemporary debate in the field in addition to exploring areas that are currently underdeveloped in the literature This book covers arguments relating to numerous hot topics and controversial issues such as ethics in social marketing climate change energy consumption smoking healthy eating habits blood donation social marketing theory and the evaluation of social marketing interventions
