

The illustration depicts a top-down view of a group of people of various ethnicities and ages gathered around a large wooden table. They are engaged in a collaborative activity, with many hands reaching towards the center. On the table are various items including papers, a laptop, a smartphone, a camera, a small plant, and a green storage bin. A large, white, cloud-like shape in the center of the table contains the text 'SOCIAL WORK PROFESSION' in a bold, dark red, sans-serif font. The overall style is colorful and illustrative, emphasizing community and teamwork.

Social Policy and Social Change Jillian Jimenez, Eileen Mayers

Pasztor, Ruth M. Chambers, Cheryl Pearlman Fujii, 2014-02-26 The Second Edition of *Social Policy and Social Change* is a timely examination of the field, unique in its inclusion of both a historical analysis of problems and policy and an exploration of how capitalism and the market economy have contributed to them. The New Edition of this seminal text examines issues of discrimination, health care, housing, income, and child welfare and considers the policies that strive to improve them. With a focus on how domestic social policies can be transformed to promote social justice for all groups, Jimenez et al. consider the impact of globalization in the United States while addressing developing concerns now emerging in the global village.

Encyclopedia of Human Services and Diversity Linwood H. Cousins, 2014-09-05 *Encyclopedia of Human Services and Diversity* is the first encyclopedia to reflect the changes in the mission of human services professionals as they face today's increasingly diverse service population. Diversity encompasses a broad range of human differences including differences in ability and disability, age, education level, ethnicity, gender, geographic origin, religion, sexual orientation, socioeconomic class, and values. Understanding the needs and problems of Asian Americans, Hispanic Americans, the deaf, the blind, the LGBT community, and many other groups demands an up-to-date and cutting-edge reference. This three-volume encyclopedia provides human services students, professors, librarians, and practitioners the reference information they need to meet the needs of an increasingly diverse population. Features 600 signed entries organized A to Z across three volumes. Entries authored by key figures in the field conclude with cross references and further readings. A Reader's Guide groups related articles within broad thematic areas such as aging, community, mental health, family, and child services, substance abuse, etc. A detailed index, the Reader's Guide, and cross references combine for search and browse in the electronic version. A helpful Resource Guide guides students to classic books, journals, and web sites, and a glossary assists them with the terminology of the field. Available in both print and electronic formats, *Encyclopedia of Human Services and Diversity* is an ideal reference for students, practitioners, faculty, and librarians. **Integrative Practice in and for Larger Systems** Harold E.

Briggs, Verlea G. Briggs, Adam C. Briggs, 2019-07-02 Successful integrative practice begins at the nexus of intrapersonal and interpersonal levels of macro practice and requires a nuanced sensitivity to both. *Integrative Practice in and for Larger Systems* guides readers through the development of a cohesive practice model to transform the management of community agencies. Specifically, the new model emphasizes accountability and awareness to the covert aspects of organizational culture.

and politics that underwrite effective service delivery The book also addresses a broad scope of issues that require thoughtful consideration including policy evaluations interagency community based practice innovation implementation across larger systems direct service program management and program and organization development Written from the vantage point of administering and managing community agency based practice using evidence informed approaches the text is an essential resource for students seeking to learn both agency and interagency management practices

Fallen Women, Problem Girls Regina G. Kunzel, 1993-01-01 During the first half of the twentieth century out of wedlock pregnancy came to be seen as one of the most urgent and compelling problems of the day The effort to define its meaning fueled a struggle among three groups of women evangelical reformers who regarded unmarried mothers as fallen sisters to be saved a new generation of social workers who viewed them as problem girls to be treated and unmarried mothers themselves Drawing on previously unexamined case records from maternity homes Regina Kunzel explores how women negotiated the crisis of single pregnancy and analyzes the different ways they understood and represented unmarried motherhood Fallen Women Problem Girls is a social and cultural history of out of wedlock pregnancy in the United States from 1890 to 1945 Kunzel analyzes how evangelical women drew on a long tradition of female benevolence to create maternity homes that would redeem and reclaim unmarried mothers She shows how by the 1910s social workers struggling to achieve professional legitimacy tried to dissociate their own work from that earlier tradition replacing the reform rhetoric of sisterhood with the scientific language of professionalism By analyzing the important and unexplored transition from the conventions of nineteenth century reform to the professional imperatives of twentieth century social welfare Kunzel offers a new interpretation of gender and professionalization Kunzel places shifting constructions of out of wedlock pregnancy within a broad history of gender sexuality class and race and argues that the contests among evangelical women social workers and unmarried mothers distilled larger generational and cross class conflicts among women in the first half of the twentieth century
