Achieving Consilience Margherita Dore, 2016-04-26 At Master s level students in Translation Studies may choose to complete their course by compiling a dissertation by commentary Such projects involve detailed discussions of the strategies and procedures that students opt for when translating a source text of their choice be it literary audiovisual or technical However the vast majority of these dissertations by commentary usually remain stored in university libraries Achieving Consilience Translation Theories and Practice brings to the fore the theoretical and practical potential of these dissertations by commentary It demonstrates how theories in Translation Studies can be fruitfully consciously and systematically applied during the translation practice thus helping to transcend the received wisdom according to which theorists and practitioners share little common ground Additionally the contributors to this volume evince their ability to apply a research driven approach to their analysis by comparing their work with official translations or other field related texts As such this essay collection will contribute to a better understanding of the translator s decision making process and will offer future students valuable guidelines regarding the procedure normally followed in completing a dissertation by commentary **Social Policy and Aging** Carroll L. Estes, 2001-03-30 This groundbreaking book provides comprehensive treatment of the political economy of aging by a scholar widely credited as the founder and key thinker of this field in the US and internationally The body of work presented in this volume in developing this critical perspective aims to contribute to the understanding of old age and aging in the context of problems and issues of the larger social order in the world s most advanced capitalist nation the U S A Since Estes first writing on the political economy of aging in 1979 there has been growing recognition and incorporation of her critical perspective as one of the major paradigms in the field of aging **The Monied Metropolis** Sven Beckert, 2001-03-19 This book first published in 2001 is a comprehensive history of the most powerful group in the nineteenth century United States New York City s economic elite This small and diverse group of Americans accumulated unprecedented economic social and political power and decisively put their mark on the age Professor Beckert explores how

capital owning New Yorkers overcame their distinct antebellum identities to forge dense social networks create powerful social institutions and articulate an increasingly coherent view of the world and their place within it Actively engaging in a rapidly changing economic social and political environment these merchants industrialists bankers and professionals metamorphosed into a social class In the process these upper class New Yorkers put their stamp on the major political conflicts of the day ranging from the Civil War to municipal elections Employing the methods of social history The Monied Metropolis explores the big issues of nineteenth century social change *Spaces of Social Exclusion* Jamie Gough, Aram Eizenschitz, Andrew McCulloch, 2006 In all developed countries a minority of the population suffers from deprivation This book explores the forms of this contemporary economic and social disadvantage and in particular its social and spatial causes
