Social Science Reference Sources:

Social Science Reference Sources Tze-chung Li, 2000-04-30 Cultural Anthropology Business Economics Education Geography History Law Political Science Psychology Sociology Social Science Reference Sources Tze-chung Li, 1990 The second edition of this guide to basic reference sources in the social sciences contains nearly three times as many entries 2 200 as the earlier edition and also includes several other notable enhancements In addition to revising and substantially enlarging the chapters on reference sources Li has further increased the usefulness of this reference volume by adding a chapter on geography and one on business that is distinct from economics Since the publication of the first edition there have been two obvious developments in information storage and retrieval the rapid development of online databases and the development of CD ROM Instead of devoting a separate chapter to these developments the book incorporates online databases CD ROM and other forms of data sources into the text In addition there is a brief introduction to these developments Although the general deadline for inclusion in the volume was December 1988 quite a few titles published in 1989 are included *Information Sources in the Social Sciences* David Fisher, Sandra Price, Terry Hanstock, 2018-02-19 No detailed description available for Information Sources in the Social Sciences Social Science Reference Sources Tze-chung Li, 1980 Sociology Stephen H. Aby, 1997 Approximately 550 of the major reference sources in sociology its subdisciplines and some related disciplines are identified and described in this new edition of Aby's critically acclaimed book Emphasis is on works in English published in the last decade indexes bibliographies handbooks databases World Wide Web sites dictionaries and other print and electronic reference and information sources but some classic sources in other languages or that precede this period are included Virtually all sources in the book have been thoroughly examined and described by the compiler The addition of approximately 250 new titles and electronic sources as well as updates and the inclusion of new editions of previously cited titles makes this a substantial revision of and complement to the first edition A valuable resource for librarians faculty and undergraduate and graduate students this book will also be useful to researchers **Sociology** Stephen H. Aby, James Nalen, Lori Fielding, 2005-04-30 Now in its third edition this critically acclaimed work provides undergraduate and graduate students faculty and librarians with descriptions of approximately 610 major reference sources in sociology its subdisciplines and the related social sciences Emphasis in this edition is on works in English published in the United States Great Britain Canada and Australia from 1997 through early 2004 Coverage of earlier works is included if coverage is historically important or not historically bound The third edition has been reorganized for ease of searching and adds over 325 new titles and electronic sources as well as surveying new editions and updates of previously cited works making this a substantial revision and complement to the previous edition Social Science Reference Services Pam M. Baxter, 1995 This new book addresses reference services across the spectrum of the social sciences Chapters embrace a multidisciplinary approach to providing both materials and services to users and stress the variety of information formats available through a

bewildering array of delivery mechanisms from an astounding number of sources Among the topics address are challenges of the automated environment dissertation development improving the handing of business reference queries user education bibliographic instruction data files for social research strategies for locating information on environmental public policy reference literature on the European Community and using economic statistics from the federal government The Social Sciences Nancy L. Herron,2002-06-11 It s here the third edition of the highly acclaimed guide to the social sciences literature Updated and expanded this classic comprises more than 1 500 annotated citations offering librarians and researchers fast and easy access to some of the best and most commonly used resources in the social sciences arena The book also serves as a standard text in universities nationwide as it gives students a comprehensive overview of must know reference sources in both print and electronic format Prepared by leading subject specialist librarians and arranged by discipline the book s 12 chapters cover general social sciences political science economics business history law and justice anthropology sociology education psychology geography and communication All chapters have been revised the essays expanded and the annotated lists of resources have been rewritten to incorporate the latest research findings and developments National Information Resources for Social Sciences in India S. P. Agrawal,1992 *Statistical Sources for Social Research on Western Europe 1945-1995* Franz Rothenbacher,2013-11-11 The intention of this book is to give a picture of the complex material that has been published in the field of social and econornic statistics in Western Europe Although there are many guides bibliographies and reference books on special topics of this broad theme a general overview has been missing With this book I hope to fill this gap The frame of reference is a scientific one enabling and facilitating comparative social research on Western Europe In some respect this book enlarges and updates the bibliography written by Peter Flora Quantitative Historical Sociology pub lished in Current Sociology in 1975 In principle this guide is an annotated bibli ography of the most important printed material in the field of official statistics The legitimacy of such an approach lies in the fact that even today printed statistics are the most important form of dissemination of statistical results although microcom puters CD ROMs and the Internet have changed this situation In any case a spe cial section on statistical databases is included for every country describing the main databases of the statistical offices Furthermore the Internet address of each international or national statistical institute is provided in the introductory para graph This enables the reader to get fast access to online databases and supple mentary online information on statistics via the Internet *Reference Sources and Services* Mr. Rohit Manglik,2024-02-13 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels
