Socialistic Fallacies:

Socialistic Fallacies Yves Guyot, 2015-06-25 Excerpt from *Socialistic Fallacies* I take the word fallacy in the sense in which it is employed by Bentham By the name of fallacy it is common to designate any argument employed or topic suggested for the purpose or with a probability of producing the effect of deception of causing some erroneous opinion to be entertained by any person to whose mind such argument may have been presented In the following pages my object has been to reduce to their true value the socialistic fallacies with which a number of able but frequently unscrupulous men amuse the idle and attract the multitude They do not even possess the merit of having originated either their arguments or their systems They are plagiarists with some variations of all the communist romances inspired by Plato Their greatest pundits Marx and Engels have built up their theories upon a sentence of Saint Simon and three phrases of Ricardo About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Socialistic Fallacies* Yves Guyot, 1910 [One Hundred Best Anti-Socialist Books](#) John Basil Barnhill, 1917

Congress, 1961 **The Encyclopedia Americana** , 1927 **The Naked Socialist** Paul B. Skousen, 2014-05-26 The Naked Socialist is the real story of socialism Complete easy to read no jargon well documented and gives a fascinating look at the raw decay of culture and economy now at work in America It also provides a beautifully described explanation of the lasting principles of prosperity and constitutional freedoms that must be restored relatively quickly The Naked Socialist strips away the fakery the false hopes the hollow dreams and the meaningless promises that socialists have foisted on countless millions not just for the present but over thousands of years With clear brief and step by step examples and anecdotes the author explains what socialism is where it came from how it works how to recognize it and why it always destroys its host nation You will learn that the Seven Pillars of Socialism are not at all new but a phenomenon that first appeared more than 6 000 years ago and why socialism managed to mushroom in nations and cultures right up into today s current events The Naked Socialist is divided into five parts 1 Gaining an understanding of what socialism is 2 How it has appeared in human history 3 The miracle that stopped socialism 4 The corruption of that miracle and 5 The steps to return that miracle to America and the rest of the world today Included throughout the book are

several questions to teach test and emphasize important points so that students of freedom may see where this nation needs to move to regain its lost liberties The Naked Socialist fulfills an urgent need to answer such questions as How much of the U S Constitution has been replaced with socialism What is socialism and why does it eventually ruin everything it touches How did the Founding Fathers specifically make socialism illegal How did socialism destroy Rome the ancient Inca Jamestown and Plymouth Are these same patterns of demise at work today Which U S presidents socialized America and what steps did they take to do it Are these reversible How is socialism hurting other nations around the globe What are the best examples of socialism in action today What are the Seven Pillars of Socialism How can people learn to recognize socialism in their midst or learn if they re thinking like a socialist What are the 46 goals of socialism What will it take to eradicate socialism once and for all The study of freedom breathes hope and encouragement into all things it sheds light into the dark corners of deception and conspiracy showing that truth is the only authentic transparency Once socialism is stripped naked those badly needed answers to restore freedom will materialize for everyone s benefit Find those answers plus hope and courage in the pages of The Naked Socialist Reviews The Naked Socialist is going to be explosive When people know what Paul Skousen is talking about and really get to the heart of socialism The Naked Socialist is going to go VIRAL George Jarkey Host of the nationally syndicated The George Jarkey Radio Show The Naked Socialist is an amazing book that provides clarity to what is going on in the socialist world and why Americans do not seem to get socialism Howard Stephenson Utah State Senator President of the Utah Taxpayers Association and Host of Red Meat Radio The Naked Socialist is one of those books that is both an interesting read as well as a useful reference book Paul Skousen s research is insightful and thorough spanning many civilizations and continents He not only strips socialism of its clothing he also provides us with great ideas for fighting this scourge This is a MUST READ for anyone who wants to know how our country arrived where it is today Stefan Bartelski Radio Host of the Patriot Come Lately Show The Naked Socialist connects the ancient order of oppression with the modern order of oppression The Naked Socialist is a fabulous book and we need to get everyone to read it NOW Morgan Philpot Host of Philpot Radio and former member of the Utah House of Representatives As a retired University Professor I have spent many hours over the years doing research The Naked Socialist will be a gold mine for anyone presently researching the Socialist inroads in America It is the most complete and heavily documented work I have ever read yet can be read straight though as an intriguing historical novel James C Bowers Sc D Author of The Naked Truth The Naked Communist Revisited

One of the significant advantages of Socialistic Fallacies books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes.
