students seeking current research on online educators incorporating care and culturally responsive pedagogy **The Emotionally Intelligent Online Tutor** Andrew Youde, 2020-03-20 The Emotionally Intelligent Online Tutor foregrounds the tutor within online and blended learning environments and focusses on desirable skills qualities and attributes for effective tutoring It analyses these qualities in relation to prominent psychological constructs such as emotional intelligence and the exploration of their value in practice This book is focussed on the tutoring of adult learners undertaking study within higher education commonly on a part time basis whilst studying vocationally relevant degree programmes However the contents are applicable and generalisable to those tutoring within informal environments such as Massive Open Online Courses Prominent social constructivist models of e learning are critiqued with alternative actions provided for tutors now practicing in a digital age The book provides a conceptual model that represents an interpretation of effective practice in a blended learning context This book will be of great interest for academics scholars and postgraduate students in the field of education and for e tutors delivering online and blended courses Furthermore it will be useful for those undertaking teacher training psychology and counselling courses **How Social Science Got Better** Matt Grossmann, 2021 In How Social Science Got Better Matt Grossmann provides a robust defense of the current state of the social sciences He focuses in particular on the salutary innovations in research methods and the broadening of subject matter that academics deem worthy of inquiry He offers a wide ranging account of current research trends that will necessarily force the academy s many critics to rethink their lazy critiques and instead acknowledge the path breaking advances in knowledge occurring in the social sciences today

Sociology James M. Henslin, Keith Christopher Hampson, 2004 Readings in Social Research Methods Diane Kholos Wysocki, 2004 This reader is designed to accompany any main text in research methods or as a stand alone reader It has been closely patterned on the range of topics covered in Earl Babbie s best selling texts THE PRACTICE OF SOCIAL RESEARCH Tenth Edition and BASICS OF SOCIAL RESEARCH Second Edition The reader focuses on the core methodologies of the social research methods course and provides illustrations of those methods The articles describe real world applications and research and show students how research is conducted and reported **Religion in Sociological Perspective** Keith A. Roberts, David Yamane, 2011-06-09 Religion in Sociological Perspective is an introduction to the sociology of religion core text designed to present and illustrate the basic theories sociologists use to understand the social dimensions of religion First and foremost the authors seek to help students understand the perspective from which sociologists view religion By the time students have finished this book they should understand the central theories and methods of research in the sociology of religion and they should have an idea of how to apply these analytical tools to new groups they encounter The goal of this text is to be illustrative rather than all encompassing The Fifth Edition continues to draw on a wide range of perspectives The text aims to help students recognize the contributions of various theoretical perspectives and the blind spots of each theory Conflict functional social constructionist and rational choice paradigms are used throughout the text Various middle range

theories are also utilized to explore specific processes Despite the effort to introduce many perspectives however we have made an effort to enhance integration of the text by using one framework throughout the book the open systems model

Postsecondary Sourcebook for Community Colleges, Technical, Trade, and Business Schools Midwest/West Edition, 2010-12 **Handbook of Research on Managing and Designing Online Courses in Synchronous and Asynchronous Environments** Durak, Gürhan, Çankaya, Serkan, 2021-12-17 In order to be successful online learning should be planned systematically It can be said that offering distance education courses without preparation and knowledge about the theoretical background can cause drawbacks While distance education has become widespread and popular it is observed that there could be problems in its application Such problems can include technical problems inability to meet the learning needs at the learners own speeds lack of communication among learners and between learners and teachers and lack of quality materials appropriate for online learning or the inclusion of materials used in traditional methods directly into online learning For successful online courses these critical aspects of distance education are important and they should be taken into account by the institutions and the instructors offering online courses The Handbook of Research on Managing and Designing Online Courses in Synchronous and Asynchronous Environments provides up to date knowledge and experiences regarding technologies processes and environments for online course design in distance education systems and covers topics related to the aspects of successful distance education systems with a focus on teaching and learning in online environments Focusing on topics such as instructional design and integrated systems it is an ideal guide for online course designers instructional designers curricula developers administrators educators researchers trainers and students **Social Problems** Joel M. Charon, Lee Garth Vigilant, 2005-05 A unique and groundbreaking collection of 54 articles organized in 11 thematic sections SOCIAL PROBLEMS READINGS WITH FOUR QUESTIONS 2e takes a structural conflict approach yet lets the voices of those impacted by social problems be heard The articles are a mix of classic and contemporary readings covering a wide range of issues in the United States and the world The introductory article written by Joel Charon focuses on four questions that students are urged to apply throughout the reader What is the problem What makes the problem a social problem What causes the problem What can be done This four questions approach gives students a consistent sociological framework within which to analyze social problems The articles have been painstakingly selected to hold student interest highlight contemporary social problems and help professors show students how to think sociologically about the social problems around us **Reel Society Interactive Movie CD-ROM Version 2.0** WILL Interactive, 2005-01-05 This unique interactive movie on two CD ROMs demonstrates the sociological imagination using actors and scenarios involving campus life Taking on the role of one of the characters each viewer takes part in key plot turns by making choices for the character Through it all a wide variety of issues and perspectives are addressed reinforcing major sociological concepts and theories relating them to students lives and sparking debate One college town many kinds of people imagine yourself as a student at

Pineville University What social forces affect the choices you make in life Reel Society is the interactive movie that gives you the chance to find out Society isn't just one person's story So take a different perspective Think differently Live your life as someone different Should you stay home and hit the books Or spend the evening relaxing with friends What's more important your education or your family You decide Experience how cultural differences stratification political systems norms religion and the media affect your life Spark your sociological imagination Learn differently Reel Society 2.0 is the learning tool for bridging the classroom and real life In addition to the interactive movie explanatory text and a glossary this enhanced two CD set includes quizzes and discussion questions to test your knowledge of sociology Plus there are links to the McGraw Hill sociology websites A perfect complement to any introductory sociology textbook Reel Society 2.0 is available in discounted packages with selected McGraw Hill texts

Understanding Dying, Death, and Bereavement Michael R. Leming, George E. Dickinson, 2007 Using a social psychological approach this edition remains solidly grounded in theory and research but places greater emphasis on the individual and coping with death and dying These two well known authors and researchers integrate stimulating personal accounts throughout the text and apply concepts to specific examples that deal with cross cultural perspectives and the practical matters of death and dying

Marriages and Families Karen Seccombe, Rebecca L. Warner, 2004 In this fresh more structural alternative to other texts for the marriage and family course Seccombe and Warner provide a comprehensive look at close relationships and the family in just 15 chapters Examining close relationships and families by placing them in social context the authors offer a unique emphasis on the structural and relational aspects of the family with a focus on family resilience The text weaves together a macro view social structural analysis of close relationships with the macro an individualist view The authors demonstrate the interaction of theory and methodology in family studies in Chapter 2 and blend cutting edge research and practical applications throughout Among the highlights of this first edition are the exceptionally thorough exploration of the topics of singlehood and cohabitation in Chapter 7 and the unique six chapter core 8-13 that focuses on all aspects of parenthood and the challenges and crises that families face today The authors emphasis on family resilience and how families can be strengthened is reflected in the Constructing Strong Families boxes that appear throughout the text These features encourage students to apply groundbreaking research on what makes a family strong to their own families and in the concluding chapter Looking Ahead Helping Families Flourish which examines the factors that successful families regardless of ethnicity culture or social class consistently exhibit
