The Story of Damon and Pythias Albert Payson Terhune, 1915 Damon and Pythias both of whom are arrested by the tyrannical Dionysius Condemned to death Pythias asks only that he be allowed to head to his home country and say goodbye to his loved ones Dionysius agrees but only on condition that Damon remain behind as hostage to be executed in Pythias place should the latter not return Circumstances of an incredible nature prevent Pythias from returning at the appointed time and tension mounts as the loyal Damon mounts the scaffold in anticipation of death Just in the nick of time however Pythias returns whereupon Dionysius profoundly moved by the friends devotion to one another releases them both The Story of Damon and Pythias. Andrew Marvell, Sexual Orientation, and Seventeenth-Century Poetry George Klawitter, 2017-09-01 Andrew Marvell Sexual Orientation and Seventeenth Century Poetry examines the important Interregnum Restoration poet Andrew Marvell against a background of his contemporary lyric poets His major works from the early elegies to the later political pieces are discussed with a view to unmasking the poet's own sexuality and his reflection of prevailing sexual attitudes Popular poems like the Mower poems and The Nymph Complaining for the Death of her Fawn are explicated in depth as well as lesser known poems like The Unfortunate Lover and The Gallery Marvell often described as a chameleon has teased readers for hundreds of years This new book will help both new readers as well as established Marvellians to understand cryptic sexual meanings and references in the verses Poems are explicated against current heteronormative theory as well as recent work on homoeroticism autoeroticism and celibacy George Klawitter has devoted much of his recent scholarly life to a study of Marvell's lyric pieces and brings to this new book fresh insights into the suggestive intent of the poet's works

The Hermaphroditic Contortionist D. L. Mangles, 2017-04-03 The genre of this literary work may be too easily described as an adventure novel but it would be more accurate to categorize it as a philosophical adventure The main character is seeking redemption for a past mistake and also trying to find a lost premise that was omitted from our Constitution Not only do I challenge the prevailing jurisprudence of victimless crimes but I also redefine the role of our government as I believe our founding fathers thought it should be For

those who wish an end to our Leviathan bureaucracy an end to political action groups or lobbyists and an end to the search for a just tax this is the book for you to read The main character has been called upon to repay an old debt of honor While he readily acquiesces repaying this marker plunges him into his friends world of smuggling marijuana *The Story of the Greeks* Helene A. Guerber,2024-07-16 This elementary history of Greece is intended for supplementary reading or as a first history textbook for young pupils It is therefore made up principally of stories about persons for while history proper is largely beyond the comprehension of children they are able at an early age to understand and enjoy anecdotes of people especially of those in the childhood of civilization At the same time these stories will give a clear idea of the most important events that have taken place in the ancient world and it is hoped will arouse a desire to read further They also aim to enforce the lessons of perseverance courage patriotism and virtue that are taught by the noble lives described A knowledge of ancient history however superficial is of very great value and the classic legends are almost equally worth knowing because of the prominent part they play in the world s literature These tales make a deep impression on the minds of children and the history thus learned almost in play will cling to the memory far more tenaciously than any lessons subsequently conned
