Story Of Sapho:

The Story of Sapho Madeleine de Scudery, 2007-11-01 Ridiculed for her Saturday salon her long romance novels and her protofeminist ideas Madeleine de Scudery 1607-1701 has not been treated kindly by the literary establishment Yet her multivolume novels were popular bestsellers in her time translated almost immediately into English German Italian Spanish and even Arabic The Story of Sapho makes available for the first time in modern English a self-contained section from Scudery's novel Artamène ou le Grand Cyrus best known today as the favored reading material of the would-be salonnières that Molière satirized in Les précieuses ridicules The Story tells of Sapho a woman writer modeled on the Greek Sappho who deems marriage slavery Interspersed in the love story of Sapho and Phaon are a series of conversations like those that took place in Scudery's own salon in which Sapho and her circle discuss the nature of love the education of women writing and right conduct This edition also includes a translation of an oration or harangue of Scudery's in which Sapho extols the talents and abilities of women in order to persuade them to write **Fictions of Sappho, 1546-1937** Joan DeJean, 1989-10-18

Considering Sappho as a creature of translation and interpretation a figment whose features have changed with social mores and aesthetics Joan DeJean constructs a fascinating history of the sexual politics of literary reception The association of Sappho with female homosexuality has made her a particularly compelling and yet problematic subject of literary speculation and in the responses of different cultures to the challenge the poet presents DeJean finds evidence of the standards imposed on female sexuality through the ages She focuses largely though not exclusively on the French tradition where the Sapphic presence is especially pervasive Tracing recreations of Sappho through translation and fiction from the mid sixteenth century to the period just prior to World War II DeJean shows how these renderings reflect the fantasies and anxieties of each writer as well as the mentality of his or her day The Triumph of Pleasure Georgia Cowart, 2008-12-15 With a particular focus on the court ballet comedy ballet opera and opera ballet Georgia J Cowart tells the long neglected story of how the festive arts deployed an intricate network of subversive satire to undermine the rhetoric of sovereign authority

Sappho Sappho, Henry Thornton Wharton, 1895 **The Cambridge Companion to Sappho** P. J. Finglass, Adrian Kelly, 2021-04-29 A detailed up-to-date survey of the most important woman writer from Greco-Roman antiquity Examines the nature and context of her poetic achievement the transmission loss and rediscovery of her poetry and the reception of that poetry in cultures far removed from ancient Greece including Latin America India China and Japan Sappho: Memoir, text, selected renderings, and a literal translation Henry Thornton Wharton, 2022-05-28 In Sappho Memoir text selected renderings and a literal translation Henry Thornton Wharton offers a compelling exploration of the poetic legacy of Sappho one of the most enigmatic figures of ancient literature Wharton's work deftly intertwines a biographical memoir with a critical analysis of Sappho's fragments presenting not only the most authentic texts available but also a literal translation that captures the lyrical essence of her verse The book showcases Wharton's scholarly rigor and elegant prose situating

Sappho's work within the broader framework of Hellenistic poetry while also engaging readers in a dialogue about themes of love identity and the female voice in antiquity Henry Thornton Wharton was an acclaimed scholar of ancient literature known for his deep interest in classical texts and their translations His academic background is reflected in this work he blends meticulous research with an accessible narrative style making Sappho's poetry resonate with contemporary audiences Wharton's passion for bringing ancient works to modern light is deeply rooted in his belief in the timelessness of their emotional depth and universality which draws readers into Sappho's lyrical world This book is a must read for both scholars of classical literature and poetry enthusiasts alike Wharton's insightful approach not only honors Sappho's contributions but invites readers to engage intimately with her enduring messages Whether you are familiar with her work or new to her poetry Wharton's judicious selections and translations provide an invaluable resource that will enhance your understanding of one of history's greatest poets

Shakespeare and His Fellow Dramatists: Campaspe-Volpone.-v.2. Yorkshire tragedy-Jovial crew Ernest Henry Clark Oliphant, 1929 *Shakespeare and His Fellow Dramatists* Ernest Henry Clark Oliphant, 1929 *Men and Women Making Friends in Early Modern France* Lewis C. Seifert, Rebecca M. Wilkin, 2016-03-03

Today the friendships that grab people's imaginations are those that reach across inequalities of class and race The friendships that seem to have exerted an analogous level of fascination in early modern France were those that defied the assumption inherited from Aristotle and patristic sources that friendships between men and women were impossible Together the essays in *Men and Women Making Friends in Early Modern France* tell the story of the declining intelligibility of classical models of male friendship and of the rising prominence of women as potential friends The revival of Plato's friendship texts in the sixteenth century challenged Aristotle's rigid ideal of perfect friendship between men In the seventeenth century a new imperative of heterosociality opened a space for the cultivation of cross gender friendships while the spiritual friendships of the Catholic Reformation modeled relationships that transcended the gendered dynamics of galanterie *Men and Women Making Friends in Early Modern France* argues that the imaginative experimentation in friendships between men and women was a distinctive feature of early modern French culture The ten essays in this volume address friend making as a process that is creative of self and responsive to changing social and political circumstances Contributors reveal how men and women fashioned gendered selves and also circumvented gender norms through concrete friendship practices By showing that the benefits and the risks of friendship are magnified when gender roles and relations are unsettled the essays in this volume highlight the relevance of early modern friend making to friendship in the contemporary world *The Songs of Sappho* Sappho, Marion Mills Miller, 1925 **Ovid in French** Helena Taylor, Fiona Cox, 2023 This collection of essays examines the ways Ovid's diverse oeuvre has been translated rewritten adapted and responded to by a range of French and Francophone women from the Renaissance to the present It aims to reveal lesser known voices in Ovidian reception studies and to offer a wider historical perspective on the complex question of Ovid and

gender Ranging from Renaissance poetry to contemporary creative criticism it charts an understudied strand of reception studies emphasizing how a longer view allows us to explore and challenge the notion of a female tradition of Ovidian reception The range of genres analysed here poetry verse and prose translation theatre epistolary fiction autofiction autobiography film creative critique and novels also reflect the diversity of the Ovidian texts in reception from the *Heroides* to the *Metamorphoses* from the *Amores* to the *Ars Amatoria* from the *Tristia* to the *Fasti* The study brings an array of critical approaches to bear on well known authors such as George Sand Julia Kristeva and Marguerite Yourcenar as well as less known figures from contemporary writer Linda L to the early modern Catherine and Madeline Des Roches exploring exile identity queerness displacement voice expectations of modesty the poetics of translation and the problems posed by Ovid's eroticized violence to name just some of the volume's rich themes The epilogue by translator and novelist Marie Cosnay points towards new eco critical and creative directions in Ovidian scholarship and reception Students and scholars of French Studies Classics Comparative Literature and Translation Studies will find much to interest them in this diverse collection of essays

Shakspeare's Five-act Structure Thomas Whitfield Baldwin,1947 **Music News** ,1916 The Female Sublime from Milton to Swinburne Catherine Maxwell,2001 This innovative study of vision gender and poetry traces Milton's mark on Shelley Tennyson Browning and Swinburne to show how the lyric male poet achieves vision at the cost of symbolic blindness and feminisation Drawing together a wide range of concerns including the use of myth the gender of the sublime the lyric fragment and the relation of pain to creativity this book is a major re evaluation of the male poet and the making of the English poetic tradition The female sublime from Milton to Swinburne examines the feminisation of the post Miltonic male poet not through cultural history but through a series of mythic or classical figures which include Philomela Orpheus and Sappho It recovers a disfiguring sublime imagined as an aggressive female force which feminises the male poet in an act that simultaneously deprives and energises him This book will be required reading for anyone with a serious interest in the English poetic tradition and Victorian poetry
