Llewellyn,Nicholas Ng-A-Fook,2019-09-12 This book addresses oral history as a form of education for redress and reconciliation It provides scholarship that troubles both the possibilities and limitations of oral history in relation to the pedagogical and curricular redress of historical harms Contributing authors compel the reader to question what oral history calls them to do as citizens activists teachers or historians in moving towards just relations Highlighting the link between justice and public education through oral history chapters explore how oral histories question pedagogical and curricular

harms and how they shed light on what is excluded or made invisible in public education The authors speak to oral history as a hopeful and important pedagogy for addressing difficult knowledge exploring significant questions such as how do community based oral history projects affect historical memory of the public What do we learn from oral history in government systems of justice versus in the political struggles of non governmental organizations What is the burden of collective remembering and how does oral history implicate people in the past How are oral histories about difficult knowledge represented in curriculum from digital storytelling and literature to environmental and treaty education This book presents oral history as a form of education that can facilitate redress and reconciliation in the face of challenges and bring about an awareness of historical knowledge to support action that addresses legacies of harm Furthering the field on oral history and education this work will appeal to academics researchers and postgraduate students in the fields of social justice education oral history Indigenous education curriculum studies history of education and social studies education **Peel's**

Weekly, 1911 **The Canadian Short Story** Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume

provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story
