

Trees and Leaves

In the forest,
there are many kinds of trees.

Big trees, small trees,
Thin trees, fat trees,
Many, many trees.

In the forest,
there are many kinds of leaves.

Red leaves, yellow leaves,
Green leaves, orange leaves,
Many, many leaves.

Story Of Trees:

The Story of Trees David West, Kevin Hobbs, 2020-02-17 Wonderful stories and in depth information you will normally never find in books about trees Piet Oudolf Landscape Designer and creator of the planting design for New York's High Line Entwining fascinating facts about 100 trees with inspiring stories of their importance to ancient civilizations trade religious and pagan beliefs wellbeing and medicinal uses over the ages this delightful and well researched book provokes curiosity on every page Dr Alexandra Wagstaffe Eden Project Learning The Story of Trees takes the reader on a visual journey from some of the earliest known tree species on our planet to the latest fruit cultivars The chosen trees have all had a profound effect on the planet and humankind Starting with the Ginkgo biloba fossils of which date back 270 million years we learn about how trees came to be integral to the development of our species and how specific trees have become important religious political and cultural symbols With beautiful illustrations by Thibaud Herem and fascinating botanical facts and figures this book will appeal to tree lovers from all over the world Within these pages we hope to inform and inspire those who already have a love of trees as well as those who otherwise may have taken them for granted The Story of Trees is our story but also that of our ancestors It is about our relationship with some of the world's most important trees both on a local scale and globally With so many trees to choose from we have endeavored to feature those that have been and in most cases continue to be of cultural and practical value to humankind From the Introduction of The Story of Trees

The Three Talking Trees Francis Timoney, 1974-01-01 A cedar tree prays to God to be a pulpit but his prayers are answered in another way

Thanks to Trees Irma E. Webber, 1952 Simple text about trees how they grow and how they are used

World Tree Story Julian Hight, 2015-10 Trees have always inspired awe and wonder and many of the ancient trees featured have been standing for a thousand years or more This book is a fascinating and beautifully illustrated celebration of the world's ancient trees and the intriguing legends and stories that surround them offering a glimpse into the cultures that have revered them living links to their ancestors and colourful histories

[One Million Trees](#) Kristen Balouch, 2022-03-01 The real life story of a family who planted 1 000 000 trees yes it's true to fight deforestation in British Columbia When Kristen Balouch was 10 years old her parents made a surprising announcement their whole family was going on a trip to plant trees Kristen her sisters and her mom and dad and their pet Wonder Dog flew from their California home to a logging site in British Columbia There they joined a crew working to replant the trees that had been cut down In One Million Trees Kristen reflects on the forty days they spent living in a tent covered in mud and bug bites working hard every day to plant a new forest Young readers will learn a little French practice some math skills and learn all about how to plant a tree the right way The kid friendly engaging text is paired with bold illustrations full of fun details and bright colors The story ends with a modern day look at what Kristen's family helped accomplish a stand of huge trees growing on what used to be an empty muddy patch of bare stumps An author's note shares more information on deforestation sustainable logging practices and the irreplaceable environmental benefit of

old growth forests Plus the amazing things even a small group of people can do when they work together A fun story with an important environmental message One Million Trees is bound to inspire kids to get their hands dirty to make our planet healthy A Junior Library Guild Gold Standard Selection *Tree* Danny Parker,2024 *The Story Tree* Hugh Lupton,2019-09-01 This easy to follow anthology includes both famous and lesser known folk tales from Germany Norway Russia and beyond Each of the 7 stories imparts an important lesson using quirky illustrations humorous text and lovable characters to keep listeners engaged *The Story of Trees* Dorothy Elizabeth Holmes Allen,1974-01-01 Descriptions of various kinds of American trees and their uses **Story tree - Tales that tell a lot** ,2021-03-06 The story tree is a book by a five year old The stories in this book are all about the insight of a child and how he sees the world around him Kids would surely love to hear from the same age Author *Tree Story* Jere Silber,2008-08-03 How Can You Stick Together When You re about to Be Separated Forever Tree Story offers key lessons on life love and change when a family of trees is harvested taken to a lumber mill and made into new products The acclaimed children s book Tree Story by Jere Silber is a labor of love and a reflection of timeless wisdom for children of all ages This touching story of change and perspective follows two families of trees the Sycamores and the Birches and the forest they live in **The Sleeping Story Tree** M.J. Morgans,2019-05-01 This book offers parents guardians and their children precious time to just sit together and talk at the end of a busy day Through the time honoured tradition of story telling parents can use powerful questioning to unpick some of life s biggest questions around what motivates their children and what holds them back from achieving their true potential Using gentle themes around nature and human emotions the stories and accompanying questions help parents guardians gain a true insight into the thoughts and feelings children are experiencing By empowering parents guardians in this way the skills of active listening are unlocked so that they can join their children on the journey towards self awareness **A Forest of Stories** ,2003 Trees of all kinds grace our world and there are so many things they can be Trees are homes for insects birds and animals shady refuges from the summer sun leafy hiding places Their fruit feeds us their leaves and branches sing to us their wood warms and houses us And of course we depend on trees for our very lives for what they breathe out we breathe in So the presence of trees is essential to our existence But have you ever considered a tree to be a lifelong friend Or wondered if trees could think remember or even speak if you listened hard enough At a time when we are cutting down more and more forests for our own commercial gain it is vital for us to question our assumptions about trees and remember that they are our fellow beings For this reason storyteller Rina Singh has created a unique collection of folktales which asks us to rethink our relationship with trees and challenges us to look at them in new ways From the story of the palm tree that dances in a Nigerian marketplace to the fig tree that can cure blindness these powerful stories help us to acknowledge our close connection with trees encouraging us to develop a healthier more conservationist approach to the natural world Illustrated in radiant hues by artist Helen Cann and including notes about the characteristics of each species this vibrant collection will
