Story Of World Rowing:

The Story of World Rowing Christopher Dodd, 1992 In this panoramic book the author traces the evolution of rowing from the Vikings and Venetians to the modern era of top flight coaching and international competition Rowing has come a long way since 168 oarsman hauled the Doge of Venice along in his golden barge or since Cambridge crews floated about in the days of British amateurism This century has seen rowing as a sport transformed by the impact of scientific methods and great coaches and by the crushing dominance of the East Germans Competitive and amateur rowing has many of its origins in Britain and the author examines the development of some of the great events such as Henley Royal Regatta the Olympic Games and the European and World Championships The author is the Rowing and Deputy Features Editor of The Guardian newspaper

Greatest Rowing Stories Ever Told Göran R. Buckhorn, 2023-10-01 The Greatest Rowing Stories Ever Told collects articles and excerpts of classic rowing stories from the inception of the sport on English waters in the eighteenth century through the scandalous era of professionalism and gambling of the nineteenth century to the popular amateur sport of today The contributors include prominent oarsmen and women historians of the sport and even poets and songwriters Recall here the great rivalries the pageantry of the regattas the poetic solitude of the single sculler and many other aspects of a sport entering its third century

Women in Sports History Carol Osborne, Fiona Skillen, 2014-06-03 Women are and have been for many years actively involved as players supporters and co ordinators in a range of sports and yet they are often missing from or sidelined in accounts of the history of these sports Commenting first on the lack of inclusion of women in British sports history the book goes on to examine aspects of women s participation between the late nineteenth century and the mid twentieth century more broadly It draws together some of the latest research undertaken by international scholars working in the field and includes case studies about golf bridge rowing figure skating and athletics Between them the chapters demonstrate that women enjoyed mixed fortunes in sport They positively highlight the scope of participation as well as the complex interactions and responses that participation generated on account of life stage social class ethnicity and national identity across time and place The incorporated methodological and theoretical approaches invite readers to reconsider existing sport historiography and point to new directions for future research This book was first published as a special issue of Sport in History

Can We Have Our Balls Back, Please? Julian Norridge, 2008-11-06 Long before Drake refused to interrupt his game of bowls when the Armada was sighted the British have had a passionate relationship with sport Julian Norridge goes through the stories of fourteen major sports from cricket to boxing to football from their very beginning and throughout the British Isles whether it s Welsh inventor and tobacco enthusiast Major Walter Clopton Wingfield coming up with a game that could use those new fangled rubber balls modern tennis or the Scots inventing the golf club 500 years after the game But this is far more than a book about sport it takes a very funny very British look at our popular history mythology and most importantly the highly eccentric figures that made it It chronicles the constant battle between fair play and gambling between advances in the game and plain cheating such as turning up with a cricket bat wider than the wicket Can We Have Our Balls Back Please proves that there is an awful lot to be proud of in our history and where that strange feeling of superiority really comes from It shows why we get just so excited when we take on any other nation in any sporting event and are so disappointed when we lose

A Cultural History of Sport in the Age of Enlightenment Rebekka von Mallinckrodt, 2022-08-31 A Cultural History of Sport in the Age of Enlightenment covers the period 1650 to 1800 a period often seen as a time of decline in sporting practice and literature In fact a rich sporting culture existed and sports were practised by both men and women at all levels of society The Enlightenment called into question many of the earlier notions of religion gender and rank which had previously shaped sporting activities and also initiated the commercialization professionalization and associativity which were to define modern sport The 6 volume set of the Cultural History of Sport presents the first comprehensive history from classical antiquity to today covering all forms and aspects of sport and its ever changing social cultural political and economic context and impact The themes covered in each volume are the purpose of sport sporting time and sporting space products training and technology rules and order conflict and accommodation inclusion exclusion and segregation minds bodies and identities representation Rebekka von Mallinckrodt is Professor at the
