**Fate of King Saul** David M. Gunn,1980-05-01 David M Gunn wrote *The Fate of King Saul* to inspire a renewed interest in the study of the Old Testament as well as the study of Saul He explores the study of Saul and researches the narrative aspect of the books of Samuel Additionally he also researches the narrative that is a part of the Old Testament since the content can be complicated and difficult to understand *The Story of King Saul and King David* Lore Segal,1991 The Bible story is illustrated with 40 reproductions from the Pamplona Bibles two thirteenth century illuminated manuscripts

**The Fate of King Saul** David M. Gunn,1980-01-01 **David, Saul, and God** Paul Borgman,2008-04-16 The biblical story of King David and his conflict with King Saul 1 and 2 Samuel is one of the most colourful and perennially popular in the Hebrew Bible Paul Borgman focuses on one of the key features of ancient Hebrew narrative poetics repeated patterns taking special note of even the small variations each time a pattern recurs

**David** Maud Petersham,Miska Petersham,1938 The story of King David who rose from a humble shepherd boy to become the favorite of King Saul David succeeded Saul to become one of the great kings of Israel a mighty warrior and spiritual leader of his people *Give Us a King!* ,1999 Everett Fox s translation of the biblical books from Genesis through Deuteronomy has been widely acclaimed as a scholarly religious and literary masterpiece Praising its unique and authoritative approach the New York Times Book Review said It makes it possible for us to take up the Scripture as if we had never seen it before In *Give Us a King* Fox turns to the two books of Samuel which contain some of the Bible s most famous stories and most unforgettable personalities the barren Hannah who will be mother to the prophet Samuel the tragic King Saul Bathsheba the object of King David s illicit desire and the future mother of King Solomon and King David himself the romantic hero who becomes a legendary but morally compromised monarch Accompanied by illuminating commentary and notes Fox s masterful translation re creates the echoes allusions alliterations and wordplays of the Hebrew original so that the reader is finally able to experience in English the full power of the ancient saga of the original once and future king

*The Biblical Saga of King David* John Van Seters,2009-06-30 The biblical story of King David has been interpreted in many different ways arising from the variety of methods used in and the intended objectives of the studies Does the narrative contain insight into and information about the early history of the Judean monarchy or is it merely a legendary tale about a distant past Can we identify the story s literary genre its sociohistorical setting and the intention of its author s Is an appreciation for the wonderful literary qualities of the story compatible with a literary critical investigation of the narrative s compositional and text critical history Van Seters reviews past scholarship on the David story and in the course of doing so unravels the history of these questions and then presents an extended appraisal of the debate about the social and historical context of the biblical story From this critical foundation Van Seters proceeds to offering a detailed literary analysis of the story of David from his rise to power under Saul to his ultimate succession by Solomon

**David, Saul, and God** Paul Borgman,2008-04-16 The biblical story of King David and his conflict

with King Saul 1 and 2 Samuel is one of the most colorful and perennially popular in the Hebrew Bible In recent years this story has attracted a great deal of scholarly attention much of it devoted to showing that David was a far less heroic character than appears on the surface Indeed more than one has painted David as a despicable tyrant Paul Borgman provides a counter reading to these studies through an attentive reading of the narrative patterns of the text

**The Making of a King** Joe Becerra, Ava Becerra, 2013-08-12 Jonathan King Sauls oldest son overheard the argument between his father and Samuel the Prophet The argument was fierce and tense He had never seen Samuel so distraught Samuel had just finished telling his father that he was no longer to be king of the country when Jonathan reached them It must be a mistake Jonathan thought Samuel turned from Saul and ordered the two soldiers Bring King Agag before me In minutes King Agag stood before them with a confidence that he would soon be free He had been the only one spared from the attack of the city Without hesitation Samuel turned and pulled the sword from King Sauls sheath and began to slay King Agag After Samuel was through he returned the sword to Saul and stared intensely into Sauls face and said It is done as God has commanded The flesh of King Agag laid waste on the ground The prophet began his journey back to his home and began to pray as he walked down the hill His mind was racing with questions and concerns Who would be the next king of Israel Would he be able to lead the country Israel was in a war with the Philistines the Moabites and other countries Losing a king at this time could destroy their country He loved King Saul It was unfortunate that King Saul went his own path rather than the path that was chosen for him Regardless a new leader was needed Let Gods will be done He headed for his home and began to prepare himself for the selection of a new king

*The Story Within a Story in Biblical Hebrew Narrative* David A. Bosworth, 2023-09-28 This book is a revision of a dissertation that studies three texts Genesis 38 1 Samuel 25 and 1 Kings 13 11 32 Kings 12 15 20 in which the author finds examples of the literary device mise en abyme placement of the abyss

Fitly Framed Together Mike Culpepper, 2013-09 How would you change if you knew the Bible were the real authoritative Word of God Where did the Bible come from Why do some claim the Bible is the Word of God What difference does it make what we think of the Bible The Bible has played a major role in the development of human culture and mankind from the beginning Fitly Framed Together The Bible can be a valuable resource that can possibly help your understanding and acceptance as to the validity and authority of the Bible We may live in a bad news world but there is actually good news in the Bible The American people are subject to a tax code that is so enormous that it is ten times thicker than the Bible and in the past ten years there have been more than five thousand editions and changes But what has been written in the Bible and applied to the human race stands alone firm and unchanging For Christians looking for a good Bible study Fitly Framed Together The Bible can strengthen your faith in the Scriptures drawing you closer to God For non Christians Fitly Framed Together The Bible can at least give food for thought that there might be some legitimacy to the Bible at least worthy of discussion Nevertheless a greater and deeper understanding of the Bible can be inspiring and Fitly Framed Together The Bible can help you better recognize and appreciate things you read in the Bible unlocking God s Word to you By the nature of its content history and presence the Bible must be fitly framed together Evoking Story for Transformation Lyn

Nixon, 2025-08-21 Lyn Nixon takes a fresh approach to the question of whether New Testament authors quote the Old Testament without regard to the original Old Testament meaning that is out of context Her action model uses Speech Act Theory to examine the way authors and readers together contribute to the communication of meaning In her model for meaning to be successfully communicated the reader must experience the transformation intended by the author Lyn Nixon

applies her theoretical model to two examples of New Testament quotation where previous scholars have claimed the author quotes the Old Testament in a way that does not correspond to the original meaning Her case studies the use of Ps 115 1 LXX in 2 Cor 4 13 and of Ps 110 1 MT by various New Testament speakers and authors provide new insights into ways that the Old Testament meaning including its transformative intention resonates in the quoting of New Testament texts *The Shengold Jewish Encyclopedia* Mordecai Schreiber, Alvin I.
