Caregiver involvement is key to a child s reading success story and libraries are in the perfect position to provide the guidance needed for parents and caregivers to embrace their role as their children s first and most enduring teachers Libraries offer many programs and services for children but sometimes caregivers are left out of the equation especially once children start school Nevertheless parents and caregivers are an integral part of literacy development and libraries are a great place for them to witness modeling practices and participate in engaging family programs that encourage early literacy

Mary Schreiber combines personal experience and professional research with the programming expertise of youth librarians from across the country in this guide for libraries looking to make an even greater impact on the level of literacy attained by the children they serve. In *Partnering with Parents*, readers will find a wealth of information on how to talk to caregivers about the different stages of a child's reading life, what books to recommend to excite both caregivers and children about reading, and ways to encourage parent and caregiver participation in library programming, with additional information on working with and providing programming for diverse families. Whether you are a veteran in the profession or brand new to working with families, you will find something in this book that will help you to make your library a more integral part of the education community.

Artsy Toddler Storytimes Carol Garnett Hopkins, 2013-05-23 For toddlers, every storytime can be a new adventure, while art activities are important for developing impulse control, hand-eye coordination, and fine motor dexterity in the hands. Hopkins' new book fuses them together. Designed for children ages 1 to 3 years old, the book's 52 storytimes promote pre-reading skills such as print motivation, vocabulary, and narrative skills. Based on themes familiar to children, including bears, bugs, springtime, clothing, and hats, flowers, and gardens, weather, music, pets, transportation, pirates, and many more, each storytime includes a list of books, action songs or rhymes, along with their words, a flannelboard experience, plus instruction for two to three art activities. This complete toddler storytime resource also includes an introduction which discusses the differences between art activities and craft activities, a toddler's ability in creating art, and why children this age should be exposed to art activities. Advice for using different art mediums such as food, plus important safety considerations. Pointers on conducting playful yet educational storytimes. Tips for finding inexpensive art materials, with a list of recommended supplies to keep on hand. More than 100 drawings, all easy to reproduce and modify. Weblinks to Artsy Helper Sheets, downloadable supplements complete with phrases, tips, and tricks that inform parents and caregivers about the benefits of doing art activities with toddlers. Pick up Hopkins' book, and you'll be ready to conduct a storytime within moments.

Serving Teen Parents Ellin Klor, Sarah Nordhausen, 2011-09-12 A comprehensive guide to working with teen parents and their children that provides practical program ideas for successful school and public library program development, implementation, and evaluation. Teen parents and their children represent an underserved, high-need population in many communities. Libraries have the potential to significantly influence the quality of life for teen parent families by providing free access to information and resources, developing specific programs, and serving as a safe public learning environment. *Serving Teen Parents: From Literacy to Life Skills* helps library staff support teen parents as their children's first teachers, positively affecting two generations at once. The authors explain how to successfully communicate with this group and build upon their competencies and strengths. They offer best practices, professional anecdotes, and step-by-step direction on connecting with teen parents, collaborating with community partners, locating funding options, and implementing successful programs. This invaluable guide is the most comprehensive resource currently available that directly addresses the needs of librarians.
