Straight From My Uncensored Heart:

Straight from My Uncensored Heart LaShawn Childs, 2004-06-09 *Straight from My Uncensored Heart* is a collection of life experiences that have caused both positive and negative effects on the author's life. The pages capture the inside of a heart that was predestined and determined to overcome traumatic obstacles. Everybody has their own way of verbalizing their thoughts and emotions. LaShawn Childs thought it was safer to express herself on paper until God delivered her from her fear of communication with others. This book pays tribute to some people who assisted LaShawn during some difficult moments in her life. It also expresses gratitude to some loved ones who witnessed the author celebrate some special occasions. *Straight from My Uncensored Heart* will allow you to examine a heart that has been expressed to the world while it was being healed. Open up your heart and listen for God to speak to your daily situations.

The Songs of Jesus Timothy Keller, Kathy Keller, 2015-11-10 Renowned pastor and New York Times bestselling author Timothy Keller writes the book his readers have been asking for. A year-long daily devotional beautifully designed with gilt edges and a gold ribbon marker. The Book of Psalms is known as the Bible's songbook. Jesus knew all 150 psalms intimately and relied on them to face every situation, including his death. Two decades ago, Tim Keller began reading the entire Book of Psalms every month. *The Songs of Jesus* is based on his accumulated years of study, insight, and inspiration recorded in his prayer journals. Kathy Keller came to reading the psalms as a support during an extended illness. Together, they have distilled the meaning of each verse, inviting readers into the vast wisdom of the psalms. If you have no devotional life yet, this book is a wonderful way to start. If you already spend time in study and prayer, understanding every verse of the psalms will bring you a new level of intimacy with God, unlocking your purpose within God's kingdom.

JJC Dumo Kaizer J Oruobu, 2018-01-08 There is a character here in JJC called Pattie Dazzle. She is a journalist, she is a radio and television host, not a hostess since we do not have gentle ladies just gentlemen of the press. She is a representative of white supremacy America. She is much more besides all those. But what could those things that she is or may also be be? That is one of your duties as a reader to find out. There is a family of six people here in JJC whose collective tears make an ocean so huge, so mighty, and so much like a flood of tsunami proportion that it overruns an international airport in a city called Baltimore in a state called Maryland so badly that it makes takeoff of airplanes impossible. In JJC, Dumo Oruobu has taken the word and the total concept of hyperbole to a whole new level. In dealing with Pattie Dazzle as the Female that she is and whose first name is Pattie and not Dazzle, Dazzle which she carries along anyway as her father's name, Dumo is deliberately or inadvertently echoing and reechoing the master of words William Shakespeare in his classic question, "What is in a name?" in *Romeo and Juliet*. There's Professor Abejide Olanrewaju from whose initial naivety the novel takes its title as referring to a Johnny Just Come-a-new man, Johnny who has just come to town but yellows very quickly becomes dark blue and red and is nearly falling off the cliff, horrifying both his wife Abimbola and Pattie Dazzle, his interviewer and whatever else she is or may be as you will or may find out yourself. In JJC, Dumo Oruobu has

Anthony DeCurtis, 2017-10-10 The essential biography of one of music's most influential icons Lou Reed As lead singer and songwriter for the Velvet Underground and a renowned solo artist Lou Reed invented alternative rock His music at once a source of transcendent beauty and coruscating noise violated all definitions of genre while speaking to millions of fans and inspiring generations of musicians But while his iconic status may be fixed the man himself was anything but Lou Reed's life was a transformer's odyssey Eternally restless and endlessly hungry for new experiences Reed reinvented his persona his sound even his sexuality time and again A man of contradictions and extremes he was fiercely independent yet afraid of being alone artistically fearless yet deeply paranoid eager for commercial success yet disdainful of his own triumphs Channeling his jagged energy and literary sensibility into classic songs like Walk on the Wild Side and Sweet Jane and radically experimental albums alike Reed remained desperately true to his artistic vision wherever it led him Now just a few years after Reed's death Rolling Stone writer Anthony DeCurtis who knew Reed and interviewed him extensively tells the provocative story of his complex and chameleonic life With unparalleled access to dozens of Reed's friends family and collaborators DeCurtis tracks Reed's five decade career through the accounts of those who knew him and through Reed's most revealing testimony his music We travel deep into his defiantly subterranean world enter the studio as the Velvet Underground record their groundbreaking work and revel in Reed's relationships with such legendary figures as Andy Warhol David Bowie and Laurie Anderson Gritty intimate and unflinching Lou Reed is an illuminating tribute to one of the most incendiary artists of our time
