Straits Poems:

Straits Kenneth Koch, 1998 Kenneth Koch continues to expand the range of what is possible to do in poetry His title poem is a stirring collection of disconnected and connected sentences on such themes as love politics and the exploration of sub polar seas Vous etes plus beaux que vous ne pensez is a series of bright rapid sketches of the lives of ten artists and writers Writing in a variant of the style of the eighteenth century poet James Thomson Koch revives an old genre praise of the seasons with his own characteristic mixture of clarity and sensuous excitement A group of twenty five poems called Songs from the Plays creates a new genre songs written for plays that don t exist but from which plays might be imagined or constructed My Olivetti Speaks is perhaps Koch s clearest and wittiest meditation on the nature of poetry itself The themes of time and change in individual lives are given an unusual look in Study of Time and the Villon like Ballade Classical Chinese Poetry in Singapore Bing Wang, 2017-11-22 As the essence of Chinese traditional culture classical Chinese poetry in Singapore played a very important role in the social and cultural development of Singapore s Chinese community Numerous poems depicted the unique scenery of tropical rainforest and the customs with a Nanyang flavor recorded the various historical events from the colonial era the World War II to the independent nation and reflected the poets multiple feelings This book sketches out the brief history of classical Chinese poetry in Singapore over a hundred years and focuses on the complex identity of poets from different generations the function of literary societies in the construction of cultural space and the influence of modern media on the development of classical Chinese poetry based on the text interpretation In addition the author attempts to define different types of poetry writing using diaspora literature and Sinophone literature The discussion of these topics will not only expand the research horizon of Chinese literature but also provide a meaningful reference to the studies of the worldwide Chinese overseas especially in Southeast Asia *The Collected Poems of Arthur Yap* Arthur Yap, 2013-11-09 Arthur Yap published four major collections of poetry Only Lines 1971 Commonplace 1977 Down the Line 1980 and Man Snake Apple and contributed a section of poetry in the anthology Five Takes 1974 These five publications are now out of print The Collected Poems of Arthur Yap gathers the entire corpus of Arthur Yap s poems including his vignettes and other poems in a single volume for the first time *Dire Straits* Indo Skosana, 2021-03-31 Innovative and classic at the same time Indo Skosana s poetry is a unique and melodious contrast between modern and old practical and spiritual logical and instinctual Philosophy history love as well as taxes environmental issues and politics the complexity of the world we inhabit is captured in a dissonant harmony capable of merging the immaterial and material aspects of life Rather than having all the answers or presuming to capture a universal truth Indo Skosana describes the beautiful and sometimes painful contradictions of the reality that surrounds us then invites the readers to ask themselves numerous questions But among the chaos unpredictability and hardships of life one message stands clear as a beacon towering above a dark and tumultuous ocean we should always live no matter what and we should do so by helping each other and by creating a true sincere

connection with the people and the nature we share our existence with In this torn frenetic and wonderful world we live in individuals have a chance to reach the awareness of being part of something wider more complex and beautiful than what defines their own singularity We are one Life first All shall follow Indo Skosana is a South African poet and writer After attending Sizwakele Secondary School in Embalenhle he studied English Literature at Intec College in Cape Town and graduated in 1994 He worked as a Publicity Officer at Statistics South Africa and later as a Civic Education Facilitator for the Independent Election Commission I E C Some of his poems were published by the Poetry Institute of Africa based in Durban others are catalogued at the National English Literature Museum at Grahamstown University One poem I Won t Tarnish Your Image has been published by the South African Human Rights Commission Singapore Melanie Guile,2003-12 Offers a brief overview of the culture of Singapore discussing how the country s citizens identify themselves through language social customs and spiritual beliefs *Cultural Transplantation: The Writing of Classical Chinese Poetry in Colonial Singapore (1887–1945)* Lap Lam,2023-12-28 Classical style poetry in modern China and other Sinitic speaking localities is attracting greater attention with the recent upsurge in academic revision of modern Chinese literary history Using the concept of cultural transplantation this monograph attempts to illustrate the uniqueness compatibility and adaptability of classical Chinese poetry in colonial Singapore as well as its sustained connections with literary tradition and homeland It demonstrates how the reading of classical Chinese poetry can better our understanding of Singapore s political social and cultural history deepen knowledge of the transregional relationship between China and Nanyang and fine tune redress and enrich our perception of Singapore Chinese literature Sinophone literature the Chinese diaspora and global Chinese identity *A Revised Text of the Poems of Vergil* Virgil,1888 Essays on Literature and Society in Southeast Asia Tham (Seong Chee),1981 **Hitomaro: Poet as God** Anne Commons,2009-05-31 Kakinomoto no Hitomaro fl ca 690 is generally regarded as one of the pre eminent poets of premodern Japan While most existing scholarship on Hitomaro is concerned with his poetry this study foregrounds the process of his reception and canonization as a deity of Japanese poetry Building on new interest in issues of canon formation in premodern Japanese literature this book traces the reception history of Hitomaro from its earliest beginnings to the early modern period documenting and analysing the phases of the process through which Hitomaro was transformed from an admired poet to a poetic deity The result is a new perspective on a familiar literary figure through his placement within the broader context of Japanese poetic culture *Southeast Asian Personalities of Chinese Descent* Leo Suryadinata,2012 This is a bold project recording the lives of a particular group of Southeast Asians Most of the people whose biographies are included here have settled down in the ten countries that constitute the region Each of them has either self identified as Chinese or is comfortable to be known as someone of Chinese ancestry There are also those who were born in China or elsewhere who came here to work and do business including seeking help from others who have ethnic Chinese connections With the political and economic conditions of the region in a great state of flux for the past two

centuries it is impossible to find consistency in the naming process Confucius had stressed that correct names make for the best relationships In this case Professor Leo Suryadinata has been pursuing for decades the elusive goal of finding the right name to give to the large numbers of people who have in one way or another made their homes in or made some difference to Southeast Asia I believe that when he and his colleagues selected the biographies to be included here they have taken a big step towards the rectification of identities for many leading personalities In so doing he has done us all a great service
