**Strange Bedfellows** Kasey Michaels, 1997      **The Private Life of General Omar N. Bradley** Jeffrey D. Lavoie, 2015-11-18 The life and achievements of General Omar Nelson Bradley are legendary During World War II the five star general was a key figure in the D Day invasion and the Battle of the Bulge But his private life has always lain just outside the reach of the media Bradley has long been portrayed as a soft spoken gentleman This media driven stereotype has pushed him aside in America s collective memory which more readily recalls flamboyant leaders such as Patton Eisenhower or George C Marshall This book reexamines the prevailing view of Bradley through a reading of unpublished sources and letters paying special attention to his relationship with his second wife Kitty Buhler and his later years 1951 1981 a period largely ignored by previous research Bradley s life was far from boring Behind closed doors were trysts with Hollywood starlets a penchant for gambling at the horse track and hobnobbing with high profile stars writers and political leaders      **Love and Anger** Peter Franzblau Cohen, 1998 This is one of the first books to take an interdisciplinary approach to AIDS activism and politics by looking at the literary response to the disease class issues and the AIDS activist group ACT UP Containing both literary analysis and interviews with activists *Love and Anger* integrates fact and fiction in a scholarly yet comprehensible manner It will provide readers with a deeper understanding of AIDS activism the politics of AIDS and the attitudes and feelings of those affected by the disease      **Strange Bedfellows** Anil, 2020-02-23 Etymologically related words most surprisingly so strange bedfellows are used to construct amusing and or amazing pairs phrases and whole sentences mostly accompanied by silly or satirical comments tall tales with recurring characters poems fake news and fake ads for Dr Duck s Dealy Deli An appendix gives many other pairs of surprisingly related synonyms antonyms etc balanced by the converse pairs one might expect to be related but are not      [The Quote Verifier](#) Ralph Keyes, 2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed Ralph Keyes s *The Quote Verifier* considers not only classic misquotes

such as Nice guys finish last and Play it again Sam but more surprising ones such as Ain't I a woman and Golf is a good walk spoiled as well as the origins of popular sayings such as The opera ain't over till the fat lady sings No one washes a rented car and Make my day Keyes's in depth research routinely confounds widespread assumptions about who said what where and when Organized in easy to access dictionary form The Quote Verifier also contains special sections highlighting commonly misquoted people and genres such as Yogi Berra and Oscar Wilde famous last words and misremembered movie lines An invaluable resource for not just those with a professional need to quote accurately but anyone at all who is interested in the roots of words and phrases The Quote Verifier is not only a fascinating piece of literary sleuthing but also a great read

Strange Bedfellows John A. Lamb, 2010-10 Ever wonder what happens to your trash You might be surprised to know the government sent some on an all expense paid Southern cruise Strange Bedfellows is not that ship's log but while truth is often stranger than fiction it's rarely as much fun So come aboard and meet tugboat captain Elliot investigative reporter Alexandra and a motley assortment of politicians social climbers and crooks **Make Love, Not War** David Smith Allyn, 2001 First published in 2001 Routledge is an imprint of Taylor Francis an informal company **Hardball** Chris Matthews, 1999-11-02 How politics is played by one who knows the game Chris Matthews has spent a quarter century on the playing field of American politics from right hand man of Speaker of the House Tip O'Neill to host of NBC's highest rated cable talk show Hardball In this revised and updated edition of his political classic he offers fascinating new stories of raw ambition brutal rivalry and exquisite seduction and reveals the inside rules that govern the game of power *All-Night Party* Andrea Barnet, 2025-05-01 They were smart Sassy Daring Exotic Eclectic Sexy And influential One could call them the first divas and they ran absolutely wild They were poets actresses singers artists journalists publishers baronesses and benefactresses They were thinkers and they were drinkers They eschewed the social conventions expected of them to be wives and mothers and decided to live on their own terms In the process they became the voices of a new fierce feminine spirit There's Mina Loy a modernist poet and much photographed beauty who traveled in pivotal international art circles blues divas Bessie Smith and Ethel Waters Edna St Vincent Millay the lyric poet who with her earthy charm and passion embodied the 20s ideal of sexual daring the avant garde publishers Margaret Anderson and Jane Heap and the wealthy hostesses of the salons A Lelia Walker and Mabel Dodge Among the supporting cast are Emma Goldman Isadora Duncan Ma Rainey Margaret Sanger and Gertrude Stein Andrea Barnet's fascinating accounts of the emotional and artistic lives of these women together with rare black and white photographs taken by photographers such as Berenice Abbott and Man Ray capture the women in all their glory This is a history of the early feminists who didn't set out to be feminists a celebration of the rebellious women who paved the way for future generations **Strange Bedfellows**, 2000 *Feminism's Forgotten Fight* Kirsten Swinth, 2018-11-05 A spirited defense of feminism arguing that the lack of support for working mothers is less a failure of second wave feminism than a rejection by reactionaries of the sweeping changes they campaigned for When people

discuss feminism they often lament its failure to deliver on the promise that women can have it all But as Kirsten Swinth argues in this provocative book it is not feminism that has betrayed women but a society that balked at making the far reaching changes for which activists fought *Feminism's Forgotten Fight* resurrects the comprehensive vision of feminism's second wave at a time when its principles are under renewed attack Through compelling stories of local and national activism and crucial legislative and judicial battles Swinth's history spotlights concerns not commonly associated with the movement of the 1960s and 1970s We see liberals and radicals white women and women of color rethinking gender roles and redistributing housework They brought men into the fold and together demanded bold policy changes to ensure job protection for pregnant women and federal support for child care Many of the creative proposals they devised to reshape the workplace and rework government policy such as guaranteed incomes for mothers and flex time now seem prescient Swinth definitively dispels the notion that second wave feminists pushed women into the workplace without offering solutions to issues they faced at home *Feminism's Forgotten Fight* examines activists campaigns for work and family in depth and helps us see how feminism's opponents not feminists themselves blocked the movement's aspirations Her insights offer key lessons for women's ongoing struggle to achieve equality at home and work

*Queer Jewish Strangers in American Popular Culture* Amy Tziporah Karp, 2023-12-19 *Queer Jewish Strangers in American Popular Culture* Life Between Assimilation and Otherness explores LGBTQIA Jewish American identity in the United States and the queer Jewish stranger figures who live in between incorporation and estrangement Amy Tziporah Karp establishes that despite the near ubiquitous portrayal of Jewish American assimilation as a finished project completed in the wake of World War II in academic disciplines and throughout popular culture many LGBTQIA Jewish figures in contemporary popular culture inhabit stranger positionalities In these stranger spaces characters are forced to either perpetually attempt to assimilate or inhabit this interstitial stranger identity that is often viewed as a nowhere or homeless space Those who pursue assimilating endlessly try to fit in to no avail such as Jenny Schecter from Showtime's popular *The L Word* who is ultimately killed off on the show possibly murdered by her LGBTQIA community of friends Karp shows that those who attempt to make a home in a stranger positionality align themselves with other estranged and othered peoples such as characters throughout Sarah Schulman's novels and that this constitutes an ethical stance against the ways in which assimilation often inadvertently supports the workings of violent hegemonies in the United States
