Michael

Ashcraft,2018-02-02 The American public s perception of New Religious Movements NRMs as fundamentally harmful cults stems from the anticult movement of the 1970s which gave a sometimes hysterical and often distorted image of NRMs to the media At the same time academics pioneered a new field studying these same NRMs from sociological and historical perspectives They offered an interpretation that ran counter to that of the anticult movement For these scholars in the new field of NRM studies NRMs were legitimate religions deserving of those freedoms granted to established religions Those scholars in NRM studies continued to evolve methods and theories to study NRMs This book tells their story Each chapter begins with a biography of a key person involved in studying NRMs The narrative unfolds chronologically beginning with late nineteenth and early twentieth century perceptions of religions alternative to the mainstream Then the focus shifts to those early efforts in the 1960s and 1970s to comprehend the growing phenomena of cults or NRMs using the tools of academic disciplines The book s midpoint is a chapter that looks closely at the scholarship of the anticult movement and from there moves forward in time to the present highlighting themes in the study of NRMs like violence gender and reflexive ethnography No other book has used the scholars of NRMs as the focus for a study in this way The material in this volume is therefore a fascinating viewpoint from which to explore the origins of this vibrant academic community as well as analyse the

practice of Religious Studies more generally      **The Merry-Go-Round of Sexual Abuse** Letitia C Pallone, William E Prendergast, 2016-02-11 The Merry Go Round of Sexual Abuse is a valuable guide to identifying treating and breaking the cycle of sexual abuse Based on 30 years of professional experience in treating offenders and survivors of sexual assault and sexual molestation Dr Prendergast provides step by step guidelines and specialized treatment techniques most effective in producing change in this group of clients Each technique is illustrated with pertinent case studies This is a much needed guide for professionals who often lack specific training in the identification and treatment of both offenders and survivors of sexual abuse Prendergast identifies the survivors of sexual abuse explores the why sex inquiry and discusses the characteristics of the abuser Each topic is treated by first presenting a fact or principle which is then illustrated with a case study that exhibits the principle in practice A broad range of topics essential to the treatment of offenders and survivors of sexual abuse are clearly explained in this book including 18 factors to consider when working with survivors of sexual abuse behavioral effects of unresolved but consciously remembered sexual abuse and unidentified sexual trauma specialized interviewing techniques for survivors of sexual abuse specific treatment techniques for 4 different categories of sexual abuse homosexual abuse both seductive and assaultive assaultive sexual abuse incest and long term seductive sexual child abuse self confrontation as a new therapy approach for survivors aftercare continuation and consistency therapist qualifications and cautions This book is an in depth exploration of the topic usually only touched on in college courses and graduate programs It features treatment techniques that are not taught in schools or universities Psychiatrists psychologists social workers and counselors who are untrained in working with this specific group will benefit from these insightful discussions and specific case studies The Merry Go Round of Sexual Abuse can easily be used as a complete training manual for practicing therapists as well as interns trainees and graduate students in the field of sexual abuse In addition police investigators parents of either victims or abusers significant others of survivors survivors themselves and the public in general will benefit from the understanding Prendergast offers on the problem of sexual abuse      **Occult America** Mitch Horowitz, 2009 It touched lives as disparate as those of Frederick Douglass Franklin Roosevelt and Mary Todd Lincoln who once convinced her husband Abe to host a s ance in the White House Americans all they were among the famous figures whose paths intertwined with the mystical and esoteric movement broadly known as the occult Brought over from the Old World and spread throughout the New by some of the most obscure but gifted men and women of early U S history this hidden wisdom transformed the spiritual life of the still young nation and through it much of the Western world Yet the story of the American occult has remained largely untold Now a leading writer on the subject of alternative spirituality brings it out of the shadows Here is a rich fascinating and colorful history of a religious revolution and an epic of offbeat history From the meaning of the symbols on the one dollar bill to the origins of the Ouija board Occult Americabriskly sweeps from the nation s earliest days to the birth of the New Age era and traces many people and episodes including The spirit medium who

became America's first female religious leader in 1776 The supernatural passions that marked the career of Mormon prophet Joseph Smith The rural Sunday school teacher whose clairvoyant visions instigated the dawn of the New Age The prominence of mind power mysticism in the black nationalist politics of Marcus Garvey The Idaho druggist whose mail order mystical religion ranked as the eighth largest faith in the world during the Great Depression Here too are America's homegrown religious movements from transcendentalism to spiritualism to Christian Science to the positive thinking philosophy that continues to exert such a powerful pull on the public today A feast for believers in alternative spirituality an eye opener for anyone curious about the unknown byroads of American history Occult America is an engaging long overdue portrait of one nation under many gods whose revolutionary influence is still being felt in every corner of the globe **A Modern**

**Translation of the Kebra Nagast** Miguel F. Brooks, 1996 Lost for centuries the Kebra Nagast The Glory of Kings is a truly majestic unveiling of ancient secrets These pages were excised by royal decree from the authorized 1611 King James version of the Bible Originally recorded in the ancient Ethiopian language Ge'ez by anonymous scribes The Red Sea Press Inc and Kingston Publishers now bring you a complete accurate modern English translation of this long suppressed account Here is the most startling and fascinating revelation of hidden truths not only revealing the present location of the Ark of the Covenant but also explaining fully many of the puzzling questions on Biblical topics which have remained unanswered up to today Hoaxes, Myths, and Manias Robert E. Bartholomew, 2010-11-02 Thinking is an innate ability that most people take

for granted But like writing well or speaking effectively before the public thinking well is a skill that can be learned and improved with practice In this unique introduction to critical thinking Robert Bartholomew and Benjamin Radford first lay out the principles of critical thinking and then invite readers to put these principles to the test by examining a series of unusual and challenging case studies Assembling a wide range of bizarre but actual incidents from many cultures and various time periods they demonstrate how the tools of critical thinking can help to unravel alleged paranormal events and seemingly mysterious behavior What factors led to the Martian panic of 1938 Why did many people conclude that an alien spaceship crashed in Roswell New Mexico in 1947 How do we explain the panic expressed by otherwise normal Southeast Asian men who came to believe that a contagious disease was causing their genitals to shrink or the frenzied dance manias that captivated thousands of Europeans during the Middle Ages Bartholomew and Radford show that reality is very much a social construction that cultural assumptions play a large part in our judgments about what is normal and what is deviant and that the use of critical reasoning is our best means of ensuring an objective perspective **William Dudley Pelley** Scott

Beekman, 2005-10-17 William Dudley Pelley was one of the most important figures of the anti-Semitic radical right in the twentieth century Best remembered as the leader of the paramilitary Silver Shirts Pelley was also an award winning short story writer Hollywood screenwriter and religious leader During the Depression Pelley was a notorious presence in American politics he ran for president on a platform calling for the ghettoization of American Jews and was a defendant in a

headlinegrabbing sedition trial thanks to his unwavering support for Nazi Germany Scott Beekman offers not only a political but also an intellectual and literary biography of Pelley greatly advancing our understanding of a figure often dismissed as a madman or charlatan His belief system composed of anti Semitism economic nostrums racialism neo Theosophical channeling and millenarian Christianity anticipates the eclecticism of later cult personalities such as Shoko Asahara leader of Aum Shinrikyo and the British conspiracy theorist David Icke By charting the course of Pelley s career Beekman does an admirable job of placing Pelley within the history of both the anti Semitic right and American occult movements This exhaustively researched book is a welcome addition to the growing body of scholarship on American extremism and esoteric religions

**Serpent Handling Believers** Thomas G Burton,2025-03-14 In some remote churches in East Tennessee and nearby states Jesus words in the sixteenth chapter of Saint Mark are taken literally and they shall take up serpents and if they drink any deadly thing it shall not hurt them Members of these churches describe themselves as Pentecostal Holiness autonomous groups of Christians with strong traditional religious views and a fundamentalist approach to biblical interpretation Their strong faith is based largely on personal experience Handling serpents and fire laying on the hands of healing speaking in tongues and drinking poison are seen as acts of Christian obedience that demonstrate the power of the Holy Spirit In the past these very religious people have often been distorted by the media as members of a snake religion or a snake cult because of their unorthodox beliefs and practices Thomas Burton seeks to present a more balanced view of this generally misunderstood group in this in depth study of serpent handlers and their religious culture Using both oral history and scholarly research Burton traces the evolution of Christian serpent handling from its apparent beginning in East Tennessee and explores legal and ethical issues associated with this and other unorthodox practices allowing participants to speak for themselves through personal interviews The result is both a dramatic presentation through vivid photography and a thorough analytical insight into the serpent handlers culture

'Cult Wars' in Historical Perspective Eugene V. Gallagher,2016-07-01 Cult Wars in Historical Perspective provides a broad characterization of the shifting religious contours over the past several decades Offering an assessment of several important topics in the study of new religions this book explores developments in well known groups such as the

Unification movement The Family International Children of God the International Society for Krishna Consciousness ISKCON and the Church of Scientology Bringing together both insiders and outsiders from various academic disciplines and personal perspectives this book takes account of the ways in which the cult question is defined and addressed in different countries It offers a vivid depiction of how the cult wars or cult controversies of the late twentieth and early twenty first centuries first took shape the transformation of deeply entrenched positions on cults and sects as at least some members of new groups cult watchers and academics entered into serious and sustained conversations about topics of mutual concern the shifting foci and concerns of the general public law enforcement and the courts and academics in various countries and the complex histories of individual groups in which many dramatic transformations have occurred despite their comparatively short life spans

**Ancient Empires of the New Age** Paul DeParrie, Mary Pride, 1989 Shows why ancient empires based on new age beliefs grew and then died traces the outbreak of New Age thinking in America and other Western nations **The People Are Kind** Bill R. Douglas, 2024-12-30 What religion the newly opened recently indigenous territory of Iowa would become was a matter of concern to German Lutherans Austrian and French Catholics and New England Congregationalists But their funding proved no match for the myriad of choices Iowans had Methodists were everywhere and Inspirationists Freethinkers and Meskwakis all added to the chorus suggesting that hegemony was not a possibility and cooperation a better strategy Religious Iowans Black Hawk Amelia Bloomer Annie Wittenmeyer James B Weaver Billy Sunday John R Mott Luigi Ligutti Henry A Wallace Ann Landers Harold Hughes and Robert Ray all make appearances How did Sioux City pastor George Haddock get his name on streets in California How did Rev George Slater contribute to civil rights Which state was the go to for journalists looking for an American religious consensus How did Dubuque seminary professors feel about nuclear weapons How did Sr Pat Farrell parry Vatican accusations of heresy The answers to those and many other questions the reader never thought to ask lie within With humor incisive analysis and sympathy Douglas paints a tapestry that contributes not just to religious history but argues for its importance to the history of Iowa **Eros and Evil** R. E. L.

Masters, 2018-12-01 Eros and Evil is the first systematic modern study of the sexual behavior of witches and of witch hunters and as such is an important contribution to psychological literature Emphasizing the period between the fourteenth and nineteenth centuries the witch era when sexual licentiousness in fact and fantasy was rampant R E L Masters contends that intercourse with devils and demons was the central fact of witchcraft His discussion ranges over such subjects as the anatomy of the devil the sexual psychology of demons and erotic cannibalism and he shows how hysteria mental disorders and drugs may explain some of demonic sexuality s strangest aspects Most significantly Eros and Evil throws light on the origins and development of Western sexual or antisexual morals No other work makes so clear the superstitious and often diseased foundation of the sexual code by which we are still attempting to live This edition of Eros and Evil first published in 1962 contains the complete text of Ludovico Maria Sinistrari s Demoniality one of the great classics of demonology Moral
