A biographical and critical study of Robert Aickman **Weird Fiction** Michael Cisco,2022-01-31 *Weird Fiction A Genre Study* presents a comprehensive contemporary analysis of the genre of weird fiction by identifying the concepts that influence and produce it Focusing on the sources of narrative content how the content is produced and what makes something weird Michael Cisco engages with theories from Deleuze and Guattari to explain how genres work and to understand the relationship between identity and the ordinary Cisco also uses these theories to examine the supernatural not merely as a horde of tropes but as a recognition of the infinity of experience in defiance of limiting norms The book also traces the sociopolitical implications of weird fiction studying the differentiation of major and minor literatures Through an articulated theoretical model and close textual analysis readers will learn not only what weird fiction is but how and why it is produced *The Weird Tale* S. T. Joshi,2003-01-01 The leading critic of supernatural literature here examines the roots of the weird tale as Lovecraft called it through detailed examinations of five founding fathers of the genre Arthur Machen Lord Dunsany Algernon Blackwood M R James and H P Lovecraft The result is a thorough study of the art craft philosophy and aesthetics of an enduring genre of fantastic literature *the unites methodist free churches magazine* ,1877 Death Patricia Fanthorpe,2000-10-01 The greatest human problem is that we are all born in the condemned cell Money and medical science can extend the human lifespan significantly perhaps up to one thousand years via cloning and cryogenics but in the end when the last medical miracle has been exhausted Death still waits patiently for us In *Death The Final Mystery* Lionel and Patricia Fanthorpe take their investigative skills to those last moments of life and beyond exploring such puzzling topics as near death and out of body experiences reincarnation theories hypno regression and automatic writing and other phenomena of the séance room Evidence is drawn from trance mediums the writings of mystics and clear hard facts reported by reliable eyewitnesses **Grant Allen** Terence Rodgers,2017-03-02 A strikingly interdisciplinary figure in Victorian literary history Grant Allen 1848 1899 has thus far managed to elude the focused scrutiny of contemporary scholarship This collection offers a valuable analytical and bibliographical resource for the exploration of the man and his work Grant Allen was a prolific novelist essayist and man of letters who is best remembered today for his *The Woman Who Did* 1895 which gained fame and notoriety almost overnight through its exploration of female independence and sexuality outside marriage precipitating rabid denunciations of the new woman Allen engaged with a span of literary and cultural concerns in the late Victorian period that extended beyond gender politics however equally important was his sustained intervention in debates about Darwinism Spencerism and evolution on which subjects he was recognized as an authority and as the foremost popularizer alongside T H Huxley and Benjamin Kidd Not only did Allen's work link the literary and the scientific it traversed the boundaries between elite and popular culture demonstrating their interconnectedness This was notable in his travel and environmental writings and in his experiments in orientalist and detective fiction fantasy and science fiction The contributors to this collection approach the figure of Allen from diverse fields within Victorian studies showing him to be a late Victorian

innovator but also an example of fin de siècle modernity Grant Allen Literature and Cultural Politics at the Fin de Siècle revisits the richly variegated profile of one of the most intriguing and significant polymaths of the turn of the century recognizing his contribution to and influence on the key modernizing debates of the period *Gothic Tales* Elizabeth Gaskell, 2000-08-14 Elizabeth Gaskell's chilling Gothic tales blend the real and the supernatural to eerie compelling effect Disappearances inspired by local legends of mysterious vanishings mixes gossip and fact *The Witch* a novella based on an account of the Salem witch hunts shows how sexual desire and jealousy lead to hysteria while in *The Old Nurse's Story* a mysterious child roams the freezing Northumberland moors Whether darkly surreal such as *The Poor Clare* where an evil doppelgänger is formed by a woman's bitter curse or mischievous like *Curious if True* a playful reworking of fairy tales all the stories in this volume form a stark contrast to the social realism of Gaskell's novels revealing a darker and more unsettling style of writing **The American Antiquarian and Oriental Journal** Stephen Denison Peet, J. O. Kinnaman, 1887 **The American Antiquarian and Oriental Journal**, 1887
