Funny, Peculiar Mark Lewisohn,2003 Benny Hill's saucy smirks at underdressed women are relished the world over Yet the comedian cut an unlikely figure of global admiration unmarried and emotionally enfeebled in his few relationships he was a deeply private individual uninterested in the trappings of success a frugal man content to live in his humble childhood home flooded freezing and burgled while his building society account bulged with millions of pounds he didn't use and hadn't wanted to earn Funny Peculiar is the first objective and full account of Benny Hill's life and work Tenaciously researched and yet sensitively reported it charts the highs lows and many paradoxes of a man whose professional strengths observation impression and mime bought him unimagined success and whose weakness especially an inability to change fashioned his ultimate downfall First in depth biography since Benny's death in April 1992 A return to favour with audiences who are jaded with alternative comedy Existing biographies are unreliable lightweight and out of date Benny has been screened in 109 countries and enjoyed for over 50 years *The Literary Review* ,2002 *The Problem with Pleasure* Laura Frost,2013-07-16 A revealing study of the sensual tensions powering the period's formal and ideological innovations The Encyclopedia of Popular Music: Grenfell, Joyce - Koller, Hans Colin Larkin,2006 Containing 27 000 entries and over 6 000 new entries the online edition of the Encyclopedia of Popular Music includes 50% more material than the Third Edition Featuring a broad musical scope covering popular music of all genres and periods from 1900 to the present day including jazz country folk rap reggae techno musicals and world music the Encyclopedia also offers thousands of additional entries
