Stranger May Marry:

Stranger May Marry Ann Hampson, 1982-06-01 **The Status of Women Under Islamic Law and Modern Islamic Legislation** Jamal J. Nasir, 2009 There has long been a need for an objective study such as this dealing with the legal rights and obligations of women under the Sharia and under modern Arab Islamic legislation Seen within the broad principles of Islamic law the book examines the status of women with regard to marriage the iddat parentage and fosterage and custody and fills an important gap left by recent and more general publications on Islamic law **The Stranger Within Your Gates** Gary G. Porton, 1994-11 The intellectual dilemma that converts posed to classical Jews played itself out in discussions of marriage religious practice inheritance of property and much else on the one hand converts must be no different from native born Israelites if the god of the Hebrew Bible is a universal deity on the other hand converts must be distinguishable from native born members of the community if a divine covenant was made with Abraham's descendants **Strangers May Marry** Anne Hampson, 1982 **The Islamic Law of Personal Status** Jamal J. Nasir, 2021-10-05 This new edition of the authoritative English language treatment of Islamic personal status law gives practitioners and courts throughout the world direct access to this important body of law in its most up to date development All Middle Eastern and North African Arab states are covered new to this edition is coverage of recent provisions enacted in Kuwait Yemen and Sudan The chapter on dissolution of marriage has been completely revised to reflect current legal interpretation and judicial practice in this rapidly changing area of Islamic law Also new and especially valuable are English versions for the first time anywhere of fundamental Shiite and Jaafari legal works with the most thorough analysis and commentary available in any non Arabic source Dr Nasir's much appreciated methodology has been continued since the very successful first edition of 1986 For each topic e.g. marriage dower dissolution of marriage parentage inheritance and waqf he begins with a consideration of the subject in Sharia law and then goes on to present legislation and contemporary views in particular Arab countries This approach while it clearly manifests the continuity of Islamic law respecting personal status is of great practical value to judges and practitioners especially those who must resolve disputes under Islamic law in non Muslim countries **The January-May Marriage in Nineteenth-Century British Literature** E. Godfrey, 2009-02-02 By considering the disruptive potential of age disparate marriages in nineteenth century British literature Godfrey offers provocative new readings of canonical texts including Don Juan Jane Eyre and Bleak House *A Stranger's Touch* Anne Herries, 2012-12-01 When Morwenna Morgan defies her brother's orders and rescues a shipwreck victim from a Cornish beach she doesn't expect an instant attraction to the injured stranger This is the kind of man Morwenna can imagine falling for not the unpleasant suitor her brother's forcing on her Except the stranger is Lord Rupert Melford a government agent sent to entrap the Morgan family He has to believe that Morwenna is part of a smuggling plot but her sweet nature and devotion to nursing him speak only of her innocence **Strangers May Marry** Mary Burchell, 1972 **Girls for Sale** Gurujada Venkata Apparao, 2007 A
