*Self-Harm, Narcissism, Atonement, and the Vulnerable Christ* David Vincent Meconi,2019-11-14 *On Self Harm Narcissism Atonement and the Vulnerable Christ* explores St Augustine of Hippo's theology of sin described as various forms of self loathing and self destruction in addition to sin's antidote a vulnerable relationship with the crucified Christ Incorporating recent thinking on self destruction and self loathing into his reading of Augustine David Vincent Meconi explores why we are not only allured by sin but will actually destroy ourselves to attain it even when we are all too well aware that this sin will bring us no true lasting pleasure Meconi traces the phenomena of self destruction and self loathing from Augustine to today In particular he focuses in on how self love can turn to self harm and the need to provide salvage for such woundedness by surrendering to Christ showing how Augustine's theology of sin and salvation is still crucially applicable in contemporary life and societies Good News for the Broken Self Joseph S. Arnold LPCC BCC,2019-10-04 We are all traveling on a journey through this life It seems that at times we will face some difficult situations and circumstances that leave us wounded and sometimes disillusioned We tell ourselves we just need to get over it and get on with life but in all honesty how well are we

really doing this Joe shares his own story of how normal aspects of temperament play a role in how we experience these wounds along with how he has experienced substantial healing from various aspects of his own brokenness He both ponders and presents his belief that the healing of our brokenness has been minimized and overlooked by large segments of the contemporary church A thread of his own experience of grace is interwoven throughout the book He presents some whole person ideas of how we can all move toward a path of greater healing and a truer version of ourselves Joe invites you on a journey with him to more fully explore this possibility Here s an opportunity to walk through a door of hope to see if a deeper level of healing is available to you and those you care for

A Taste of Jesus Jamin Bradley,2017-07-26 A Taste of Jesus is an in depth look at the characteristics that are meant to make up the Christian s life love joy peace patience kindness goodness faithfulness gentleness and self control Bradley explains just how radical and counter cultural these fruits are when they are grown in fullness These are the characteristics of the upside down backwards Kingdom of Heaven and when we live like we re residents there we begin to give people a real taste of Jesus who is living inside of us via the Holy Spirit This is by no means meant to be an easy book to absorb for the fruit of the Spirit constantly butts heads with our flesh but if you feel uncomfortable maybe that s okay Embrace it and see what God does Jamin Bradley is ordained in the Free Methodist Church and is the lead pastor of 1208GREENWOOD in downtown Jackson MI He and his wife Jodi have two energetic kids named Beckett and Jericho who love to keep them on their toes Outside of pastoring and writing Jamin loves video games board games grilling entertaining guests and writing recording and playing music If you re looking for the typical easy to read feel good Christian book this is not the one A Taste of Jesus discusses the Fruits of the Spirit through a comprehensive theological relevant thorough and experiential understanding Bradley reminds us and challenges us to know and believe that God s love is unconditional Jesus example is an attainable lifestyle the Holy Spirit is moving and operating in His entirety Scripture is relevant and authoritative and the world although influential should never be the final word I ve known Pastor Jamin for a while and what I ve read in this book is what I have personally witnessed in his day to day discipline and ministry As you pick up this book have your Bible close by and a friend with whom to read and discuss Pastor Steven Hlatky

*What Was Jesus Thinking?* Frank R. Stirk,2023-06-13 No one could ever get fully inside the mind of Jesus but we can gain important insights through a better understanding of the contexts in which he spoke and acted For example with whom was he speaking and interacting in that moment Where did this take place How can the events of the history of the period in general and the many new and often unexpected archaeological discoveries in particular from the time of Jesus enhance our understanding of what he was thinking And what light can the answers to these and related questions shed on what we already know about Jesus from the Four Gospels This book attempts to provide some answers to these questions with the intent of leading the reader toward a deeper understanding of his wholly human yet wholly divine character This in turn will hopefully create a deeper and more grounded faith

*Abba's Child* Brennan Manning,2015-06 Are you struggling to accept God s love We ve bought

into the lie that we are worthy of God's love only when our lives are going well. But when life begins to fall through the cracks and things become less than perfect, we scramble to present a good front to the world and to God. God longs for us to deeply believe and know that He loves us and accepts us as we are. He calls for us to remove our masks and establish honest, deep and trusting relationships with Him. When we are our true selves, we can finally claim our authentic identities as His own. Abba's children.

**Brennan Manning**, author of *The Ragamuffin Gospel*, soulfully encourages you to let go of the pressure of an impostor lifestyle and lean into the life-changing wonder of a truly loving relationship with God. With a gentle wisdom and tender style, this book addresses:

- Developing deeper intimacy with God
- Overcoming your inner pharisee
- Resting in your true identity as God's child
- Abba's Child will light the way to freely accepting your belovedness and being renewed by the reassurance of our Father's deep care for you regardless of how perfect your life isn't.

**Max Lucado**, New York Times bestselling author, I pray that Brennan Manning and the timeless voices in this book might offer you hope. May they remind you that you are loved by the Father, Creator Himself. May they sing and speak into your life against the voices that tell you otherwise.

[Waiting for Jesus](#), Rich Villodas, 2025-09-16. Through this 25-day Advent devotional, enjoy daily readings that help you slow down, savor the season, and deepen your relationship with Jesus from the bestselling author of *The Deeply Formed Life*. The holidays often feel like a marathon as we dash from one event, errand, or party to another. In the busyness, it's easy to neglect what really matters: reflecting on the glory of Jesus. We want to pray more, to spend time with God, but the tyranny of the urgent leaves us distracted and depleted. In this twenty-five-day devotional, pastor and author Rich

Villodas guides you through reflections prayers and prompts to help you slow down connect with God and rediscover peace this Advent season Each day offers space for personal reflection preparing your heart for Jesus s arrival and culminating in a final devotional on Christmas Day Amid the noise of the season these biblical truths invite you into the joy and peace Christ brings Let this be a time of holy longing and heartfelt rejoicing as you welcome him anew Each day in this devotional features a short reflection from Rich followed by a four fold rhythm Silence and prayer Pause for a few moments Take a breath Rest Scripture Read a short passage about the wonder of Jesus Quotes Read short inspiring thoughts from Christians through the ages Self reflection Bring your full self to God and enjoy his presence As you journey with Rich Villodas through Advent reclaim joy and wonder as you behold the wondrous love of God      **Face to Face** Marty Folsom,2016-08-31 Like falling in love this book argues that a relationship with God begins with surprise proceeds with discovery and shapes a life that comes to share a story of love This book does not describe God but pursues the nature of personally relating with the triune God Consequently it also engages how we relate with humans made in God s image We finish the Face to Face series with this most mysterious and fulfilling encounter a personal engagement with the Relational God known as a community of persons who invite us to share in their life      *Echoes of Eden* Eddie Dutra,2016-06-24 The neoliberal theologians who intend to repaint Christianity say they are reacting to the errors and abuses within the church against the false promises of the Prosperity theology and the modern Pharisees who use legalism as a means of oppression and control The truth however is that they incur in the same mistakes of them Those of the Prosperity Gospel or those of the postmodern church philosophy lead the ministry according to peoples desire not according to Gods interests or the true spiritual need of people The Prosperity theology adapted to a greedy society that sees Jesus only as the multiplier of loaves and fishes and a free healer therefore it gave them what they wanted The postmodern Christians changed the speech and emphasis but reproduced the same pattern of ministry When we compare them both groups are alike they all use pragmatism as foundation for ministry thus their teachings are unbiblical their practice unethical and its results devastating to the Christian faith The new painters take advantage of the mistakes of some groups of the evangelicalism with this they find the opportunity to throw out the baby with the dirty bathwater they throw away the true Gospel along with the errors of the church Such opportunism is clearly detected in their effort to establish a stereotype to represent historic Christianity as a group of ignorant and devoid of love Fundamentalist fanatics while they pose as open minded good boy preachers and love givers with no trace of prejudice By opposing legalism these men went to the other extreme they became libertines Thus their offered antidote became worse than the poison itself The neoliberal theologians came not to bring healing to the churchs problems rather they aggravated it They are opportunists who are creating a neo Christianity under the perspectives of this new postmodern world
