Stranger In Her Native Land:

A Stranger in Her Native Land Joan T. Mark, 1988-01-01 Recreates the life of the nineteenth century American anthropologist focusing on her efforts to improve the conditions under which the American Indians existed

The Trouble with White Women Kyla Schuller, 2021-10-05 An incisive history of self serving white feminists and the inspiring women who've continually defied them Women including Elizabeth Cady Stanton Margaret Sanger and Sheryl Sandberg are commonly celebrated as leaders of feminism Yet they have fought for the few not the many As award winning scholar Kyla Schuller argues their white feminist politics dispossess the most marginalized to liberate themselves In *The Trouble with White Women* Schuller brings to life the two hundred year counter history of Black Indigenous Latina poor queer and trans women pushing back against white feminists and uniting to dismantle systemic injustice These feminist heroes such as Frances Harper Harriet Jacobs and Pauli Murray have created an anti racist feminism for all But we don't speak their names and we don't know their legacies Unaware of these intersectional leaders feminists have been led down the same dead end alleys generation after generation often working within the structures of racism capitalism homophobia and transphobia rather than against them Building a more just feminist politics for today requires a reawakening a return to the movement's genuine vanguards and visionaries Their compelling stories campaigns and conflicts reveal the true potential of feminist liberation An Entropy Magazine Best Nonfiction Book of 2020 2021 *The Trouble with White Women* gives feminists today the tools to fight for the flourishing of all

White Women's Rights Louise Michele Newman, 1999-02-04 This study reinterprets a crucial period 1870s 1920s in the history of women's rights focusing attention on a core contradiction at the heart of early feminist theory At a time when white elites were concerned with imperialist projects and civilizing missions progressive white women developed an explicit racial ideology to promote their cause defending patriarchy for primitives while calling for its elimination among the civilized By exploring how progressive white women at the turn of the century laid the intellectual groundwork for the feminist social movements that followed Louise Michele Newman speaks directly to contemporary debates about the effect of race on current feminist scholarship *White Women's Rights* is an important book It is a fascinating and informative account of the numerous and complex ties which bound feminist thought to the practices and ideas which shaped and gave meaning to America as a racialized society A compelling read it moves very gracefully between the general history of the feminist movement and the particular histories of individual women Hazel Carby Yale University

In the Shadow of Quetzalcoatl Merilee Grindle, 2023-11-07 The first biography of Zelia Nuttall 1857 1933 a pioneering Mexican American anthropologist whose work on Aztec cosmology and mastery of ancient codices helped shape our understanding of pre-Columbian Mexico Grindle captures the appeal and contradictions of this trailblazing woman who brought a new rigor to the study of ancient civilizations

Betraying the Omaha Nation, 1790-1916 Judith A. Boughter, 1998 Traces the history of the Omaha Indians from 1790 through the years under Chief Black Bird to their

confinement to a reservation in the 1850s and the loss of most of their land in 1916 **Ke-ma-ha** Francis La Flesche, 1998-05-01 Born on the Omaha Reservation in 1857 Francis La Flesche was raised in the years when federal policy encouraged Indians to assimilate He learned English at a mission school acquiring a fluency that prepared him for a career that moved between tribal and national concerns Most of the stories in Ke ma ha have never before been published Written to bring public attention to the Omahas they tell us about that culture in ways that anthropological treatises cannot Francis La Flesche collaborated with anthropologist Alice C Fletcher on The Omaha Tribe and A Study of Omaha Indian Music These titles as well as La Flesche s autobiographical The Middle Five Indian Schoolboys of the Omaha Tribe are available as Bison Books **THE NOVELS OF ANITA DESAI, SHASHI DESHPANDE AND I HUSSAIN: A PSYCHOANALYTICAL**

PERSPECTIVE Dr. Prashantkumar Bhupal Kamble, 2023-06-30 Anita Desai Iqbalunnisa Hussain and Shashi Deshpande are the most accomplished contemporary novelists in English Their reflect the psychological explorations and the man woman relationship in modern society They deal with the burning problems of sex and psychology They highlight women s issues and present Indian sensibility in Indian English Their works especially in regards to woman s status in society are regarded as outstanding contribution to Indian writing in English **Making Home Work** Jane E. Simonsen, 2006 During the westward expansion of America white middle class ideals of home and domestic work were used to measure differences between white and Native American women Yet the vision of America as home was more than a metaphor for women s stake in the p

The Women's National Indian Association Valerie Sherer Mathes, 2015-04-15 Mathes s edited volume the first book to address the history of the WNIA comprises essays by eight authors on the work of this important reform group Gender and American Social Science Helene Silverberg, 2021-03-09 This collection of essays provides the first systematic and multidisciplinary analysis of the role of gender in the formation and dissemination of the American social sciences in the late nineteenth and early twentieth centuries Other books have traced the history of academic social science without paying attention to gender or have described women s social activism while ignoring its relation to the production of new social knowledge In contrast this volume draws long overdue attention to the ways in which changing gender relations shaped the development and organization of the new social knowledge And it challenges the privileged position that academic and mostly male social science has been granted in traditional histories by showing how women produced and popularized new forms of social knowledge in such places as settlement houses and the Russell Sage Foundation The book s varied perspectives building on recent work in history and feminist theory break from the traditional view of the social sciences as objective bodies of expert knowledge Contributors examine new forms of social knowledge rather as discourses about gender relations and as methods of cultural critique The book will create a new framework for understanding the development of both social science and the history of gender relations in the United States The contributors are Guy Alchon Nancy Berlage Desley Deacon Mary Dietz James Farr Nancy Folbre Kathryn Kish Sklar Dorothy Ross Helene Silverberg and Kamala

Visweswaran **White Mother to a Dark Race** Margaret D. Jacobs, 2009-07-01 In the late nineteenth and early twentieth centuries indigenous communities in the United States and Australia suffered a common experience at the hands of state authorities the removal of their children to institutions in the name of assimilating American Indians and protecting Aboriginal people Although officially characterized as benevolent these government policies often inflicted great trauma on indigenous families and ultimately served the settler nations larger goals of consolidating control over indigenous peoples and their lands **White Mother to a Dark Race** takes the study of indigenous education and acculturation in new directions in its examination of the key roles white women played in these policies of indigenous child removal Government officials missionaries and reformers justified the removal of indigenous children in particularly gendered ways by focusing on the supposed deficiencies of indigenous mothers the alleged barbarity of indigenous men and the lack of a patriarchal nuclear family Often they deemed white women the most appropriate agents to carry out these child removal policies Inspired by the maternalist movement of the era many white women were eager to serve as surrogate mothers to indigenous children and maneuvered to influence public policy affecting indigenous people Although some white women developed caring relationships with indigenous children and others became critical of government policies many became hopelessly ensnared in this insidious colonial policy **Reconfiguring the Reservation** Emily Greenwald, 2002 Once Indians had private property reformers reasoned they would practice agriculture and eventually adopt American economic and natural rules

BOOK JACKET **Benevolent Intentions** Fredric Muir, 2025-06-17 Fredric Muir explores a period of American history that is difficult knowledge the country's determination to be a member of the imperial era's club of colonizing nations While the book's characters are Christian religious liberals in particular what is surprising is not that they were in positions to direct and enforce colonial hegemony but that there were so many of them in fact there was a disproportionately large number of religious liberals in positions of authority and leadership Addressing topics that are still current this book describes the intersection of religious liberalism and imperialism and identifies those who were in positions of power while observing what it was about the liberal Christian faith that was informing them and the limited and failed resistance of the anti imperialist and anti immigration movements The results have been lasting and continue as headline news **Phoebe Apperson**

Hearst Alexandra M. Nickliss, 2018-05 In **Phoebe Apperson Hearst A Life in Power and Politics** Alexandra M Nickliss offers the first biography of one of the Gilded Age's most prominent and powerful women A financial manager businesswoman and reformer Phoebe Apperson Hearst was one of the wealthiest and most influential women of the era and a philanthropist almost without rival in the San Francisco Bay Area Hearst was born into a humble middle class family in rural Missouri in 1842 yet she died a powerful member of society's urban elite in 1919 Most people know her as the mother of William Randolph Hearst the famed newspaper mogul and as the wife of George Hearst a mining tycoon and U S senator By age forty eight however Hearst had come to control her husband's extravagant wealth after his death She shepherded the fortune of

the family estate until her own death demonstrating her intelligence and skill as a financial manager Hearst supported a number of significant urban reforms in the Bay Area across the country and around the world giving much of her wealth to organizations supporting children health reform women s rights and well being higher education municipal policy formation progressive voluntary associations and urban architecture and design among other endeavors She worked to exert her ideas and implement plans regarding the burgeoning Progressive movement and was the first female regent of the University of California which later became one of the world s leading research institutions Hearst held other prominent positions as the first president of the Century Club of San Francisco first treasurer of the General Federation of Woman s Clubs first vice president of the National Congress of Mothers president of the Columbian Kindergarten Association and head of the Woman s Board of the Panama Pacific International Exposition Phoebe Apperson Hearst tells the story of Hearst s world and examines the opportunities and challenges that she faced as she navigated local national and international corridors of influence rendering a penetrating portrait of a powerful and often contradictory woman **How Sweet the Sound** David Ware Stowe,2004 Stowe traces the evolution of sacred music from colonial times to the present from the Puritans to Sun Ra and shows how these cultural encounters have produced a rich harvest of song and faith **I Was a Stranger** Jodi Mullen Fondell,2019-08-06 I Was a Stranger will help you build empathy for the strangers and foreigners among you Through personal experience and through the narratives of people who have moved to a foreign country for a variety of reasons Jodi Mullen Fondell offers encouragement for churches desiring to be a place of welcome and embrace for those who often find themselves rejected by the broader society Packed with tips on how to help your church navigate the road toward greater openness this book offers advice on how to avoid the pitfalls that prevent churches from truly welcoming and embracing the stranger among them Rev Fondell gently guides readers in examining their own experiences of alienation in order to understand the profound disorientation that being a stranger in a strange land entails This identification with the pain of being an outsider she asserts can move motivate and mobilize the church to live out God s calling to welcome in the stranger As the body of Christ embraces the members we are tempted to exclude a new level of joy and a taste of heaven await our congregations Includes a small group Bible study guide for communities ready to grow in ministry and hospitality **Fire Light** Linda M. Waggoner,2014-10-22 Artist teacher and Red Progressive Angel De Cora 1869 1919 painted Fire Light to capture warm memories of her Nebraska Winnebago childhood In this biography Linda M Waggoner draws on that glowing image to illuminate De Cora s life and artistry which until now have been largely overlooked by scholars One of the first American Indian artists to be accepted within the mainstream art world De Cora left her childhood home on the Winnebago reservation to find success in the urban Northeast at the turn of the twentieth century Despite scant documentary sources that elucidate De Cora s private life Waggoner has rendered a complete picture of the woman known in her time as the first real Indian artist She depicts De Cora as a multifaceted individual who as a young girl took pride in her traditions forged a

bond with the land that would sustain her over great distances and learned the role of cultural broker from her mother's M
tis family After studying with famed illustrator Howard Pyle at his first Brandywine summer school De Cora eventually
succeeded in establishing the first Native Indian art department at Carlisle Indian School A founding member of the Society
of American Indians she made a significant impact on the American Arts and Crafts movement by promoting indigenous arts
throughout her career Waggoner brings her broad knowledge of Winnebago culture and history to this gracefully written
book which features more than forty illustrations Fire Light shows us both a consummate artist and a fully realized woman
who learned how to traverse the borders of Red identity in a white man's world **New Monthly Belle Assemblée** ,1839

The New Monthly Belle Assemblée , **Lydia: a tale of the second century, translated from the German, etc**
Hermann GEIGER (of Munich.),1867
