Stranger Wilde Interpreting Oscar:

The Stranger Wilde Gary Schmidgall, 1994 The author of *Literature as Opera* and *Shakespeare as Opera* presents a brilliant portrait of Oscar Wilde as celebrated wit scandalous scapegrace and writer of genius whose life and art are inseparable from his gay identity Photos line drawings *Oscar Wilde* Kimberly J. Stern, 2019-11-18 Oscar Wilde A Literary Life tracks the intellectual biography of one of the most influential minds of the nineteenth century Rather than focusing on the dramatic events of Wilde's life this volume documents Wilde's impressive forays into education religion science philosophy and social reform In so doing it provides an accessible and yet detailed account that reflects Wilde's own commitment to the contemplative life Suitable for seasoned readers as well as those new to the study of his work Oscar Wilde A Literary Life brings Wilde's intellectual investments into sharp focus while placing him within a cultural landscape that was always evolving and often fraught with contradiction **Oscar Wilde as a Character in Victorian Fiction A.** Kingston, 2007-12-25 This book documents how Oscar Wilde was appropriated as a fictional character by no less than thirty two of his contemporaries including such celebrated writers as Joseph Conrad Arthur Conan Doyle Henry James George Bernard Shaw and Bram Stoker **Oscar Wilde in Context** Kerry Powell, Peter Raby, 2013-12-12 Concise and illuminating articles explore Oscar Wilde's life and work in the context of the turbulent landscape of his time *The Uncensored Picture of Dorian Gray* Oscar Wilde, 2012-08-13 Over 120 years after Oscar Wilde submitted *The Picture of Dorian Gray* for publication the uncensored version of his novel appears here for the first time in a paperback edition This volume restores material including instances of graphic homosexual content removed by the novel's first editor who feared it would be offensive to Victorians **The Picture of Dorian Gray and Three Stories** Oscar Wilde, 2007-03-06 A fashionable young man sells his soul for eternal youth and beauty in Oscar Wilde's fascinating gothic tale *The Picture of Dorian Gray* Oscar Wilde's only full length novel is the enduringly eerie story of a naive and irresistible young man lured by decadent Lord Henry Wotton into a life of depravity Though Dorian is steeped in sin his face remains perfect unlined as years pass while only his portrait locked away reveals the blackness of his soul This timeless tale of Gothic horror and fable reveling in the unabashed hedonism and cynical wit of its characters epitomizes Wilde's literary revolt against the proprieties of the Victorian era Sharing this volume with *The Picture of Dorian Gray* are Wilde's clever and sophisticated story *Lord Arthur Savile's Crime* and two of his delicate fairy tales *The Happy Prince* and *The Birthday of the Infanta* With an Introduction by Gary Schmidgall and an Afterword by Peter Raby **Joe Orton** Francesca Coppa, 2003 First published in 2003 Routledge is an imprint of Taylor Francis an informal company "The Uses of Excess in Visual and Material Culture, 1600-2010" Julia Skelly, 2017-07-05 Directing unprecedented attention to how the idea of excess has been used by both producers and consumers of visual and material culture this collection examines the discursive construction of excess in relation to art material goods and people in various global contexts The contributors illuminate how excess has been perceived quantified

and constructed revealing in the process how beliefs about excess have changed over time and how they have remained consistent The collection as a whole underscores the fact that the concept of excess must always be considered critically whether in scholarship or in lived experience Although the idea of excess has often been used to shame and degrade many of the essays in this collection demonstrate how it has also been used as a strategy for self fashioning transgression and empowerment particularly by women and queer subjects This volume examines a range of material including diamonds ceramics paintings dollhouses caricatures interior design and theatrical performances Each case study sheds new light on how excess was used in a specific cultural context including canonical sites of study such as the Netherlands in the eighteenth century Victorian Britain and Paris in the 1920s and under studied contexts such as Canada and Sweden

The Homosexual Revival of Renaissance Style, 1850-1930 Y. Ivory, 2009-05-07 Why were so many late nineteenth century homosexuals passionate about the Italian Renaissance This book answers that question by showing how the Victorian coupling of criminality with self fashioning under the sign of the Renaissance provided queer intellectuals with an enduring model of ruthlessly permissive individualism

States of Desire Vicki Mahaffey, 1998-12-03 This book is an intimate study of the three giants in Irish literary history Oscar Wilde William Butler Yeats and James Joyce In addition to constructing a narrative of Ireland's political and literary past Vicki Mahaffey interweaves the lives and writing of the authors into a portrait of national imagination shaped not only by a vast cultural and mythic heritage but also by the hard fact of English political domination States of Desire argues that what people desire is fundamentally connected to how they write and read Not only do language and narrative shape desire and vice versa but because these processes are socially conditioned some political circumstances such as those present in Ireland at the turn of the century foster experimental desire more successfully than others Mahaffey's contribution to the critical discourse on literary modernism is to assign a political motive to the art of modernist wordplay in doing so she offers a more compelling and socially driven version of the oft told tale of literary modernism Irish writers she argues sought to disrupt the rigidity of political thinking and social control by turning language into a weapon by opening up infinite new possibilities of meaning and association linguistic play makes it impossible for thought to be monopolized by the state or any other institutional power In this light the text becomes a prism of political cultural and erotic desires a fountain of conscious and unconscious linguistic suggestion Defying semantic control and refuting societal repression Wilde Yeats and Joyce literally fought in their lives and in their work for a freedom of expression which as was painfully evidenced in the case of Wilde was not to be had for the asking

Oscar Wilde Ruth Robbins, 2011-06-16 A short readable and accessible introduction to the life work and afterlife of Oscar Wilde a key poet playwright and man of letters of the Victorian age

The Importance of Being Paradoxical Patrick Horan, 1997-09 Horan asserts that Speranza's love of Irish myth fostered young Wilde's love of fantasy which is evidenced in his fairy tales and The Picture of Dorian Gray He concludes that Wilde wrote fantasy in part to identify humanity's inhumanity to acknowledge that

love is often unreciprocated and to affirm the naturalness of homosexuality Outlooks Peter Horne, Reina Lewis, 2002-09-09 Outlook explores the relationship of lesbian and gay sexualities to visual representation It reflects the richness of lesbian and gay ways of producing and reading visual cultures at the same time as it tackles such burning issues as the advantage of adopting a queer perspective on past art the responses of lesbian and gay artists to the AIDS crisis and society's attempts to censor homosexual art This volume provides a space for lesbian and gay artists to exhibit their work and discuss its relationship to sexuality It allows for a wide ranging theoretical and historical discussion of the place of lesbian and gay men within visual cultures and shows how much has been missed by a heterosexist approach to art history and the study of culture Richly illustrated this book includes statements by contemporary lesbian and gay artists photographers and performers as well as articles by art historians cultural theorists and lesbians and gay activists **Something in the Blood: The Untold Story of Bram Stoker, the Man Who Wrote Dracula** David J. Skal, 2016-10-04 Shortlisted for the Edgar Award Critical Biographical Finalist for the Bram Stoker Award Nonfiction Finalist for the Anthony Award Critical Nonfiction A revelatory biography exhumes the haunted origins of the man behind the immortal myth bringing us the closest we can get to understanding Bram Stoker and his iconic tale The New Yorker In this groundbreaking portrait of the man who birthed an undying cultural icon David J Skal pulls back the curtain to reveal the author who dreamed up this vampire TIME magazine Examining the myriad anxieties plaguing the Victorian fin de siècle Skal stages Bram Stoker's infirm childhood against a grisly tableau of medical mysteries and horrors cholera and famine fever childhood opium abuse frantic bloodletting mesmeric quack cures and the gnawing obsession with bad blood that pervades Dracula In later years Stoker's ambiguous sexuality is explored through his passionate youthful correspondence with Walt Whitman his adoration of the actor Sir Henry Irving and his romantic rivalry with lifelong acquaintance Oscar Wilde here portrayed as a stranger than fiction doppelgänger Recalling the psychosexual contours of Stoker's life and art in splendidly gothic detail Something in the Blood is the definitive biography for years to come **National Police Gazette and the Making of the Modern American Man, 1879-1906** G. Reel, 2006-04-03 This book analyzes the National Police Gazette the racy New York City tabloid that gained an audience among men and boys of the late nineteenth and early twentieth centuries Looking at how images of sex crime and sports reflected and shaped masculinities during this watershed era this book amounts to a story of what it meant to be an American man at the beginning of the American Century The Jewish Decadence Jonathan Freedman, 2021-04-26 Freedman's final book is a tour de force that examines the history of Jewish involvement in the decadent art movement While decadent art's most notorious practitioner was Oscar Wilde as a movement it spread through western Europe and even included a few adherents in Russia Jewish writers and artists such as Catulle M ndes Gustav Kahn and Simeon Solomon would portray non stereotyped characters and produce highly influential works After decadent art's peak Walter Benjamin Marcel Proust and Sigmund Freud would take up the idiom of decadence and carry it with them

during the cultural transition to modernism Freedman expertly and elegantly takes readers through this transition and beyond showing the lineage of Jewish decadence all the way through to the end of the twentieth century **Decadence** Alex Murray, 2020-10-15 Decadence that flowering of a mannered literary style in France during the Second Empire and in the last two decades of the nineteenth century in Britain holds an endless fascination Yet the ambiguity of the term decadence and the challenges of identifying its practitioners make grasping its contours difficult From the obsession with classical cultures to the responses to the HIV AIDS crisis of the 1980s and 1990s this book offers one of the most comprehensive histories of literary Decadence The essays here interrogate and expand the formal geographical and temporal frameworks for understanding Decadent literature while offering a renewed focus on the role played by women writers Featuring essays by leading scholars on sexuality politics science translation the New Woman Russian and Spanish American Decadence the influence of cinema on Decadence and much more it is essential reading for all those interested in the literature of the 1890s and Oscar Wilde **The Cambridge Companion to Oscar Wilde** Peter Raby, 1997-10-16 The Cambridge Companion to Oscar Wilde offers an essential introduction to one of the theatre's most important and enigmatic writers Although a general overview the volume also offers some of the latest thinking on the dramatist and his impact on the twentieth century Part One places Wilde's work within the cultural and historical context of his time and includes an opening essay by Wilde's grandson Merlin Holland Further chapters also examine Wilde and the Victorians and his image as a Dandy Part Two looks at Wilde's essential work as playwright and general writer including his poetry critiques and fiction and provides detailed analysis of such key works as *Salome* and *The Importance of Being Earnest* among others The third group of essays examines the themes and factors which shaped Wilde's work and includes Wilde and his view of the Victorian woman Wilde's sexual identities and interpreting Wilde on stage This 1997 volume also contains a detailed chronology of Wilde's work a guide to further reading and illustrations from important productions *Outrages* Naomi Wolf, 2020-10-09 From New York Times bestselling author Naomi Wolf *Outrages* explores the history of state sponsored censorship and violations of personal freedoms through the inspiring forgotten history of one writer's refusal to stay silenced Newly updated first North American edition a paperback original In 1857 Britain codified a new civil divorce law and passed a severe new obscenity law An 1861 Act of Parliament streamlined the harsh criminalization of sodomy These and other laws enshrined modern notions of state censorship and validated state intrusion into people's private lives In 1861 John Addington Symonds a twenty one year old student at Oxford who already knew he loved and was attracted to men hastily wrote out a seeming renunciation of the long love poem he'd written to another young man *Outrages* chronicles the struggle and eventual triumph of Symonds who would become a poet biographer and critic at a time in British history when even private letters that could be interpreted as homoerotic could be used as evidence in trials leading to harsh sentences under British law Drawing on the work of a range of scholars of censorship and of LGBTQ legal history Wolf depicts how state censorship and state prosecution of same sex

sexuality played out decades before the infamous trial of Oscar Wilde shadowing the lives of people who risked in new ways scrutiny by the criminal justice system She shows how legal persecutions of writers and of men who loved men affected Symonds and his contemporaries including Christina and Dante Gabriel Rossetti Algernon Charles Swinburne Walter Pater and the painter Simeon Solomon All the while Walt Whitman s Leaves of Grass was illicitly crossing the Atlantic and finding its way into the hands of readers who reveled in the American poet s celebration of freedom democracy and unfettered love Inspired by Whitman and despite terrible dangers he faced in doing so Symonds kept trying stubbornly to find a way to express his message that love and sex between men were not morbid and deviant but natural and even ennobling He persisted in various genres his entire life He wrote a strikingly honest secret memoir which he embargoed for a generation after his death enclosing keys to a code that the author had used to embed hidden messages in his published work He wrote the essay A Problem in Modern Ethics that was secretly shared in his lifetime and would become foundational to our modern understanding of human sexual orientation and of LGBTQ legal rights This essay is now rightfully understood as one of the first gay rights manifestos in the English language Naomi Wolf s Outrages is a critically important book not just for its role in helping to bring to new audiences the story of an oft forgotten pioneer of LGBTQ rights who could not legally fully tell his own story in his lifetime It is also critically important for what the book has to say about the vital and often courageous roles of publishers booksellers and freedom of speech in an era of growing calls for censorship and ever escalating state violations of privacy With Outrages Wolf brings us the inspiring story of one man s refusal to be silenced and his belief in a future in which everyone would have the freedom to love and to speak without fear

British Aestheticism and Ancient Greece S. Evangelista, 2015-12-17 This book is the first comprehensive study of the reception of classical Greece among English aesthetic writers of the nineteenth century By exploring this history of reception it aims to give readers a new and fuller understanding of literary aestheticism its intellectual contexts and its challenges to mainstream Victorian culture

Enjoying the Song of Appearance: An Emotional Symphony within **Stranger Wilde Interpreting Oscar**

In some sort of eaten by monitors and the ceaseless chatter of instant interaction, the melodic beauty and mental symphony created by the written term frequently disappear into the background, eclipsed by the relentless sound and disruptions that permeate our lives. However, nestled within the pages of **Stranger Wilde Interpreting Oscar** a stunning fictional treasure filled with organic feelings, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, this interesting masterpiece conducts visitors on an emotional journey, well unraveling the hidden melodies and profound influence resonating within each carefully crafted phrase. Within the depths of this moving evaluation, we can investigate the book is key harmonies, analyze their enthralling writing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
