These pictures are not simple illustrations but constitute a thorough reinterpretation and, in Blake's view, correction of Dante's poem. This book compares the two men's theological and artistic views and analyzes in detail the meaning of Blake's illustrations for the first time, introducing their theological and aesthetic exuberance to a modern audience.      Billboard, 1954-01-23 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital events brand, content, and data licensing platform.
