**A Study of Human Emotions** Dr. Sangeeta Paul Budhiraja, Literature challenges one not only to think about ethical conundrums but also makes one sensitive and compassionate. When it blends with euphoria and nostalgia the integral parts of human mind it toughens and becomes sturdy. Man loves to live in his past memories to be happy. The experiences form a part of human personality and shape their behaviour pattern. Nostalgia stores for us our memories which we relish lifelong. Even the lamentable days of past become pleasant. Though we might have ignored some not too pleasant incidents in our bygone days yet somewhat bitter experiences appear to be impressive and attractive. It is aptly said that the panorama of mountains appear beautiful and splendid from a distance. The bitterness of nearness is intolerable. The more we grow in years the more our past recedes. Distance from the life lived long ago makes it sweet and desirable. Strain and stress of the present becomes frivolous when we slip and relapse into euphoric nostalgia. The instincts of euphoria and nostalgia have been vividly handled by the legendary writers of all times. They have given various dimensions and definitions to the readers to redeem these human aspects yet many more stones are still unturned. These two instincts in the oeuvre of the legendary writer Ruskin Bond are the anchor points that suggest the scope of study I have chosen to put forward the very idea about how a man's body, mind and soul blend with traces of his past memories and support the holistic growth.

**Pratibha Devisingh Patil** Mahajan, Chhaya Bhawan, 2010 An Inspirational Journey. Pratibha Devisingh Patil The First

Woman President of India is an attempt to understand the life and works of the First Citizen of India prior to her occupying the coveted position. In the late fifties and early sixties when the discouraging forces against women were predominant Pratibhatai excelled in academics. It was her will, power, conviction and purity of purpose which propelled her into politics and finally elected to be the First Woman President of India. Only sky is the limit. Pratibhatai's life is a story; her journey in life has been so eventful, her achievements are so large and varied. She has had a political career which kept moving upwards gradually and steadily till she finally reached the pinnacle. She humbly attributes her success to the Almighty and to the People of India. The book is a progressive effort to illustrate her political participation as well as her attachment towards the family and emerged her a winner on both the fronts effectively. Simply her achievements are so large and varied that they need to be narrated. Those who do not speak about themselves need to be spoken about. **Ruskin Bond of India** Norah Nivedita Shaw, 2008
