Strategic Change

Julia Balogun, Veronica Hope Hailey

Strategic Change:

Managing Strategic Change Noel M. Tichy, 1983-05-03 Shows how managers can use the conceptual framework of TPC theory technical political and cultural dynamics to cope with major strategic reorientation Raises such fundamental questions about the nature of organizations What business es should we be in Who should reap what benefits from the organization What are the values and norms of organizational members Provides concepts and workable technologies for dealing with these questions and preparing for future change Includes extensive examples *Real Time Strategic Change* Robert W. Jacobs, 1997-09-11 With Real Time Strategic Change Robert Jacobs advocates a complete redesign of the way organisations change and provides a practical guide through the entire change process *Exploring Strategic Change* Julia Balogun, Veronica Hope Hailey, 2008 This edition of Exploring Strategic Change focuses on the implementation of organizational change and the management of organizational transitions **Tackling the Wicked Challenge of Strategic Change** Pamela Baker, Norman Jackson, Jane Longmore, 2014-06-19 The aim of this book is to make better sense of a long complex messy change process through the stories of those who were involved Over fifty participants were interviewed during the course of the study and their uniquely personal perspectives have been woven into a compelling story of organisational change This book describes their ingenuity and effort in bringing about change that they and their organisation valued Between 2009 and 2012 Southampton Solent University UK engaged in an unprecedented and highly complex strategic initiative which ran across the entire institution its structures processes and systems it aimed to produce a fundamental shift in institutional culture Such an all embracing approach is rare in universities This programme of organisational change is seen through the eyes of people who were immersed in the process Their perspectives and feelings will resonate with anyone who has tried to bring about significant change in a university Universities are inherently creative places but too often there is a pervasive inertia that prevents ideas from being turned into new and better practices This programme aimed to create a culture of innovation Conventional project planning techniques were deliberately avoided and replaced with an approach based on complexity theory recognising that the process of change requires constant adaptation acceptance of non linear progress and subversion of conventional management discourse Offering an unusual example from the higher education sector this study is a distinctive contribution to the extensive literature on organisational change Learning gained from participants is related to theories and research from this wider literature The study proposes a holistic and integrated approach to change which might offer a more culturally relevant and sustainable model both for higher education and for those sectors of industry and commerce from which much change management practice has conventionally been drawn Strategic Change Management in Public Sector Organisations David Baker, 2007-02-28 This book covers all the major aspects of change management for those working in public sector and not for profit organisations It summarises key theories and approaches to change management and includes detailed worked descriptions of key techniques used in

change management processes and programmes with extensive reference to case studies drawn from a range of public sector not for profit organisations and other environments Written by a highly knowledgeable and well respected practitioner in the field Draws on the author s wide ranging practical experience of major organizational development and change management in a wide range of situation Applies as well as describes theory Provides practical and realistic solutions to real world problems

Preparing Your Family Business for Strategic Change C. Aronoff,J. Ward,2016-05-24 Strategies for family firms unlike those of other businesses can and should incorporate family factors Responsible and disciplined strategic integration of family and business goals strengths and values produces powerful results

Setting Up A Strategic Change Management Office Isolde Kanikani, In an era where transformation is no longer optional Setting Up Strategic CMOs is a timely and essential guide for leaders navigating the complexities of constant change Isolde Kanikani presents a compelling case for the Change Management Office CMO as a strategic cornerstone that builds organisational change capability far beyond a mere support function Drawing on real world experience and pioneering insight Kanikani reveals how to design CMOs that not only survive but thrive by aligning deeply with organizational purpose value delivery and evolving business priorities This book doesn t just show how to set up a CMO it shows how to future proof it ensuring it delivers measurable value long after the initial launch Done through democratising change measuring maturity with the C MMF model harnessing ChangeOps and ensuring that the CMO is one tool in the organisational change capability tool box More than a manual and real life case studies this is a strategic call to action for CXOs transformation leaders and change professionals ready to rethink what s possible

Strategic Change Colin A. Carnall,1997 Managing major or strategic change now demands the ability to visualise the future to see what might happen and to estimate how the organization might respond Through a selection of key articles on strategic change from authors such as Senge Handy Argyris and Prahalad and Doz Carnall examines how we can understand the process of change and how we can use this knowledge to create the future These articles look at networked organizations market induced changes for internal and external markets culture change learning organization globalisation This book also includes new material on how to create programmes of change to maximise learning as well as topical approaches such as process re engineering time based management and corporate bench marking Students on MBA and other post graduate business courses and practitioners in the field of strategic change will find this book essential reading Colin Carnall is Professor of Management Studies and Director of Programmes at Henley Management College Top flight editor from one of the best British Business Schools Includes articles from leading authors Senge Handy Argyris and Prahalad and Doz to name a few Includes new material on how to create programmes of change to maximise learning

Creating Strategic Change William A. Pasmore,1994-05-17 Pasmore has brought over 20 year s worth of expertise to this conceptually sophisticated yet practical guide concerned with organization design and change Concentrates on implementation and how organizational planning and transformation efforts can improve performance

productivity Features extensive cases and examples developed by the author from his consulting work at enterprises like Procter Gamble TRW Goodyear General Foods and other companies **Strategy** David Faulkner, 2002 This is the most comprehensive collection to date on all aspects of strategy The articles selected here discuss key themes including different conceptions of strategy such as the classical rational models of Porter the empirical emergent emphasis of Mintzberg and the competence based models of Grant and others the relationship between strategy and other subjects including economics and organizational studies scenario planning networks strategic groups and knowledge and other key new developments the implications of globalization and international management key strategic decisions including diversification and mergers and acquisitions With a new introduction by the editor and an extensive index this collection is an invaluable reference tool and teaching aid *Strategic Change and Transformation* Swarup Kumar Dutta, 2018-08-14 Strategic change and transformation

are words used very commonly in business parlance but rarely defined Besides change and transformations are often used interchangeably Thus the correct perspective of viewing change and transformations is missing from management literature How is change different from transformation Do all changes lead to renewal What are the characteristics of strategic changes This re addresses some of our current assumptions and understanding of change and transformation when viewed through both academic and business lenses It is a balanced and well rounded perspective on how strategic change and transformation can be brought about successfully in organizations specifically with the perspective from an emerging economy like India Organizational Development and Strategic Change Sahab Sabri, Saeed Sabri-Matanagh, 2013-12-31 Bridging the divide between theory and practice Organizational Development and Strategic Change explores organizational learning behavior development and technology Covering incremental and rapid change leadership roles and management techniques the book provides in depth insight on learning and change This book provides consultants change agents and strategists with analytical tools and frameworks to lead effective strategic change and bolster organizational sustainability

Organizational Justice during Strategic Change Marcos Komodromos, Daphne Halkias, 2016-03-09 Organizational leaders often struggle to establish and sustain a trusting culture in times of constant changes in the corporate fabric and unethical behavior by corporate leadership Organizational justice theory provides a means to explain and better understand employees perceptions of trust fairness and the management of change during strategic change Qualitative studies have yet to be conducted on how an organizational justice framework would address the need of organizational justice for novel conceptually derived accounts of non managerial employee perspectives The purpose of Organizational Justice during Strategic Change is to be both an academic and practical book After presenting the theoretical elements of the topic half the book is devoted to a detailed case study of employee interviews conducted in a large privately owned media organization addressing the issues of the book topic The authors research findings from the case study indicated employees who experience trust and positive feelings regarding their treatment within the organization are willing to become involved in the

change process and adopt positive working relationships with their colleagues and managers This study is important for organizational management to gain knowledge and understanding on how employees perceptions of distrust and unfairness can lead to resistance and negative behaviors toward organizations and management during strategic change Market-led Strategic Change Nigel Piercy,2009 With the use of case studies this book will help the reader go back to basics by confronting critical questions in the organisation of marketing and how the critical processes of marketing planning and budgeting are managed **Strategy** Stewart R Clegg,Jochen Schweitzer,Andrea Whittle,Christos Pitelis,2019-11-30 Providing a fresh perspective on strategy from an organizational perspective through a discursive approach featuring key theoretic tenets this text is also pragmatic and emphasizes the practices of strategy to encourage the reader to be open to a wider set of ideas with a little more relevance and with a cooler attitude towards the affordances of the digital world and the possibilities for strategy s futures The key areas of Strategy take a critical stance in the new edition and also include areas less evident in conventional strategy texts such as not for profit organizations process theories globalization organizational politics and decision making as well as the futures of strategy Effective Implementation of Transformation Strategies Angelina Zubac,Danielle Tucker,Ofer Zwikael,Kate Hughes,Shelley Kirkpatrick,2022-09-23 This book sheds light on the processes and cognitions used by managers to successfully implement strategies while navigating the strategy and change interface It applies the latest thinking from the resource based literature in particular the idea that high performing organisations have become adept at honing and utilising value creating dynamic capabilities Key processes and cognitions help organisational leaders sense opportunities and threats as well as shrewdly seize strategic opportunities to advantageously enhance performance The book also adopts an institutional view that is it assumes that organisations must satisfy their stakeholders while navigating a range of influences including other organisations markets laws quality standards conventions and cultural norms This book conceptualises corporate strategy as an amalgam of four fundamental strategies the organisation s financial customer value creation resource and non market strategies These strategies address the capital product and services and resource markets as well as various non market institutions Successfully integrating and implementing these four strategies allow organisations to enable their employees multidisciplinary talents By approaching strategy in this way the book demonstrates why it is important to monitor changes to the organisation s strategic context and helps it identify the practices collaborations and projects necessary to achieve spectacular strategic change

Organizational Change Theories Christiane Demers,2007-07-26 Classifies presents and discusses the contributions and the limits of the theories of organizational change using an historical perspective as its organizing scheme This book focuses on process theories of organizational change It discusses different theoretical perspectives and resulting implications

Strategic Management Abbass Alkhafaji,Richard Alan Nelson,2013-10-31 Airborne Express Hershey s Motorola Pillsburyhow do the executives of international corporations formulate effective strategies for corporate success Filled with
