Syria Under Assad Domestic Constraints And Regional Risks:

Syria Under Assad (RLE Syria) Moshe Maoz, Avner Yaniv, 2013-11-26 One of the most striking recent developments in the modern Middle East has been the transformation of Syria under Hafez al Assad from a weak vulnerable and internally divided state to a leading regional power While this is increasingly acknowledged by observers of the Middle Eastern scene the scholarly discussion of the origins the scope the durability and the implications of this change is only beginning to take place Syria Under Assad addresses itself to this discussion Based on a carefully selected collection of original articles this volume focuses on the elements of Syria's power on Syria's relations with each of its neighbours as well as on Syria's relations with the superpowers In the final analysis conclude the editors Syrian policies appear paradoxical Its conduct ever since the advent of Hafez al Assad exhibits subtle and hard nosed pragmatism Yet in order to consolidate the domestic legitimacy of the Alawi Ba'athist regime Syria has been impelled to articulate its foreign policy goals in the far flung rhetoric of the Ba'athist ideology As a result Syria is widely perceived of as a menace and treated as such it often responds in kind

perceived of as a menace and treated as such it often responds in kind **Sharing Transboundary Resources** Eyal Benvenisti, 2002-04-04 Why do states often fail to cooperate using transboundary natural resources inefficiently and unsustainably This book first published in 2002 examines the contemporary international norms and policy recommendations that could provide incentives for states to cooperate Its approach is multi disciplinary proposing transnational institutions for the management of transboundary resources Benvenisti takes a fresh approach to the problem considering mismanagement as the link between domestic and international processes As well he explores reasons why some collective efforts to develop the international law on transnational ecosystems have failed while others succeeded This inquiry suggests that adjudicators need to be assertive in progressively developing the law while relying on scientific knowledge more than on past practice Global water policy issues seem set to remain a cause for concern for the foreseeable future this study provides a new approach to the problem of freshwater and will interest international environmentalists and lawyers and international relations scholars and practitioners *The Ba'th and the Creation of Modern Syria (RLE Syria)* David Roberts, 2013-11-26 This book traces the development of modern Syria focusing on the contribution of the Ba th party and Ba thist ideology It examines the roots of the Ba th in the intellectual ferment of the 1940s and charts its growing influence on Syrian politics Special attention is devoted to the crucial Sixth Congress of the Ba th Party in 1963 and the key ideological document the Muntalaqat produced by Michel Aflaq After 1963 the military became increasingly dominant until Hafiz al Asad came to power in 1970 Since then the Party has been less dominant internally but Syria itself has established a pivotal position in regional affairs The book concludes by reviewing the prospects for Syria after Asad and the potential for a Ba thist revival

Routledge Library Editions: Syria Various Authors, 2021-03-01 Routledge Library Editions Syria brings together as one set or individual volumes a series of previously out of print classics from a variety of academic imprints With a variety of titles covering Syria s politics history and culture this set provides in one place a wealth of important reference sources from a wide range of authors expert in the field *Territorial Expansion and Great Power Behavior During the Cold War* Dylan Motin, 2025-06-20 Motin examines great powers reactions to the rise of new powers in bipolar international systems by exploring an understudied problem the rarity of armed emergence after 1945 The book focuses on Egypt Iraq Syria and Vietnam the few minor powers that attempted to emerge as great powers through force during the Cold War Geography and existing powers reactions are analyzed as the two key factors determining a nation s attempts at territorial expansion to achieve power on the global political stage This systematic investigation of previously overlooked cases has profound implications for the scholarship on the rise and fall of great powers In a context where territorial conquest is returning worldwide scholars studying international relations international security and strategic studies should find valuable insights in this realist take **The Syria-Iran Axis** Nadia von Maltzahn, 2013-06-30 Since the Iranian Revolution of 1979 the close alliance between Syria and Iran has endured for over three decades based on geopolitical interests between the two states

and often framed in the language of resistance In view of their strong relationship at a state level what have Syria and Iran each been doing to foster popular exchange and employ cultural tools to build an image in the other country The Syria Iran Axis examines the motivations content and reach of cultural diplomacy between Syria and Iran to determine to what degree the two partners have been successful in bridging their world views and political outlooks By analysing the extent to which a state directed cultural exchange can foster bilateral relations in the Middle East Nadia von Maltzahn offers a unique analysis of the formation of foreign policy and diplomacy in the region **Why States Rebel** Magdalena Kirchner,2016-03-21 Given the fact that two thirds of all intrastate wars since 1945 have included foreign interventions what drives sovereign states to support non state conflict parties In order to understand causes and calculations of this particular type of third party intervention this book connects some of the most important contemporary debates in international relations ranging from security cooperation between states and non state actors to the effects of intervention on both local conflict dynamics and interstate relations Presenting a new theoretical framework and a multidimensional concept of support endorsement hosting as well as financial and military assistance this book establishes a systematic path between international as well as domestic incentives and specific types of sponsorship policies In a subsequent comparative analysis the author examines conditions and dynamics of Syria s cooperation with Fatah the Kurdistan Workers Party and Hizballah from 1964 to 2006 **Sovereign Creations** Malik Mufti,1996 Pan Arab unionism ignited passions and dominated politics in the Middle East throughout the 1950s and 1960s and has continued to reassert itself periodically In this elegantly written study Malik Mufti investigates the persistence and the failure of pan Arab initiatives examining their significance in the political development of Syria and Iraq
