about today's most influential therapeutic systems Contemporary Models of Psychotherapy Second Edition is an important resource for all mental health students practitioners and educators **The Death of Psychotherapy** Donald A.

Eisner, 2000-01-30 Psychologist attorney Eisner puts psychotherapy on trial by critically examining its effectiveness through the lens of the scientific method From psychoanalysis to cognitive behavior therapy as well as the 500 or so other

psychotherapies there is not a single experimental study that supports the effectiveness of psychotherapy over a placebo or religious healing Using both case examples and clinical research this book challenges the conclusion that there is empirical support for the notion that psychotherapy is effective Carl Rogers' Helping System Godfrey T Barrett-Lennard, 1998-11-20

This book is a monumental achievement and person centred practitioners will be indebted to Goff Barrett Lennard for many years to come He has written not only a definitive study of the history of person centred approach what he calls a report of the evolutionary course of a human science but also an accompanying commentary which is unfailingly enlightening

sometimes provocative and occasional lyrical Brian Thorne Emeritus Professor of Counselling University of East Anglia and Co Founder Norwich Centre I highly recommend this book as a reference source of major import as bibliography as history as art and as a complex discussion of questions that plague the person centred practitioner and the client centred therapist

The Person Centered Journal If you only ever buy one book about the Person Centred Approach other than those written by Rogers himself this is the one It is a staggering achievement by one of the most knowledgeable writers in the field PCP

Reviews This book is a gem and should have wide appeal It is an excellent introduction to person centred psychology written in accessible style and it takes the reader beyond the simplicity often confused with naivety Goff Barrett Lennard reveals a sophisticated complexity that challenges us to view the person with fresh eyes and an open mind Tony Merry University of

East London I strongly recommend this book as a sophisticated treatment of the client or person centred approach to therapy and its applications to areas outside therapy It is also a useful overview of research on all aspects of person centred ideas

Psychotherapy Research This book is not a single meal in itself but a positive larder containing every imaginable staple food and condiment all exquisitely and thoroughly researched The book took Godfrey T Barrett Lennard 20 years to write and it will stand as a reference text for person centred specialists for longer than that an essential reference text and a pantry full

of delicious surprises Counselling and Psychotherapy The Journal of the British Association for Counselling and

Psychotherapy Probably the most important piece of work on the person centred approach to have emerged in recent years an essential source of reference for anyone with a serious interest in the person centred approach Counselling News Written by an ex student and long time colleague of Carl Rogers this in depth and challenging book charts the development of person centred therapy from its origins through to the present day Godfrey T Barrett Lennard traces the central concepts and key figures within the movement set against the contemporary historical social and political context As an integrated overview of the person centred approach Carl Rogers Helping System presents a wealth of fascinating ideas and information which is

linked to a fresh incisive account of the unfolding theory process and research
