

T. E. LAWRENCE

THE SELECTED LETTERS

For my part, I wonder if he may not live longest in literature through his letters.

—Sir Basil Liddell Hart

T. E. Lawrence—"Lawrence of Arabia"—is best known for his legendary exploits with the Arabs during World War I and for his two best-selling books, *Seven Pillars of Wisdom* and *The Mint*. But attention focused on these two classic books has obscured the fact that he was one of the great letter writers of his time.

Here in one volume are four hundred and seventy of the most interesting and revealing letters Lawrence wrote between 1905 and 1935—fully two-thirds of them never before published. Malcolm Brown has had the full cooperation of the Lawrence trustees who have given him access to a wealth of correspondence that had been embargoed or suppressed for some fifty years.

Among Lawrence's exceptional list of recipients were Lady Asquith, Robert Graves, E. M. Forster, John Buchan, Edward Garnett, and, perhaps most important, Mrs. George Bernard Shaw. It is to her that he confided many of the secrets of his heart; his letters to her and others reveal a good deal about Lawrence's feelings on women and sexuality.
