T Edgar Lyon A Teacher In Zion:

T. Edgar Lyon Ted Lyon, 2002 **Second-Class Saints** Matthew L. Harris, 2024 On June 9 1978 Church of Jesus Christ of Latter day Saints LDS president Spencer W Kimball announced a revelation lifting the church's 126 year old ban barring Black people from the priesthood and Mormon temples It was the most significant change in LDS doctrine since the end of polygamy almost 100 years earlier Drawing on never before seen private papers of LDS apostles and church presidents including Spencer W Kimball Matthew L Harris probes the plot twists and turns the near misses and paths not taken of this incredible story **Excavating Nauvoo** Benjamin C. Pykles, 2010-04-01 This detailed study of the excavation and

restoration of the city of Nauvoo Illinois reveals the roots of historical archaeology In the late 1960s the Church of Jesus Christ of Latter day Saints sponsored an archaeology program to authentically restore the city of Nauvoo which was founded along the Mississippi River in the 1840s by the Mormons as they moved west Non Mormon scholars were also interested in Nauvoo because it was representative of several western frontier towns in this era As the archaeology and restoration of Nauvoo progressed however conflicts arose particularly regarding control of the site and its interpretation for the public The field of historical archaeology was just coming into its own during this period with myriad perspectives and doctrines being developed and tested The Nauvoo site was one of the places where the discipline was forged This well researched account weaves together multiple viewpoints in examining the many contentious issues surrounding the archaeology and restoration of the city of Nauvoo Illinois providing an illuminating picture of the early days of professional historical archaeology

Joseph Smith's Gold Plates Richard Lyman Bushman, 2023 According to Joseph Smith the text of the Book of Mormon was revealed to him on a stack of gold plates which he translated into English In this book renowned historian of Mormonism Richard Lyman Bushman offers a cultural history of the gold plates Bushman examines how the plates have been imagined by both believers and critics and by treasure seekers critics novelists artists scholars and others from Smith's first encounter with them to the present Why have they been remembered and how have they been used And why do they remain objects of fascination to this day *American Universities and the Birth of Modern Mormonism, 1867-1940* Thomas W.

Simpson, 2016-08-26 In the closing decades of the nineteenth century college age Latter day Saints began undertaking a remarkable intellectual pilgrimage to the nation's elite universities including Harvard Columbia Michigan Chicago and Stanford Thomas W Simpson chronicles the academic migration of hundreds of LDS students from the 1860s through the late 1930s when church authority J Reuben Clark Jr himself a product of the Columbia University Law School gave a reactionary speech about young Mormons search for intellectual cultivation Clark's leadership helped to set conservative parameters that in large part came to characterize Mormon intellectual life At the outset Mormon women and men were purposefully dispatched to such universities to gather the world's knowledge to Zion Simpson drawing on unpublished diaries among other materials shows how LDS students commonly described American universities as egalitarian spaces that fostered a

personally transformative sense of freedom to explore provisional reconciliations of Mormon and American identities and religious and scientific perspectives On campus Simpson argues Mormon separatism died and a new modern Mormonism was born a Mormonism at home in the United States but at odds with itself Fierce battles among Mormon scholars and church leaders ensued over scientific thought progressivism and the historicity of Mormonism's sacred past The scars and controversy Simpson concludes linger

Return to the City of Joseph Scott C. Esplin, 2018-11-15 In the mid twentieth century the Church of Jesus Christ of Latter day Saints LDS returned to Nauvoo Illinois home to the thriving religious community led by Joseph Smith before his murder in 1844 The quiet farm town became a major Mormon heritage site visited annually by tens of thousands of people Yet Nauvoo's dramatic restoration proved fraught with conflicts Scott C Esplin's social history looks at how Nauvoo's different groups have sparred over heritage and historical memory The Latter day Saint project brought it into conflict with the Community of Christ the Midwestern branch of Mormonism that had kept a foothold in the town and a claim on its Smith related sites Non Mormon locals meanwhile sought to maintain the historic place of ancestors who had settled in Nauvoo after the Latter day Saints departure Examining the recent and present day struggles to define the town Esplin probes the values of the local groups while placing Nauvoo at the center of Mormonism's attempt to carve a role for itself within the greater narrative of American history
