**Global Tabloid** Martin Conboy, Scott Eldridge II, 2021-04-18 This edited collection brings together a range of contemporary expertise to discuss the development and impact of tabloid news around the world In thirteen chapters Global Tabloid covers tabloid developments in Asia Africa the Americas Australia and both Eastern and Western Europe It presents innovative research from eighteen expert contributors and editors who explore tabloidization as a phenomenon and tabloids as a news form With an awareness of historical dynamics where tabloids played a role in national news media systems it brings the debates around tabloids as a cultural force up to date The book addresses important questions about the contemporary nature of popular culture the challenges it faces in the digital era and its impact on a political world dominated by tabloid values Going beyond national borders to consider global developments the editors and contributors explore how the tabloids have permeated media culture more generally and how they are adapting to an increasingly digitalized media sphere This internationally focused critical study is a valuable resource for students and researchers in journalism media and

cultural studies      *Visual Communication* David Machin, 2014-04-30 The primary goal of the volume on Visual Communication is to provide a collection of high quality accessible papers that offer an overview of the different academic approaches to Visual Communication the different theoretical perspectives on which they are based the methods of analysis used and the different media and genre that have come under analysis There is no such existing volume that draws together this range of closely related material generally found in much less related areas of research including semiotics art history design and new media theory The volume has a total of 34 individual chapters that are organized into two sections theories and methods and areas of visual analysis The chapters are all written by quality theorists and researchers with a view that the research should be accessible to non specialists in their own field while at the same time maintaining a high quality of work The volume contains an introduction which plots and locates the different approaches contained in it within broader developments and history of approaches to visual communication across different disciplines as each has attempted to define its terrain sometimes through unique concepts and methods sometimes through those borrowed and modified from others

*Political Entertainment in a Post-Authoritarian Democracy* Martin Echeverría, Frida V. Rodelo, 2023-08-25 The book offers an analytical and empirical account of the specificities of political entertainment in post authoritarian democracies Centered around Mexico as a case study the book explores the production of political entertainment in post authoritarian legacy media and how political and economic conditions constrain the range and edge of discourse how political entertainment in social media is shaped by the structure of platforms as creators are encouraged to conform to specific norms such as constant publication and the impacts of these media on attitude formation among the population The book proposes a theoretical framework for identifying the specific conditions of post authoritarian democracies that constrain the production of political entertainment as well as its outcomes in terms of content and effects This framework can be applied to the analysis of similar case studies particularly in the Global South at large With an analysis drawing on hard data historical accounts and anecdotal evidence this volume will resonate within academic communities interested in political communication media studies transitional democracies and popular culture

*National Police Gazette and the Making of the Modern American Man, 1879-1906* G. Reel, 2006-04-03 This book analyzes the National Police Gazette the racy New York City tabloid that gained an audience among men and boys of the late nineteenth and early twentieth centuries Looking at how images of sex crime and sports reflected and shaped masculinities during this watershed era this book amounts to a story of what it meant to be an American man at the beginning of the American Century

***The Mediation of Power*** Aeron Davis, 2007-08-07 Providing textbook range and accessibility whilst delivering advanced thinking and new critical directions ten chapters cover a broad range of common media and communications topics

*Everyday Media Culture in Africa* Wendy Willems, Winston Mano, 2016-11-10 African audiences and users are rapidly gaining in importance and increasingly targeted by global media companies social media platforms and mobile phone operators This is the first edited volume that addresses the everyday

lived experiences of Africans in their interaction with different kinds of media old and new state and private elite and popular global and national material and virtual So far the bulk of academic research on media and communication in Africa has studied media through the lens of media state relations thereby adopting liberal democracy as the normative ideal and examining the potential contribution of African media to development and democratization Focusing instead on everyday media culture in a range of African countries this volume contributes to the broader project of provincializing and decolonizing audience and internet studies

**Graphic News** Amanda Frisken, 2020-03-23 You furnish the pictures and I'll furnish the war This famous but apocryphal quote long attributed to newspaper magnate William Randolph Hearst encapsulates fears of the lengths to which news companies would go to exploit visual journalism in the late nineteenth century From 1870 to 1900 newspapers disrupted conventional reporting methods with sensationalized line drawings A fierce hunger for profits motivated the shift to emotion driven visual content But the new approach while popular often targeted and further marginalized vulnerable groups Amanda Frisken examines the ways sensational images of pivotal cultural events obscenity litigation anti Chinese bloodshed the Ghost Dance lynching and domestic violence changed the public's consumption of the news Using intersectional analysis Frisken explores how these newfound visualizations of events during episodes of social and political controversy enabled newspapers and social activists alike to communicate or challenge prevailing understandings of racial class and gender identities and cultural power

[The Routledge Handbook of Digital Media and Globalization](#) Dal Yong Jin, 2021-05-12 In this comprehensive volume leading scholars of media and communication examine the nexus of globalization digital media and popular culture in the early 21st century The book begins by interrogating globalization as a critical and intensely contested concept and proceeds to explore how digital media have influenced a complex set of globalization processes in broad international and comparative contexts Contributors address a number of key political economic cultural and technological issues relative to globalization such as free trade agreements cultural imperialism heterogeneity the increasing dominance of American digital media in global cultural markets the powers of the nation state and global corporate media ownership By extension readers are introduced to core theoretical concepts and practical ideas which they can apply to a broad range of contemporary media policies practices movements and technologies in different geographic regions of the world North America Europe Africa the Middle East Latin America and Asia Scholars of global media international communication media industries globalization and popular culture will find this to be a singular resource for understanding the interconnected relationship between digital media and globalization
