Souled Out? Shaun Powell, 2007-09-24

Souled Out That s the question author Shaun Powell poses and ultimately answers with regard to the nature of blacks participation in American sports Neither blacks nor whites athletes coaches administrators owners media parents and yes even fans are without blame for race still being an issue in the athletic arena And Powell perhaps like you is fed up with the excuses *Souled Out* boldly addresses the following dilemmas and more Do today s black athletes and coaches have the purpose to follow the leads of pioneers like Jackie Robinson Althea Gibson Robert Johnson or Tony Dungy Is Muhammad Ali s great legacy being misused to justify the behavior of today s prima donnas and their preconceived self centered celebrations Why with tremendous models like Jackie Joyner Kersee Venus and Serena Williams and Candace Parker is black female participation not more encouraged across a wide array of sports Are portrayals of professional black athletes centered on gaining luxury possessions and material wealth rather than giving back to the community ensuring that a me first mind set carries over to the next generation of athletes Will more blacks break through the glass ceiling in coaching and sports management positions to achieve strong decision making roles Can negative attitudes about race held by segments inside and outside the black community be overcome so that faster and enduring progress can be made in the future Powell s answers will surprise anger please and most of all challenge you
