Tackling Tomorrow Today:

Tackling Life Jonny Wilkinson, 2009-02-05 Jonny Wilkinson's impact on global sport has been extraordinary. Yet Jonny has faced a battle all his life to achieve success and crucially happiness. A crippling fear of failure, the targets he set himself and a string of injuries have caused Jonny to question his attitude to life. In this startling new book, writing with Steve Black, Jonny opens up for the very first time, revealing his darkest moments and explaining in a practical way the steps and techniques he has taken to ensure success in all aspects of his life. He still wants to be the best, but he now enjoys the journey. With never-before-told stories from his life and rugby career, this book will act as a powerful inspiration for anyone wanting to bring to the field of play, be it business, personal or sport, the very best they have to offer. [The Slow Fix](#) Carl

Honore, 2013-01-29 In the tradition of his internationally bestselling *In Praise of Slow* and drawing on examples from the most progressive and successful leaders in business, politics, science and society, Carl Honoré brilliantly illuminates why the best way to face our problems might just be to take our time. If the high-flying fighter pilots of the RAF can own up to their mistakes, why can't the rest of us? Toyota was fantastically good at exposing its failings and correcting them until it stopped setting the company up for one of the most spectacular falls from grace in the history of the auto industry. BP couldn't bring itself to apologize for its catastrophic oil spill until the entire Gulf Coast of the United States was bearing the brunt of its technological shortcomings. Addicted as we might be to the quick fix pills, crash diets or just diverting attention from things about to go wrong, the quick fix never really works. Trying to solve problems in a hurry, sticking on a plaster when surgery is needed, might deliver temporary relief but only at the price of storing up worse trouble for later. For those looking for a fix that sticks, *The Slow Fix* will help us produce solutions in life and work that endure. [Hard Tackle](#) Alpha

Dominion, 2014-12-05 When Tamna Anso Warrié was betrothed to Junaid Bonaparte as arranged by both parents, it was to cement an existing family bond of love and friendship. When Tamna Warrié proved unfaithful by yielding to love overtures from Amisha Dandali, a bosom friend of Junaid Bonaparte, the protagonist, he had no option than to abrogate the betrothal. Scorned, Nseke Anso Warrié, the mother of Tamna, consults a sorceress who puts a black magic spell, a death curse, on Junaid Bonaparte. Unknown to Junaid Bonaparte, subsequent deaths of the many women he loved lent credence to the undeniable fact that he was indeed the harbinger of death. He was incarcerated by the military junta for a year and a half after his wife's family set him up. Junaid Bonaparte was tried and found guilty by a military tribunal and sentenced to die by firing squad. His wife, Solitaire, an activist who later became an Ambassador of the Federal Republic of Nigeria, was mysteriously assassinated. How did he get so unlucky? With the help of April Zabrandi, a girl he once loved and by a reversal ritual, the black magic spell, death curse, was reversed. Find out what happened thereafter. It is a must read. **Grace for the Moment** Max
