Tahoe Place Names:

Tahoe Place Names Barbara Lekisch, 1988 Contains old names Washoe Indian names and the diary of Charles Preuss from January and February 1844 Fremont's second expedition to the Far West Fremont and Preuss were the first white men to see Lake Tahoe on February 14 1844 With photos of portions of seven early maps California Place Names Erwin G. Gudde, 1998 This anniversary edition concentrates on the origins of the names currently used for the cities towns settlements mountains and streams of California with engrossing accounts of the history of their usage The dictionary includes a glossary and a bibliography

1500 California Place Names William Bright, 1998-11-30 This is the new pocket version of the classic California Place Names first published by California in 1949 Erwin G Gudde's monumental work which went through several editions during its author's lifetime has now been released in an expanded and updated edition by William Bright The abridged version originally called 1000 California Place Names has grown to a dynamic 1500 California Place Names in Bright's hands Those who have used and enjoyed 1000 California Place Names through the decades will be glad to know that 1500 California Place Names is not only bigger but better This handbook focuses on two sorts of names those that are well known as destinations or geographical features of the state such as La Jolla Tahoe and Alcatraz and those that demand attention because of their problematic origins whether Spanish like Bodega and Chamisal or Native American like Aguanga and Siskiyou Names of the major Indian tribes of California are included since some of them have been directly adapted as place names and others have been the source of a variety of names Bright incorporates his own recent research and that of other linguists and local historians giving us a much deeper appreciation of the tangled ancestry many California names embody Featuring phonetic pronunciations for all the Golden State's tongue twisting names this is in effect a brand new book indispensable to California residents and visitors alike

Sierra Nevada Place Names Peter Browning, 2011 This is the third edition of the book Place Names of the Sierra Nevada first published in 1986 In this book are the place names of the Sierra Nevada from the Lake Tahoe basin south to Walker Pass Not included are place names within Yosemite National Park with the exception of the names for the features on the park's boundary with the adjacent national forest All other Yosemite names are in the book Yosemite Place Names The origin of the names within the Lake Tahoe Basin are in the book Tahoe Place Names Both those books are also published by Great West Books Altitudes of most peaks and lakes are given and the name of the topographical map and the feature's location on that map are also provided The names of the current 7.5 maps are referenced to their positions on the former 15 map series There is an extensive bibliography New in this edition are two indexes one is of those who named features and the other of those whose names appear in the text of various entries

Nevada Place Names Helen S. Carlson, 1974-01-01 Author and researcher Helen Carlson spent almost fourteen years searching for the origins of Nevada's place names using the maps of explorers miners government surveyors and city planners and poring through historical accounts archival documents county records and newspaper files The result of her
