Where Is the Taj Mahal? Dorothy Hoobler, Thomas Hoobler, Who HQ, 2017-01-24 Learn about the love story behind the creation of one of the most beautiful and famous buildings in the world The Taj Mahal may look like a palace but it's actually a tomb and a lasting testament to one of the world's great love stories In 1612 Mogul emperor Shah Jahan married Mumtaz Mahal It had been love at first sight and for nineteen years they were so inseparable that Mumtaz even accompanied Shah Jahan to battlefields When she died suddenly giving birth to their fourteenth child the emperor set about building a magnificent memorial to his wife Everything about the Taj was perfectly planned from the white marble walls that shimmer in the sunlight and sparkle by moonlight to the countless decorative flowers made from precious gems that still astound visitors today Recent discoveries at the site make this a timely account of a timeless monument *The Taj Mahal* Lesley A. DuTemple, 2003-01-01 Recounts the history of the creation of the Taj Mahal built as a tomb and memorial for the wife of the Mughal emperor Shah Jahan *Islamic Gardens and Landscapes* D. Fairchild Ruggles, 2011-12-30 Western admirers have long seen the Islamic garden as an earthly reflection of the paradise said to await the faithful However such simplification Ruggles contends denies the sophistication and diversity of the art form *Islamic Gardens and Landscapes* immerses the reader in the world of the architects of the great gardens of the Islamic world from medieval Morocco to contemporary India Just as Islamic culture is historically dense sophisticated and complex so too is the history of its built landscapes Islamic gardens began from the practical need to organize the surrounding space of human civilization tame nature enhance the earth's yield and create a legible map on which to distribute natural resources Ruggles follows the evolution of these early farming efforts to their aristocratic apex in famous formal gardens of the Alhambra in Spain and the Taj Mahal in Agra Whether in a humble city home or a royal courtyard the garden has several defining characteristics which Ruggles discusses Most notable is an enclosed space divided into four equal parts surrounding a central design element The traditional Islamic garden is inwardly focused usually surrounded by buildings or in the form of a courtyard Water provides a counterpoint to the portioned green sections Ranging across poetry court documents agronomy manuals and early garden representations and richly illustrated with pictures and site plans *Islamic Gardens and Landscapes* is a book of impressive scope sure to interest scholars and enthusiasts alike **The Taj Mahal: A History** John David Cooper, 2017-03-21 Everyone has seen photographs of the Taj Mahal The massive bulbous central dome the four slender minarets the shimmering marble the long reflecting pool the manicured gardens all seem too striking for adequate description and proper appreciation But there is more to the Taj than its beauty The world's best known mausoleum celebrates the love story of the seventeenth century Moghul emperor Shah Jahan and his queen Mumtaz Mahal They fell in love at first sight and were married for nineteen years

She ruled at his side as almost an equal but her death in childbirth in 1631 left him wild with grief and determined to build a monument to their devotion Behind this romantic tale is the saga of the Moghul emperors who swept into North India only a century earlier By the time of Shah Jahan they had established an absolute monarchy comparable to Louis XIV s The Moghul court was rich cruel and omnipotent As descendants of Tamerlane and Genghis Khan they relished bloody combat savage sports and hideous torture of their victims In the absence of primogeniture brother fought brother for the throne it was the law of the throne or coffin But less than a century after Shah Jahan was deposed by his ruthless son the dynasty was in decline and ripe for conquest by Great Britain For a time it seemed like the Taj like the Moghuls would vanish Only in the twentieth century was the Taj restored to something of its former glory Here is the dramatic and often tragic story of the Taj and the men and women of the dynasty that created it
