Take A Trip To Kenya

Thomas Griffiths

Take A Trip To Kenya:

Kenya Richard Trillo, 2002 The Rough Guide to Kenya is the ultimate guide to East Africa's best known destination. Features include a full colour section introducing Kenya's highlights, practical advice on getting the most out of Kenya from the well known safari parks to the little known reserves and the highlands, lakes and deserts to downtown Nairobi and the Indian Ocean, detailed reviews of accommodation and eating options to suit every taste and budget including luxury lodges and local restaurants, candid coverage of Kenya's history, politics, culture and environment and maps and plans for every region.

Obama and Kenya Matthew Carotenuto, Katherine Luongo, 2016-07-29 Barack Obama's political ascendancy has focused considerable global attention on the history of Kenya generally and the history of the Luo community particularly. From politicians populating the blogosphere and bookshelves in the U.S. and Kenya to tourists traipsing through Obama's ancestral home, a variety of groups have mobilized new readings of Kenya's past in service of their own ends. Through narratives placing Obama into a simplified, sweeping narrative of anticolonial barbarism and postcolonial tribal violence, the story of the United States president's nuanced relationship to Kenya has been lost amid stereotypical portrayals of Africa. At the same time, Kenyan state officials have aimed to weave Obama into the contested narrative of Kenyan nationhood. Matthew Carotenuto and Katherine Luongo argue that efforts to cast Obama as a son of the soil of the Lake Victoria basin invite insights into the politicized uses of Kenya's past. Ideal for classroom use and directed at a general readership interested in global affairs, *Obama and Kenya* offers an important counterpoint to the many popular but inaccurate texts about Kenya's history and Obama's place in it, as well as focused thematic analyses of contemporary debates about ethnic politics, tribal identities, postcolonial governance and U.S. African relations.

You'll find specialist coverage of Kenyan history, wildlife, music and literature, plus insider tips on visiting Barack Obama's ancestral village of Kogelo. Explore all corners of Kenya with authoritative background on everything from Indian Ocean beaches to safaris in Maasai Mara and climbing Mount Kenya, relying on handy language tips and the clearest maps of any guide.
