Take Back America:

No More - Taking Back America Thomas Masters,2019-11-13 No More Taking Back America by Dr Thomas Masters

The Baptizing of America Rabbi James Rudin,2009-04-29 The Baptizing of America Politics Piety and the Coming Theocracy exposes the systematic campaign by Christian fundamentalists to co opt and take over every room of American society from the bedroom to the school room hospital room operating room courtroom work room reading room and newsroom This book focuses on the aggressive war currently being led by fundamentalist Christians to baptize America It is a battle that will determine whether the United States remains a spiritually vital country but without an officially established religion or whether it will become Christianized a faith based nation in which fundamentalist Christianity will be the sole legal dominant religion throughout the land The war will decide whether America follows the path of many other nations and becomes a theocracy not unlike Iran and the former Taliban regime in Afghanistan America Right or Wrong : An Anatomy of American Nationalism Anatol Lieven Senior Associate for Foreign and Security Policy Carnegie Endowment for International Peace,2004-10-15 America keeps a fine house Anatol Lieven writes but in its cellar there lives a demon whose name is nationalism In this controversial critique of America s role in the world Lieven contends that U S foreign policy since 9 11 has been shaped by the special character of our national identity which embraces two contradictory features One The American Creed is a civic nationalism which espouses liberty democracy and the rule of law It is our greatest legacy to the world But our almost religious belief in the Creed creates a tendency toward a dangerously messianic element in American nationalism the desire to extend American values and American democracy to the whole world irrespective of the needs and desires of others The other feature populist or what is sometimes called Jacksonian nationalism has its roots in an aggrieved embittered and defensive White America centered largely in the American South Where the Creed is optimistic and triumphalist Jacksonian nationalism is fed by a profound pessimism and a sense of personal social religious and sectional defeat Lieven examines how these two antithetical impulses have played out in recent US policy especially in the Middle East and in the nature of U S support for Israel He suggests that in this region the uneasy combination of policies based on two contradictory traditions have gravely undermined U S credibility and complicated the war against terrorism It has never been more vital that Americans understand our national character This hard hitting critique directs a spotlight on the American political soul and on the curious mixture of chauvinism and idealism that has driven the Bush administration

UnChristian America Michael Babcock,2008 Liberty University professor Babcock presents a sympathetic but candid view of the legacy of the Christian Right and challenges evangelicals to take action for moral change before it s too late

executive editor of Chronicles and David Gordon senior fellow at the Ludwig von Mises Institute **American Manifesto** Gary W. Babb,2024-09-13 The Star Children are back to save America yet again They re requested by the military and American patriots to help plan launch and defend a revolution in the USA to take back the country from a treasonous and corrupt government This fictional story is presented in American Manifesto and is based largely upon and mirrors recognizable past and current political events commonly seen in the media and Internet The developed strategy is masterfully conceived highly unconventional exceptionally high tech and initially extremely shocking The story describes how this Coup was planned and implemented and delves into the Whys American Manifesto is a SciFi standalone story that is built upon characters created in Star Children a recent Finalist in the New Mexico Arizona Book Awards It relates the history of the Star Children and their involvement in helping save Earth from world domination They are gifted with acute mental powers created by genetic engineering of an alien race the Arcadians The Star Children use their keen intellect and advanced alien technology to purge the U S government of the treasonous conspirators and operatives heavily embedded within the government They are aided in the planning strategy by General Max Bruner a NAZI SS military operative from a secret base in Antarctica In this story the American Manifesto becomes a rallying document embraced by the American patriots which dictates to the government a declarations of conformity to the revolution a document that will go down in the annals of infamy alongside the Declaration of Independence *American Exceptionalism and Civil Religion* John D. Wilsey,2015-10-22 The idea of America s special place in history has been a guiding light for centuries With thoughtful insight John D Wilsey traces the concept of exceptionalism including its theological meaning and implications for civil religion This careful history considers not only the abuses of the idea but how it can also point to constructive civil engagement and human flourishing **Unearthed** Brandon Andress,2010-10-05 Jesus said that the Kingdom of God is like a treasure buried in a desolate field that one would sell all of his possessions to attain Yet the shocking reality is that this treasure remains buried as the average Christian and Church are sadly unaware of what the Kingdom of God is or why it even matters In his revealing first work Brandon Andress writes that while the Christian and the Church continue to chase their tails in pursuit of an identity and purpose in the world it is ultimately the unearthing of the Kingdom of God that will transform the Church and change the world While walking simplistically through the parables of Jesus to get a better understanding of Kingdom of God this book will also convince and inspire you and your Church to be the means through which the Kingdom of God breaks into the world in power
