Take Control of Your Drinking Michael S. Levy, 2021-01-12 Accepting that there is no one size fits all approach to controlling drinking the latest edition of this bestselling book will help you assess your drinking and determine whether moderation or abstinence is the best path for you For decades the standard treatment for people struggling with alcohol consumption has focused on convincing them to admit that they are an alcoholic to stop drinking entirely and to enter into a program most commonly Alcoholics Anonymous But in his more than thirty five year career as an addiction specialist working with people who want to change their drinking habits Michael S Levy has found that the routes to behavioral change actually vary And although abstinence is the successful route for many people others can moderate their drinking on their own or with professional help In this practical effective and compassionate book Levy helps people take control of their alcohol problem by teaching them how to think about and address their drinking habits Beginning with a set of self assessments that reveal whether the reader s use of alcohol is creating problems Levy explains the causes of problem drinking discusses the growing recognition of the various ways an alcohol use disorder can show itself and talks about why it is so difficult to change Offering advice for choosing between moderating your drinking or abstaining altogether he also touches on coping with slipups fighting helplessness and the fear of failure and knowing when moderation is not achievable The book is unique in that instead of telling people what they need to do it meets people at their stage of change and level of readiness to change and helps them decide for themselves what they need to do Drawing on the latest scientific evidence this new edition includes a chapter on the concept of self medication a useful but at times overused idea a chapter on the concurrent use of drugs particularly cannabis during recovery an exploration of modern strategies for dealing with drinking including technology apps that count drinks for example and medications that curb alcohol consumption reflections on the use of stigma communication strategies for individuals seeking to share their struggle with others an exploration of common triggers additional worksheets and tips to achieve success further material about self help programs and insights about the dark side of addiction treatment Ultimately *Take Control of Your Drinking* empowers people to tackle their drinking problem and gives them the freedom to do so in a way that fits with their own lifestyle and values This book is useful for anyone who may find that they are drinking too much for the loved ones of such people and for clinicians who want to broaden their skills when working with people who struggle with alcohol

Today's a Great Day to Quit Cigarettes Angie Johnston, 2012-05-13 Have you tried almost everything on the market to quit cigarettes and still can't quit Then you have arrived at the right place because today's a great day to quit cigarettes It doesn't matter if you have smoked for 30 years or 2 It doesn't matter if you smoke 2 a day or 30 It doesn't matter if you think you can quit right now or not or are feeling a little unsure of yourself today is a great day to quit cigarettes You can quit permanently and you can quit regardless of how many reasons why you think you might want to smoke Now you can kick your habit in the butt Do you answer yes to some of these Are you finding it harder to breathe Your fitness isn't what it used to be You're not keeping up with the kids anymore and getting out of breathe quicker You really want to stop but it just seems like you have used all your willpower up You can't stand the smell and don't like the look of other smokers You are secretly wondering how you are going to cope without them what you will do with your hands or whether you will gain weight or not In this comprehensive e book you will learn some very controversial truths about Why it's impossible to quit by cutting down How much involved the government has in every cigarette you smoke How you can access your powerful unconscious mind and programme it to do anything you want How you can have no side effects of cigarettes When you realise this one simple fact you wonder why you didn't see it all along How easy it is to quit once you see cigarettes and the smoking habit for what it really is The lies and untold stories How hard they make it for you to quit and why they do this There has never been a better time to quit than now You know now is the time because let's have an honest look at the full cost of smoking cigarettes We all know cigarettes don't just cost us money but let's have a look at this for a moment Cigarettes cost an average 25 cigs a day smoker 7300 per year Times that by 30 years 219 000 That's a house just about paid for Do you really want to continue to blow your money away in the air That same smoker would have smoked 9 100 cigarettes per year and 273 000 cigarettes over the 30 years The full impact of sucking on 273 000 cigarettes is cancer heart disease emphysema and ultimately an early death Although most cancers are curable now a days Medicare does not cover the full cost so not only are you out of pocket with cigarettes but now you are out of pocket with medical bills time off work and generally feeling unwell Loss of jobs or the ability to work at the appropriate level Quality time with your children or grandchildren Just imagine not being able to watch your children get married or have their own families because you cut your life short Lasting relationships A healthy mindset I have been told by so many smokers how they hate the fact that cigarettes control them and get this even

have more of a priority than their children Avoiding going to places and plan trips around smoking areas or how long it might be before you can have another cigarette They are such a time waster Here are a list of reasons I hear from smokers who want to quit So I can take a regular holiday and have money to go Causing health issues Controls me Manage my depression easier Smoking equals failure *The Perimenopause Solution* Shahzadi Harper, Emma Bardwell, 2021-07-22 You are not going mad it's your hormones The perimenopause the time leading up to the menopause is often misunderstood For some women it lasts a few months for others it consumes the best part of a decade This transitional period can be a time of emotional turmoil shifting priorities and physical changes from hot flushes insomnia low mood and anxiety to itchy skin thinning hair weight gain and loss of libido to name just a few Millions of women in their thirties and forties go through this without even realising they are perimenopausal It's time they take back control In *The Perimenopause Solution* Dr Shahzadi Harper a medical doctor specialising in women's health and Emma Bardwell a registered nutritionist provide a blueprint to help women find a new balance in this important phase of their lives so they can be prepared not scared Akin to getting two expert consultations in one this holistic and accessible guide combines practical no nonsense information on the physical and mental changes to expect with powerful advice on managing symptoms and nutrition as what you eat during the perimenopause can dramatically affect your experience of it Expert led and forward thinking in its approach *The Perimenopause Solution* will not just help you survive the journey towards the menopause it will let you thrive
