Detroit, Lenacrave and Cleveland Brooke,2010-12-15 I was almost as hard headed as it gets while repeatedly insisting on missing and ignoring the entire point that Mom and a few others tried to get me to realize GET YOUR EDUCATION I still had some great times here and there every now and then and I can only imagine how beautiful my life would have been if I would have followed the The Golden Rules Some wonderful things have happened to me even though I still feel that I truly did not deserve or even know how to sincerely enjoy thoroughly but on the other hand some not so wonderful things have happened to me that I basically brought on myself as a direct result of not following The Golden Rules EDUCATION IS A MUST I know my family was not the only family that has gone through a divorce and I know there are millions of kids who went through divorce without a scratch I am not blaming any of my failures as a man on the pitfalls of divorce but I can clearly see now that my character flaws were a direct hit stemming from the casualties of my parents divorce I did not ask to be me and I certainly did not ask or expect to be stuck on stupid for almost three tenths of a century It was what it was If I would have known their divorce would eventually effect me which I believe set the wheels in motion that turned towards me turning out the way I have I would have started Praying that night But I had no idea it would and neither did they I can only imagine how beautiful my life would have been if their marriage was meant to be but it was not about me Brooke *Alton Locke Tailor and Poet* Charles Kingsley,1857 The Best of African Folklore Phyllis Savory,2015-03-27 Africa has a wonderfully rich store of folk tales that have been passed down from one generation to the next There are stories about how the world came into being stories that tell of the relationships between human beings and between man and his environment and of the lessons to be learned from everyday experience The tales are like the fairy tales told all over the world but they have a strong African flavour that is as real as the smell of rain on hot earth The Best of African Folklore takes the reader

into an enchanted world where animals can talk and humans are often changed into different forms where magic is commonplace and reality is turned delightfully on its head Despite numerous setbacks things usually turn out all right in the end Wicked and greedy people and animals come off worst and the good receive their just rewards The gods are stern but fair and every story has a moral for those who are wise enough to see it
