Escape! Joseph O'Neill,2011-06-01 DescriptionThe book is a complete recovery plan for all those suffering from agoraphobia It deals with every aspect of the condition and provides clear simple and effective strategies for full recovery It adopts a holistic approach which ensures improved general health and fitness that form the springboard to recovery Written in clear jargon free language it explains the condition in layman s terms It contains guidance on diet sleep lifestyle and exercise and explains how these play a vital part in regaining good health Most important of all are the step by step guidelines for overcoming your fears and living a full life These enable you to progress at the speed that suits you and to tailor your progress to your needs It is written by a former agoraphobic who understands the nature of the illness and knows how easy it is to avoid fearful situations and allow the condition to strengthen its grip The author explains how to confront and overcome these excuses and motivate yourself to full recovery About the AuthorJoseph O Neill is a freelance author and broadcaster He has broadcast and published in both Ireland and Britain He suffered from agoraphobia for almost thirty years and experienced most forms of therapy during that time His experience of what works and what doesn t forms the basis of this book **One Step Closer** CJ Plogger,2016-12-31 A journey is a collaboration and culmination of many steps Sometimes our steps move us forward or backwards Sometimes we take steps to the left or to the right Our goal should be that our steps move us toward a definite destination We hope that our steps are taking us nearer to that which will make us stronger better or even be greater people As our steps are crucial our end point is as well If we want to have the life that God has in store for us we need to be walking toward Him daily God has a life of peace and joy for us Not problem free but one of peace Not without tribulations or trouble but one of triumph In order for us to possess this life God has to be our end destination He has to be the one that we are focusing and He has to be the one that we are depending upon In order for us to grow in the Lord and step closer to Him we must be intentional It would be wonderful if we could just wake up and be spiritually stronger than

we have ever been before But that is not reality We must be systematic and strategic if we are going to grow in the Lord This book will help and lead you to grow spiritually Jesus said If we are to follow Him we are to take up our cross daily One Step Closer is a tool that will not only strengthen us now it will impact our eternity **Becoming Donor-Conceived** Amelie Baumann, 2021-11-27 While it has been argued that anonymity in gamete donation has been brought to an end by legal changes and technological developments Amelie Baumann suggests that this is in fact still in transformation By focusing on the narratives of those who were conceived with anonymously donated gametes in the UK and Germany she examines this transformative process and the role which donor conceived persons play in it This book shows that it is not someone's decision to procreate that turns being donor conceived into a meaningful categorisation Rather kinship knowledge gets activated by the donor conceived in specific ways for being donor conceived to become a powerful identification
