Ten Things I Learned from Bill Porter Shelly Brady, 2010-10-05 Despite being born with cerebral palsy Bill Porter grew up to take the physically demanding job of a door to door salesman in the worst neighborhood in Portland Oregon earning no pay only commissions Eventually he became the companys top salesman in the city the region and finally the country Along the way he learned powerful life lessons that he imparted to those around him One of those people was Shelly Brady first hired by Porter as a typist and driver later to become his great friend In this inspiring book she brings together his lessons These seemingly simple ideas such as Mothers Know Best Persistence Pays Off and Know Your Limits but Reach Beyond Them resonate powerfully when seen through the lens of a life lived to the fullest against what would be impossible odds for many Whether finding cooperative bellmen to button his cuffs or beaming a video to his speaking engagements because of ill health Porter whose life story became a cause celebre in the 1990s gets the job done with a smile and inspires readers to do the same

Hearing Is Believing Elisa Medhus,2004 HEARING IS BELIEVING demonstrates that the words we say to children can have a profound positive or negative effect and it goes on to show readers how a few simple changes in parenting language can reward them with family harmony turn parenting into a joy rather than a burden and help them rear children with healthy self esteem This book suggests we can teach children how to think for themselves and learn to be rewarded with acceptance as a consequence of their contribution rather than needing acceptance and conforming Dr Medhus offers changes in language and parent child communication that are simple to implement and continue to use The results are immediately gratifying many who have made these changes say they see profound effects in their children and their families within two weeks Once these harmful phrases and their effects are exposed for what they really are they re easy to eliminate from our daily dialogue HEARING IS BELIEVING offers better and more empowering alternatives for each phrase as well as stories that illustrate the results Parents will be rewarded with a fulfilling and harmonious relationship with all children
